1. Overview (Tommy Gonzalez)

Mr. Tommy Gonzalez, City Manager, introduced the presentation by explaining that the transmission rate of COVID-19 infections was on the rise with 70% of new cases attributed to unvaccinated individuals. He mentioned that the City received 10,000 pediatric vaccinations for immediate distribution and listed the vaccination sites available by appointment. In addition, Mr. Gonzalez provided information regarding two community forums to be hosted by the Department of Public Health later in the week aimed at disseminating vaccine information to address any public concern. He ended the overview by citing the new vaccine protocol in place at land ports of entry due to the reopening of international bridges for non-essential travel and added that the City would remain informed on pending OSHA regulation on mandatory vaccinations and would work on securing funds from the recently approved Infrastructure Bill.

2. City Attorney Overview (Karla Nieman)

- a) State Disaster Declarations
- b) Emergency Ordinances
- c) Greg Abbott, in his official capacity as Governor of Texas, v. City of El Paso & Statewide Mask Mandate Litigation
- d) Additional Updates

Ms. Karla Nieman, City Attorney, provided an update on the pending renewal of disaster

declarations and emergency ordinances and said the pending litigation related to the City's Mask Mandate currently with the 8th Court of Appeals would most likely return to County Court No. 7 for trial. She explained that similar litigation cases across the State were also pending at various Appellate Courts and provided the status of COVID-19 citations filed with the City's Municipal Courts.

3. Team Lead Report:

a) Health Focus (Hector Ocaranza, M.D.)

Dr. Hector Ocaranza, Public Health Authority, continued the presentation by explaining that the number of new COVID-19 cases were prevalent among the younger demographic groups and said testing demand was low despite the higher rate of transmission. He encouraged the use of non-pharmacological interventions such as facemasks, hand washing, and testing and explained the difference between vaccines for adults versus children.

The following City staff members responded to questions posed by Members of the City Council:

- Mr. David Coronado, Managing Director for International Bridges
- Ms. Laura Cruz- Acosta, Strategic Communications Director

4. City Manager Wrap-up (Tommy Gonzalez)

Mr. Tommy Gonzalez, City Manager, wrapped up the presentation by saying the City would continue to work with community partners for the distribution of pediatric vaccines in order to remain above the State and the Nation in vaccination rates. He encouraged the community to obtain flu vaccines in addition to COVID-19 vaccines and said the City would not turn anyone away at the various distribution sites.
