As a native El Pasoan, I, Francie McIntosh, am honored to be asked by City Representative Alejandra Chavez, to serve on our city's Accessibility Advisory Committee.

Local business owner for 48 years.

Mother of two, grandmother of four, all residents of the Borderland.

Resident and property owner of District 1 for 47 years.

Volunteered with numerous organizations including Girl Scouts of the Desert Southwest.

Served as Zach White Elementary School PTA President. I was proud to be a part of developing an educational week long learning experience called Incredible Journey. This program gave the third and fifth grade students an opportunity to learn about the history of this beautiful and unique community we call home.

E.P.I.S.D. Council President serving on various committees of El Paso Independent School District dealing with the quality of education in El Paso all the while advocating for the children.

Throughout my 30 years as a member of The Junior League of El Paso there have been many opportunities to serve on projects concerning quality of life issues in our community. Some of my favorites were, Los Muralos, developing a brochure and presentation for high school students on the beautiful murals in our community and the artists who created them. Another favorite was Learning Trolley where we took first graders from low income areas on field trips to visit some of El Paso's famous destinations giving them the opportunity to expand their horizons.

In recent years, as an El Paso County Master Gardener and active member and President of El Dedon Verde Garden Club, I have had the opportunity to work to improve conditions of our treasured El Paso Municipal Rose Garden. This led to an opportunity to be involved in a project collaborating with the City of El Paso Parks and Recreation and the Montoya Heights Neighborhood Association to establish and improve El Paso's first and only Butterfly Garden. The Montoya Heights Butterfly Garden offers an outdoor educational opportunity for the residents of that community and nearby schools.

The past few years our family has been faced with medical diagnoses that have put us in situations dealing with accessibility issues we never imagined we would be in. Through this we have become aware of the need for improvement in the conditions that face many El Paso citizens daily. There is definitely room for improvement.

Always concerned with the quality of life of all our citizens.
Sincerely,

Francie McIntosh
