The Onward Alameda Corridor Plan seeks to gather big-picture input from the citizens of El Paso and establish a long-term vision for the future of the Alameda Corridor area and how it should evolve in the coming years. A master plan establishes priorities for public-sector action while at the same time providing direction for complementary private-sector decisions. The plan and its guidelines serve as a tool to evaluate new development proposals, direct capital improvements, and guide public policy in a manner that realizes the vision and reflects community values and needs.
