

American Rescue Plan Act (ARPA)

May 9, 2022

Agenda

- Requested Council Action
- American Rescue Plan Act
- Public Health Response
- Community Development Recovery
- Economic Development Recovery
- Next Steps

Requested Council Action

To approve the appropriation of \$ 115,979,244 from the Coronavirus State and Local Fiscal Recovery Funds in accordance with the requirements stipulated by the American Rescue Plan Act and federal guidelines in the Final Rule.

City Council has previously approved the appropriation of \$38.4 million:

- *\$22.8 million for COVID-19 response*
- *\$9.0 million for homelessness and family stability*
- *\$6.6 million for body worn cameras*

Coronavirus Federal Assistance

Shift from Relief to Recovery

- Since April 2020, the City has received almost \$400 million in Federal funds, from 11 different agencies, including
 - April 2020, the City received \$119 million in *Coronavirus Relief Funds* (CARES) to respond directly to the **public health emergency**
 - May 2021/2022, the City will receive \$154.3 million in *State and Local Fiscal Recovery Funds* (ARPA) to **fight the pandemic**, **support families**, **maintain vital public services**, make investments that support **long-term growth**

Coronavirus Relief Funds (CARES)

- \$80 million for public health response, including new lab and clinic facilities, testing, contact tracing, vaccinations, compliance and education, public hospital assistance (\$2 million UMC), and City facilities
- \$17.4 million for community assistance, including rental and utility assistance, food security, homeless assistance, childcare, and gap assistance
- \$22 million for small business assistance to help improve liquidity and cash flow, invigorate demand, and restart and continue operations

State & Local Fiscal Recovery Funds (ARPA)

Shift from Relief to Recovery

- Fight the pandemic
- Support families
- Maintain vital public services
- Make investments that support long-term growth

State/Local Fiscal Recovery Funds (ARPA) Recommendation

- \$83.4 million for public health response, new programs, and facility relocation
- \$28.9 million for public safety, including body worn camera program, Crisis Intervention Team expansion, city watch surveillance expansion, radio communication infrastructure, police mobile command, and new fire programs
- \$12 million for community assistance for programs supporting families, addressing homelessness, and increasing access to broadband internet service
- \$14 million for small business grants and local business support
- \$6 million for outdoor sport court resurfacing/reconstruction and playground replacement

Coronavirus Federal Assistance

\$7.8 million was approved by City Council on January 18, 2022

Public Health and Safety Response + Recovery

Fire Chief Mario D'Agostino,
City Engineer Sam Rodriguez &
Police Chief Greg Allen

Public Health and Safety

Description	Budget
Public Health & Safety Response	65,871,568
Fire Programs	2,823,867
Public Health Programs	1,544,321
P-25 Infrastructure (Public Safety)	7,171,175
Public Health Relocation	16,070,725
Police Programs	18,863,479
Total	\$112,345,145

Vaccinations

- Ages 5 and older 1st and 2nd Dose available by appointment at the following locations:
 - COVID-19 Clinics:
 - 220 S. Stanton (corner of First and Stanton)
 - 7380 Remcon
 - 9566 Railroad
 - 9341 Alameda
 - City Pop-Events (18 and Older) No appointment needed

3rd Dose and Boosters available for 18 and older

2nd Booster for 50 and older, and immunocompromised individuals

Pending Boosters for 12 and older

Peak Testing

- Multi-Purpose Testing Centers
- LTS
 - UTEP
 - EP County Sports Park
 - Nations Tobin Park
 - Don Haskins Recreation Center
- City
 - COVID 19 Clinics (3)
 - Ysleta Health Center
 - Chamber of Commerce
 - Outlet mall

Contact Tracing and Epidemiology

- Up to 323 positions to assist with contact tracing
- Cross training
 - Contact tracing
 - Outreach
 - COVID Hotline
 - Testing
 - Vaccinations
 - Support

ARPA Funding Opportunities:

- Newspaper Ads
- Radio Ads
- Billboards
- Online Ads
- Flyers
- Bus placards
- TV Ads and PSAs
- Storefront signage
- A-Frames
- Brochures
- Promotional items
- Posters

Ongoing In-House Work:

- Press Releases
- Media Advisories
- Media Availability
- Talking points
- Websites
- Social Media
- Community meetings + events
- Interviews
- Story pitching
- Photos
- Video and radio production

P25 Infrastructure Project

Fund equipment upgrade to maintain P25 infrastructure

\$7.1M

- Upgrade radio and network equipment for Public Safety radio infrastructure.
- Fire stations and command centers console replacement.
- Radio Antenna replacements for transmission sites.

Results

- Continue to operate and maintain a region P25 radio communication infrastructure for Fire, Police, Sun Metro, Animal Control and Health Departments and interoperate with other regional Public Safety agencies.
- Ensure Public Safety communications availability.

Public Health Facilities – Department Relocation

Sam Rodriguez

Health Department Relocation

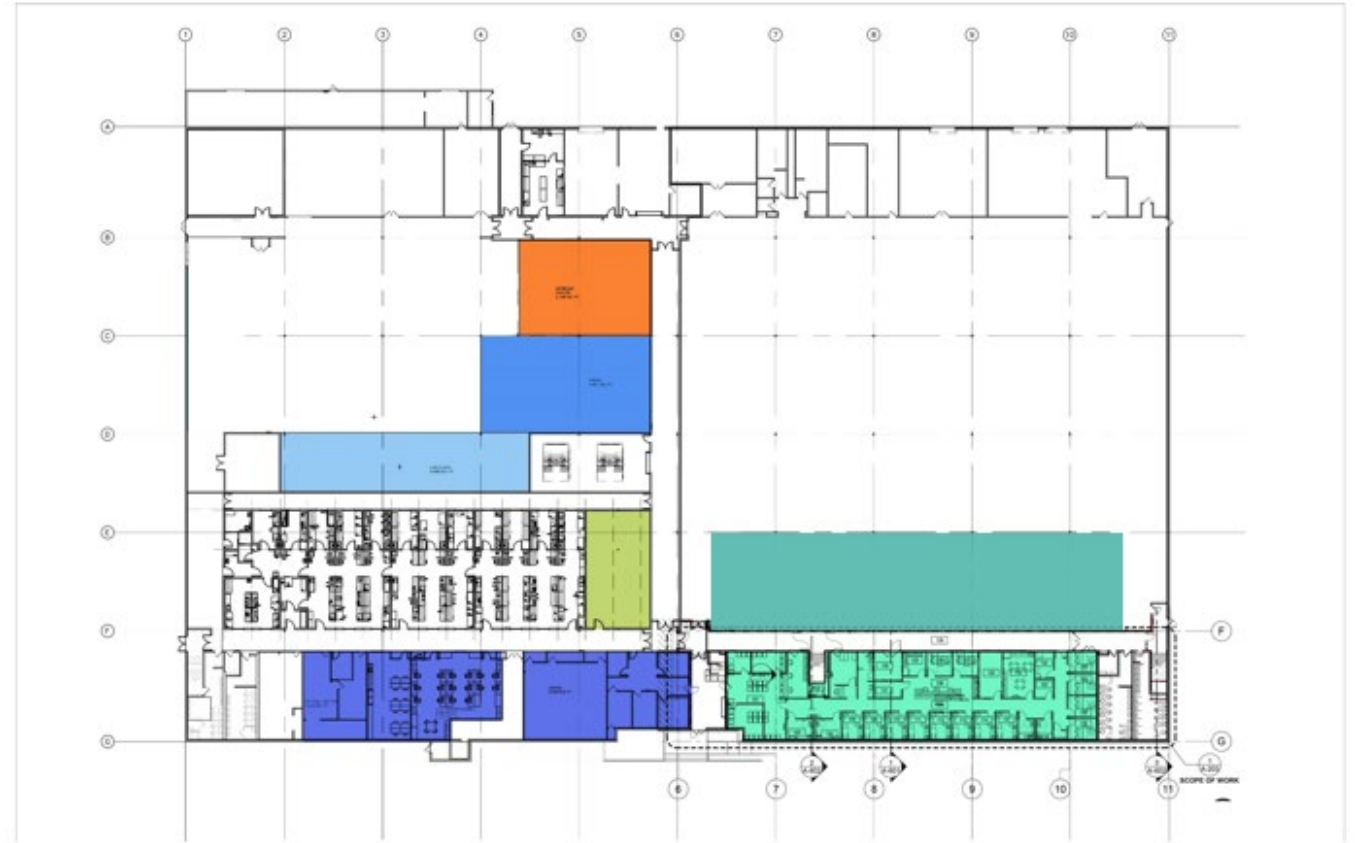

Description	Budget
Railroad Facility	7,879,825
Kansas Facility	690,900
New MCA Location	7,500,000
Total	\$16,070,725

Health Department Relocation

Phase I:

Admin. and limited Clinical Services

- Fiscal Services ■
- Admin, Mail Room, Title X family
Planning & CDC grants ■
- Lab Administration ■
- Medicaid Waiver ■
- Immunizations & Family
Planning ■
- Conference Room ■
- TB clinic and DIS ■

Phase I: Admin. and limited Clinical Services

Medicaid Waiver
TOTAL= 2,106 SQ.FT

Fiscal Services- access off of
main corridor.
TOTAL= 2,697 SQ.FT

Lab administration- access from
secure corridor north of Lab.
TOTAL= 2446 SQ.FT

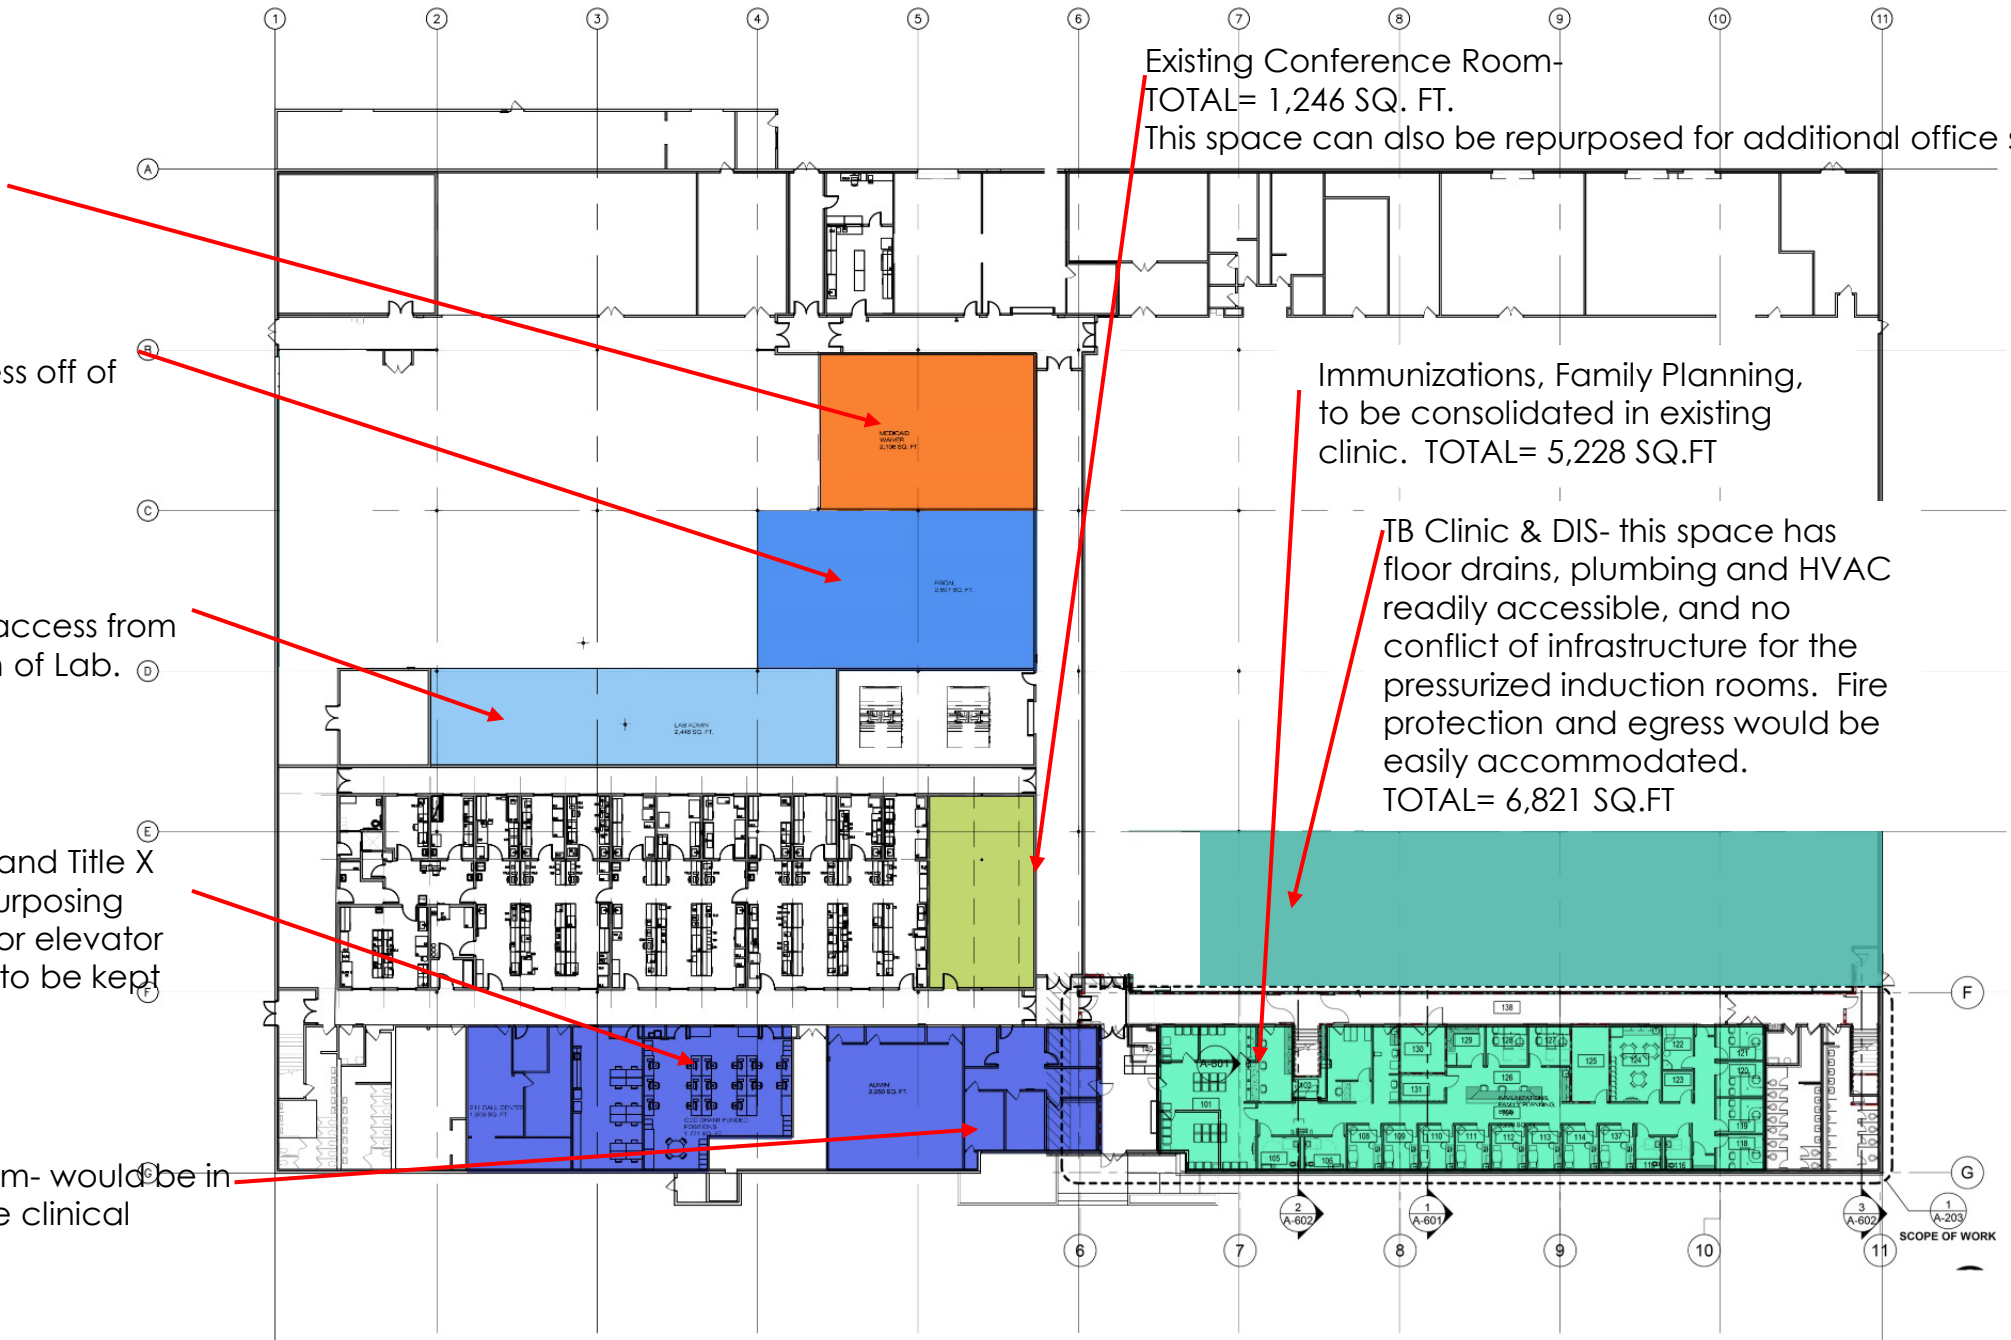

CDC granted funds and Title X
family planning- repurposing
space would allow for elevator
access and security to be kept
for Lab
TOTAL= 3,337 SQ. FT.

Admin. and mail room- would be in
close proximity to the clinical
services
TOTAL= 2,250 SQ.FT

Existing Conference Room-
TOTAL= 1,246 SQ. FT.
This space can also be repurposed for additional office space.

Immunizations, Family Planning,
to be consolidated in existing
clinic. TOTAL= 5,228 SQ.FT

TB Clinic & DIS- this space has
floor drains, plumbing and HVAC
readily accessible, and no
conflict of infrastructure for the
pressurized induction rooms. Fire
protection and egress would be
easily accommodated.
TOTAL= 6,821 SQ.FT

Health Department Relocation

Phase I Summary:

- Admin. and limited Clinical Services to Railroad Facility:

- Fiscal Services
- Admin, Mail Room, Title X Family Planning & CDC grants
- Lab Administration
- Medicaid Waiver
- Immunizations & Family Planning
- Conference Room
- TB Clinic and DIS

- Clinical services at MCA campus; site Acquisition and Programming for:

- TB Clinic and DIS
- Immunizations and Family Planning
- Administrative and supporting services

- Services to move to 200 Kansas Facility:

- 211 Center
- Academic Health Department
- Conference rooms
- WIC and WIC call center

- Services to remain where they are:

- Food inspections
- Warehouse

Health Department Relocation

Phase I Summary:

- Admin. and Clinical Services to Railroad Facility:

SERVICES	SQ. FT.	COST
Fiscal Services	2,697	\$809,100
Admin., Mail Room,	2,250	\$562,500
Lab Administration	2,446	\$733,800
Medicaid Waiver	2,106	\$631,800
Immunizations & Family	5,228	0.00 use existing facilities
Conference Room	1,246	0.00 use exist. Facilities
TB Clinic and DIS	6,821	\$3,410,500
Title X Family Planning, CDC Grants	3,337	\$831,750
CIRCULATION (Approx. 10% of SF)	4,135	\$900,375
TOTAL	30,266	\$7,879,825.00

Health Department Relocation

Phase I Summary:

- Services to move to 200 Kansas Facility:

SERVICES	SQ. FT.	COST
211 Center	1,250	0.00 use exist. Facilities
Health Education	1,943	\$582,900
Conference Rooms	2,475	0.00 use exist. Facilities
WIC and WIC call center	3,365	0.00 use exist. Facilities
Academic Health Department	360	\$108,000
TOTAL	9,393	\$690,900.00

Health Department Relocation

Phase I Summary:

- Clinical services to be provided in new MCA location (*including site acquisition):

SERVICES	SQ. FT.	COST
TB Clinic and DIS	6,821	\$3,410,500
Immunizations & Family Planning	6,450	\$2,259,700
Administrative & supporting services	6,100	\$1,829,800
TOTAL	19,371	\$7,500,000

TOTAL COST OF ALL SERVICES RELOCATION: **\$16,070,725.00**

City Facilities

The COVID Task Force focused on six areas for the improvement of City facility and playground equipment safety:

- **Clean Air Technologies at City Facilities** – Continued maintenance of Plasma Air / UV HVAC upgrades in City facilities
- **Temperature Checking Stations** - Continued maintenance of Temperature Portals in City facilities
- **Safety Modifications in Department Work Zones** – Continue Assessing and making safety modifications for employees workspace
- **Personal Protective Equipment for COVID** – Continue distribution of PPE and cleaning supplies to non-uniform employees
- **Fogging and Sanitizing Facilities** – Continue reactive and proactive sanitizing plans
- **Playground Equipment Disinfecting** – Continue disinfecting of playground and workout equipment in City parks

Public Health and Safety

Police Chief Greg Allen

Public Safety: Body Worn Cameras

APPROVED

Metrics

- Deploy 700+ BWC for patrol and traffic units
- Vehicle Integration
- 5 Year Service Contract
- Cloud Based
- Additional Personnel

\$ 6.6M

Promote Public Trust

Ensure Public Safety

Improve Transparency

Enhance Accountability

Public Safety: Mobile Command Post

Resource to handle large operations

Intelligence gathering capabilities

Meeting area to coordinate with multiple agencies

Safe and secure place for officers during major operations

\$1.3M

The Major Crimes Unit is requesting a new mobile command post to utilize in support of major incident investigations throughout the City. The current mobile command post is fitted with specialized equipment, but currently malfunctioning, outdated or does not fit specific needs. This investment would provide EPPD Officers access to internet, live video streaming capabilities in a temperature controlled mobile command in order to provide investigative and safety security measures to support our community during major incidents.

30-35 *Current deployments a year*

Public Safety: **City Watch Expansion**

Enhance Public Safety for Community

Improve emergency response, efficiency & safety

Increase Investigative Capabilities

Maximize situational awareness to maintain security for critical areas & infrastructure

\$7M

Augment public safety in critical areas through addition of dedicated city watch staff, and deployment of camera systems at strategic locations

Public Safety:

Intervene in mental health crisis situations

Preventing points of crisis

Provide guidance and resources

Provide safe outcome

1,403 *Emergency Detention Orders issued FY21*

Crisis Intervention Team

\$3.9M

Our Crisis Intervention Team Program in partnership with the Emergence Health Network have been working together to assist citizens suffering from a mental health diagnosis with guidance, resources and intervention.

Since the implementation of the unit there has been an **increase in demand for follow up requests, meetings and statistics.**

This would provide assistance in funding the current 18 EPPD and 17 EHN personnel, with an increase of additional personnel in both EPPD (7) and EHN (5) to continue assisting our citizens suffering from mental health crisis.

Community Recovery

Nicole Ferrini

community + human development

Advance Equity

Reduce Poverty

Build Sustainability

Civic Empowerment

- Equity + Access
- Climate Action
- Volunteerism + Engagement

Human Services

- Homelessness
- Health+ Wellbeing
- Recreation + Lifestyle

Neighborhood Development

- Housing
- Community Revitalization
- Quality of Life

Our responsibility is to serve as the catalyst for community partnerships, collaboration + change ensuring **equity, resilience + sustainability** for the most vulnerable El Pasoans by giving voice to the underrepresented, supporting a strong system of human services & investing in El Paso homes, families + neighborhoods.

Community Recovery: **Key Vulnerabilities**

**Housing +
Homelessness**

1

**Family
Stability**

2

**Household
Stability**

3

In over 600 days of COVID response our team has always kept **a resilient and inclusive recovery** in mind. Today as our community moves forward, there are still **3 key areas requiring focused investment** if we are to build the foundation that recovery.

*Interconnected vulnerabilities are a barrier to a **resilient recovery**.*

Community Recovery: ARPA

A **3 Step Plan** is being recommended to address ongoing recovery in the area of community vulnerability. The plan is based on the **3 key areas of need** identified since the onset of the pandemic.

Community Vulnerability

\$ 3 million pending community needs assessment

\$ 9M

Previously **Approved** by
City Council for
Community Vulnerability

Supporting Families

\$4.25 million toward providing families a key resource for household stability and economic recovery

Addressing Homelessness

\$ 4.75 million toward shelter, housing and street outreach.

Recommendations are also based on **program sustainability + community impact beyond initial ARPA investment.*

\$ 12M

Total Community Vulnerability Investment

Community Vulnerability: Homelessness

Targeted Program Results

1

Emergency Surge Capacity

2

Permanent Housing Options

3

Case Management

4

Street Outreach

\$ 4.75M

This investment is leveraged against other federal funding sources targeted at establishing a facility capable of providing **ongoing shelter and support services as well as permanent housing opportunities** for individuals experiencing homelessness.

Long Term sustainability of this program is supported by the implementation of a permanent housing program. This has been a clearly identified gap in our community.

Community Vulnerability: **Family Stability**

Targeted Program Results

1

Increased Community Capacity

2

Household Economic Stability

3

Skills Building for Children

4

Improved Family Mental Health

\$ 4.25M

This is inclusive of early childhood care at before and After School care at After School sites and eight day camp sites to serve families with school aged children during the summers and intersession breaks.

Additionally, this will support capacity to provide critical mental healthcare to youth in our community. These programs work to **remedy the learning losses caused by the pandemic and increase access to mental healthcare allowing our children to reach their fullest potential** resulting in long-term success of our community.

Sports Court & Playground Replacements

\$ 6.0M

- **Reconstruct 24 Courts Citywide**
 - 11 Tennis Courts and 13 Basketball Courts
- **Resurface 60 Courts Citywide**
 - 16 Tennis Courts and 44 Basketball Courts
- **Total of 84 Courts [27 tennis & 57 basketball] will be Reconstructed or Resurfaced**
- **Replace 7 sub-standard Playgrounds**
 - Provide enhanced recreational opportunities for users ages 2-12
