As DBE does not host or process data of any kind, be it of our client institutions or their end users, the SSAE17 auditing standard is not applicable. 13. Service by Others
- a) With respect to any Equipment Schedule covering equipment that is installed, de-installed, relocated, altered, or serviced by other than DBE representatives, DBE may require, as a condition to accepting or continuing the equipment for service coverage, that the Subscriber have DBE inspect the equipment (pursuant to Section 12) for damage and to assure that all manufacturer-recommended changes have been made and that the equipment is otherwise in good working order. Subscriber shall have DBE perform any required servicing or repairs recommended by DBE prior to the acceptance of the equipment for service coverage.
 - b) DBE may, at its sole discretion, employ a third party service provider to assist with repair of equipment at any time. DBE will be solely responsible for compensating said service provider for any services or parts rendered. DBE is responsible for ensuring that any third party service provider is factory-trained on equipment, carries appropriate liability insurance, and adheres to all industry standard regulations and business practices.

15. Delay in Performance and/or Increase in Expenses

- a) DBE will not be liable for any delay in providing service that is caused by fire or flood, strikes, labor disturbances, riots, war, insurrection, acts of any governmental entity, delays in transportation, delays in procuring materials from third parties, unavailability of fuel or other supplies, or any other cause beyond the reasonable control of DBE. In the event of such occurrence, DBE's time for performance shall be equitably adjusted or cancelled if in DBE's reasonable judgment performance has been rendered not economically reasonable.
- b) If at any time during the term of this Agreement, DBE is required to obtain any site specific or any other license, permit, certification or authorization to perform the services for Subscriber, not already held by DBE, or if there is any change in applicable law, ordinance or regulation that materially increases DBE's cost to perform the services, then, upon giving Subscriber reasonable notice of such increase in costs and/or expenses, Subscriber shall be responsible to reimburse DBE therefor or otherwise to pay such increased costs and expenses.

16. Modification of Agreement

Except as provided herein, this Agreement may be waived or modified only by a writing executed by both parties. In the event of the addition or deletion of equipment from service coverage under this Agreement, or other modifications of Equipment Schedule(s) contemplated by this Agreement, DBE shall provide a new Equipment Schedule or other appropriate notice of a change to Subscriber. The provisions of such new Equipment Schedule or notice of change shall be deemed a part of this Agreement and legally binding upon Subscriber, unless Subscriber objects to DBE in writing within thirty (30) days of the issuance of the new Equipment Schedule or notice of change.

18. Obsolete Equipment

At any time during the term of this Agreement or any renewal or extended term hereof, DBE may reasonably determine that equipment being serviced hereunder is obsolete or not otherwise reasonably capable of being maintained in an operable condition as a result of age,

volume of use, unavailability of necessary replacement parts or other reason or condition, which DBE may identify as extraordinary. Upon receipt of written notice

or such determination from DBE, Subscriber shall either replace the obsolete equipment with new equipment, remove the equipment from the scope of coverage of this Agreement, or agree in writing that such equipment will continue to be serviced hereunder by DBE on a time and materials basis.

19. Electronic Signature/Governing Law

The parties acknowledge and agree that this Agreement may be executed or accepted using electronic, stamped or facsimile signatures, and that such a signature shall be legally binding to the same extent as a written cursive signature by a party's authorized representative. Each party waives any legal requirement that this Agreement be embodied, stored or reproduced in tangible media, and agrees that an electronic reproduction shall be given the same legal force and effect as a signed writing. Customer agrees that any terms delivered with or notified to Subscriber by DBE regarding software items shall apply to and govern the use of such items. This Agreement shall not be binding upon DBE until accepted.

20. General

- a) This Agreement and Equipment Schedule(s) constitute the entire agreement between the parties concerning any service provided by DBE to Subscriber, and no representation, inducement, promises or agreements not embodied herein shall be of any force or effect. Any purchase order or similar document issued by Subscriber shall be deemed issued only for Subscriber's internal administrative convenience and shall not become a part of this Agreement. This Agreement shall be binding in accordance with its terms upon the parties hereto, may not be assigned in whole or in part without the express prior written consent of the other party and any unauthorized assignment is void; however, DBE may assign this Agreement to a partner service company at any time or subcontract its duties under this Agreement without first obtaining Subscriber's prior consent thereto.

2.1. In consideration of the payment of the license fees set forth herein, Licensor grants Licensee, and Licensee accepts, a nonexclusive license to use the Licensed Program subject to the following terms and conditions.

2.2. Licensee agrees that the Licensed Program may be used only on computer equipment owned, leased, or otherwise controlled by Licensee or one of its affiliates or majority-owned subsidiaries. Licensee agrees that it will not assign, sublicense, transfer, pledge, lease, rent, or share its rights under this Agreement except that licensee is permitted to transfer and assign the Licensed Program and this Agreement in accordance with Section 6.2. Licensee agrees that it may not reverse assemble, reverse compile, or otherwise translate the Licensed Program.

2.3. Upon loading the Licensed Program into its computer, Licensee may retain the original compact disk (CD) of the Licensed Program for backup purposes. In addition, Licensee may make a reasonable number of copies of the Software on CD (or other media) for the sole purpose of backup in the event the original CD of the Licensed Program is damaged or destroyed. 6.1. Licensee acknowledges and agrees that the Licensed Program is a proprietary product of Licensor protected under U.S. copyright law and international copyright treaties, as well as other intellectual property laws and treaties. Licensee further acknowledges and agrees that Licensor shall have sole and exclusive ownership of all right, title, and interest in and to the

Licensed Program, including associated intellectual property rights, and all modifications and enhancements thereof (including ownership of all intellectual property rights, such as trade secrets and copyrights, pertaining thereto), subject only to the rights and privileges expressly granted to Licensee herein by Licensors. No service bureau work, multiple-user license, or time-sharing arrangement is permitted, except as expressly authorized by Licensors. Licensee agrees not to install the Licensed Program in any other computer system or use it at any other location not occupied by Licensee (or one of Licensee's affiliates or majority-owned subsidiaries) without Licensors's express authorization obtained in advance (which will not be unreasonably withheld); provided that Licensee may transfer the Licensed Program to another computer temporarily if the computer where the program was originally installed is inoperable. If Licensee uses, copies, or modifies the Licensed Program or if Licensee transfers possession of any copy, adaptation, transcription, or merged portion of the Licensed Program to any other party in any way

not expressly authorized by Licensor, Licensor may terminate Licensee's license upon written notice and failure of Licensee to cure within ten (10) days.

6.3. Licensee hereby authorizes Licensor to enter its premises in order to inspect the Licensed Program in any reasonable manner during regular business hours to verify Licensee's compliance with the terms hereof.

6.4. If a third party claims that Licensee's use of the Licensed Program infringes its patent, copyright, or trade secret, or any similar intellectual property right, Licensor will indemnify, hold Licensee harmless from and defend Licensee against that claim at Licensor's expense and pay all reasonable costs and expenses incurred by Licensee, costs of settlement, and all damages that a court finally awards, provided that Licensee promptly notifies Licensor in writing of the claim, and allows Licensor to control, and cooperates with Licensor in, the defense or any related settlement negotiations. If such a claim is made or appears possible, Licensee agrees to permit Licensor to enable Licensee to continue to use the Licensed Program, or to modify or replace them, provided all material functionality is preserved. If Licensor determines that none of these alternatives is reasonably available, Licensee agrees to return the Licensed Program on Licensor's written request, and Licensee will then receive a refund of the License Fee paid by Licensee to Licensor for such Licensed Program.

6.5. Licensor has no obligation for any claim based on Licensee's modification of the Licensed Program or its combination, operation, or use with any product, data, or apparatus not specified or provided by Licensor, provided that such claim solely and necessarily is based on such combination, operation, or use and such claim would be avoided by combination, operation, or use with products, data, or apparatus specified or provided by Licensor.

6.6. THIS SECTION STATES LICENSOR’S ENTIRE OBLIGATION TO LICENSEE WITH RESPECT TO ANY CLAIM OF INFRINGEMENT.

Section 7

LIMITED WARRANTY AND LIMITATION OF LIABILITY

7.1. Licensors warrants, for Licensee’s benefit alone, that the Licensed Program conforms in all material respects to the specifications for the current version of the Licensed Program set forth in Exhibit A. This warranty is expressly conditioned on Licensee’s observance of the operating, security, and data-control procedures set forth in the User's Manual included with the Licensed Program. The failure of the Licensed Program to conform materially to the specifications provided in Exhibit A shall be deemed a “Material Defect”.

7.2. Licensors is not responsible for obsolescence of the Licensed Program that may result from changes in Licensee’s requirements. The foregoing warranty shall apply only to the most current version of the Licensed Program issued by Licensors from time to time. Licensors assumes no responsibility for the use of superseded, outdated, or uncorrected versions of the Licensed Program.

7.3. Except for maintenance pursuant to Section 4 of this Agreement, Licensee shall have no remedy against Licensors for any Material Defect in the Licensed program for which Licensors is responsible if the Material Defect is not brought to Licensors’s attention within 120 days of the date of Acceptance. For any Material Defect in the Licensed Program for which Licensors is responsible and in which the Material Defect has been brought to Licensors’s attention within 120 days of Acceptance, Licensors shall attempt through reasonable effort to correct or cure any reproducible defect by issuing corrected instructions, a restriction, or a bypass and in the event

Licensor does not correct or cure such nonconformity or defect after it has had a reasonable opportunity to do so, Licensee may elect to return the Licensed Program for a refund of the License Fee or to receive a replacement of the defective or nonconforming module of the Licensed Program. Licensor shall not be obligated to correct, cure, or otherwise remedy any nonconformity or defect in the Licensed Program if Licensee has made any unauthorized changes whatsoever to the Licensed Program, if the Licensed Program has been misused or damaged in any respect, if Licensee has not reported to Licensor the existence and nature of such nonconformity or defect promptly upon discovery thereof, or Licensor is not employed by Licensee, at the time of Licensee's awareness of the defect, to maintain the Licensed Program pursuant to Section 4 of this Agreement.

7.4. Licensor also warrants the following:

_____ (a) Ownership and Right to Grant. Licensor represents that it is the owner of all right, title and interest in and to the Licensed Program and that it has the right to grant to Licensee the license granted hereunder free and clear of any liens and encumbrances.

_____ (b) Time Bombs Warranty. Licensor warrants that the Licensed Program is free of features such as "back doors" "trojan horses" and "time bombs" through which the Licensed Program could be disabled either directly or indirectly via remote access.

_____ (c) Virus Warranty. Licensor warrants that the Licensed Program is free of any and all computer viruses and that Licensor has taken all reasonable steps to ensure that the Licensed Program is free of such viruses.

_____ (d) Professional Services Warranty. Licensor warrants that all services rendered hereunder shall be rendered in a professional manner consistent with general

industry practices.

7.5. EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT AND TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, LICENSOR DISCLAIMS ANY AND ALL PROMISES, REPRESENTATIONS, AND WARRANTIES, EITHER EXPRESS OR IMPLIED, WITH RESPECT TO THE LICENSED PROGRAM, INCLUDING, BUT NOT LIMITED TO, ITS CONDITION, ITS CONFORMITY TO ANY REPRESENTATION OR DESCRIPTION, THE EXISTENCE OF ANY LATENT OR PATENT DEFECTS, ANY NEGLIGENCE, AND ITS MERCHANTABILITY OR FITNESS FOR A PARTICULAR USE.

7.6. The cumulative liability of Licensor to Licensee for all claims relating to the Licensed Program and this Agreement, including any cause of action sounding in contract, tort, or strict liability, shall not exceed the total amount of all license fees paid to Licensor hereunder. This limitation of liability is intended to apply without regard to whether other provisions of this Agreement have been breached or have proven ineffective. This limitation of liability shall not apply to the indemnification provided in Section 6.5 hereof. Licensor shall have no liability for loss of data or documentation, it being understood that Licensee is responsible for reasonable backup precautions.

7.7. In no event shall either party be liable to the other for any loss of profits; any incidental, special, exemplary, or consequential damages; or any claims or demands, even if advised of the possibility of such claims or demands. This limitation upon damages and claims is intended to apply without regard to whether other provisions of this Agreement have been breached or have proven ineffective.

7.8. Licensee acknowledges that it may have additional rights under certain laws (e.g., consumer laws) that do not allow the exclusion of implied warranties, or the exclusion or limitation

of certain damages. If such laws apply, Licensor's exclusions or limitations do not apply to Licensee.

7.9. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL LICENSOR BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES WHATSOEVER (INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION, OR ANY OTHER PECUNIARY LOSS) ARISING OUT OF THE USE OF OR INABILITY TO USE THE LICENSED PROGRAM, EVEN IF LICENSOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. BECAUSE SOME STATES AND JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES, THE ABOVE LIMITATION MAY NOT APPLY TO LICENSEE.

Section 8

SOURCE CODE ESCROW

8.1. If requested by Licensee, Licensor shall promptly place the source code version of the Licensed Program (the "Program Source Code") in the possession of a reputable Escrow Agent for the benefit of the Licensee. Licensor, Licensee, and the Escrow Agent shall in good faith negotiate an agreement mutually agreeable to the parties ("Escrow Agreement") which shall include provisions protecting the confidentiality and non-disclosure of the Program Source Code and shall provide for release of the Program Source Code upon the occurrence of certain events, including, but not limited to, Licensor's failure to fulfill its support or maintenance obligations.

Section 9

TERM OF AGREEMENT; TERMINATION

9.1. Licensee's license of the Licensed Program shall become effective upon delivery of the Licensed Program to Licensee and shall continue in perpetuity, unless sooner terminated as provided herein.

9.2. Upon termination of this Agreement, all rights granted to Licensee will terminate and revert to Licensor. Promptly upon termination of this Agreement for any reason or upon permanent abandonment of Licensee's possession or use of the Licensed Program, Licensee agrees to return or destroy, as requested by Licensor, all copies of the Licensed Program in Licensee's possession (whether modified or unmodified), and all other materials pertaining to the Licensed Program (including all copies thereof). Licensee further agrees to certify its compliance with such restriction upon Licensor's request.

9.3. Termination for Non-Appropriation by Licensee:
Licensee may terminate the Agreement if funds sufficient to pay its obligations under the Contract are not appropriated by the governing body on behalf of local government. In the event of such termination, the Licensee will not be considered to be in default or breach under this Agreement, nor shall it be liable for any further payments ordinarily due under this Agreement, nor shall it be liable for any damages or any other amounts which are caused by or associated with such termination.

Section 10

10.4. In the event that any of the terms of this Agreement are or become or are declared to be invalid or void by any court or tribunal of competent jurisdiction, such term or terms shall be null and void and shall be deemed severed from this Agreement and all the remaining terms of this Agreement shall remain in full force and effect.
