ARTICLE III PARITY BONDS

Section 3.01. Payments From Trust Estate Only. All payments to be made by the Trustee under the Trust Agreement to the Bondholders shall be made only from the income and proceeds from the Trust Estate and only to the extent that the Trustee shall have received income or proceeds from the Trust Estate.

Section 3.02. Method of Payment. The Trustee is hereby confirmed as paying agent for the Parity Bonds. All Bond Payments made by the Trustee under the Trust Agreement shall be paid to each Bondholder (i) with respect to the Series 2023 Bonds, in accordance with Section 4.03 of this Fourth Supplement, (ii) with respect to the Previously Issued Parity Bonds, in accordance with the Original Trust Agreement, First Supplement, Second Supplement and Third Supplement, and (iii) with respect to each series of Additional Bonds issued in the future, in accordance with the provisions of the Original Trust Agreement as amended to provide for the issuance of such series of Additional Bonds.

Section 3.03. Unclaimed Bond Payments. If money sufficient to make a payment to a Bondholder shall have been made available to the Trustee for the benefit of such Bondholder, and the payment cannot be made, for any reason, it shall thereafter be the duty of the Trustee to hold such money, without liability for interest thereon, for the benefit of such Bondholder. Such Bondholder shall thereafter be restricted exclusively to such money for any claim of whatever nature which he may have under this Fourth Supplement or on, or with respect to, his Parity Bond. Subject to unclaimed property laws of the State, the Trustee's obligation to hold such money shall continue for a period of three years following the date on which the principal of the Parity Bonds became due (whether at maturity, or the date fixed for redemption thereof), or otherwise, as the case may be.

Section 3.04. Other Distributions. Any payments of amounts received by the Trustee (other than amounts for Lease Payments which shall be applied in accordance with the provisions of this Fourth Supplement) as to which provision for the application thereof is made in the Lease Agreement, shall be applied to the purpose for which such payments were made in accordance with the terms of the Lease Agreement. The foregoing notwithstanding, any payments for Operating Expenses received by the Trustee from the City, if any, shall be applied in accordance with the provisions of Section 6.07 hereof and upon the written direction of the Corporation.

Section 3.05. Execution; Temporary Bonds.

(a) *Execution of Parity Bonds.* The Parity Bonds may be executed on behalf of the Corporation by its Chair or Vice Chair with his or her manual or facsimile signature and may be attested by the manual or facsimile signature of its Secretary or Assistant Secretary, and the official seal of the Corporation shall be impressed or reproduced thereon. All such facsimile signatures shall have the same force and effect as if such officers had manually signed each of the Parity Bonds. The reproduction of the official seal of the Corporation on the Parity Bonds shall have the same force and effect as if the official seal of the Corporation had been impressed on the Parity Bonds. The Series 2023 Bonds shall be executed on behalf of the Corporation by

the Chair or Vice Chair who occupies such office as of the date of adoption of the Series 2023 Bond Resolution with his or her manual or facsimile signature and may be attested by the manual or facsimile signature of the Corporation Secretary or Assistant Secretary who occupies such office as of the date of adoption of the Series 2023 Bond Resolution. In case any officer whose signature or a facsimile of whose signature shall appear on any Parity Bonds shall cease to be such officer before the delivery of such Parity Bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, and the Parity Bonds may be issued and delivered as if such officer had remained in office until delivery.

(b) Temporary Bonds. Until Parity Bonds in definitive form of any series are ready for delivery, or by agreement with the purchasers of all Parity Bonds of such series, the Corporation may execute, and upon its request in writing, the Trustee shall authenticate and deliver in lieu of definitive Parity Bonds, subject to the same provisions, limitations, and conditions, one or more printed, lithographed, or typewritten Parity Bonds in temporary form, substantially of the tenor of the Parity Bonds in this Article III described, with appropriate omissions, variations, and insertions as may be required. Parity Bonds in temporary form shall be for such principal amounts as the Corporation shall determine. Until exchanged for Parity Bonds in definitive form, such Parity Bonds in temporary form shall be entitled to the same security, lien, and benefit of this Fourth Supplement and shall have the same rights, remedies, and security hereunder as definitive Parity Bonds to be issued and authenticated hereunder. The Corporation shall, without unreasonable delay, prepare, execute, and deliver definitive Parity Bonds to the Trustee, and thereupon, upon the presentation and surrender of the Parity Bond or Parity Bonds in temporary form to the Trustee at its Designated Office, the Trustee shall cancel the same and authenticate and deliver in exchange therefor a Parity Bond or Parity Bonds of the same maturity, interest rate, and series, in definitive form in an authorized denomination, and for the same aggregate principal amount as the Parity Bond or Parity Bonds in temporary form surrendered. Such exchange shall be made without making any charge therefor to any Bondholder.

Section 3.06. Mutilated, Lost, Stolen, or Destroyed Parity Bonds.

(a) In the event any Parity Bond is mutilated, lost, stolen, or destroyed, the Corporation shall execute and the Trustee shall authenticate and deliver a new Parity Bond of like date, number, series, interest rate, maturity, and denomination as that mutilated, lost, stolen, or destroyed; provided, that, in the case of any mutilated Parity Bond, such mutilated Parity Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen, or destroyed Parity Bond, there shall be first furnished to the Trustee evidence of such loss, theft, or destruction satisfactory to the Trustee, together with indemnity satisfactory to the Trustee and the Corporation. In the event any such Parity Bond shall have matured, or shall be about to mature or have been called for redemption, instead of issuing a duplicate Parity Bond the Corporation may pay the same without surrender thereof, provided that the conditions of this Section shall have been satisfied. The Corporation and the Trustee may charge the owner of such Parity Bond with their reasonable fees and expenses in connection with actions taken under this Section and may require the owner of such Parity Bond to pay any tax, fee, or other governmental charge that may be imposed in relation thereto as conditions precedent to the issuance of any replacement Parity Bond(s). The Corporation shall cooperate with the Trustee in connection with the issue of replacement Parity Bonds, but nothing in this Section shall be construed in derogation of any

rights which the Corporation or the Trustee may have to receive indemnification against liability, or payment or reimbursement of expenses, in connection with the issuance of a replacement Parity Bond.

(b) Every substituted Parity Bond issued pursuant to this Section shall constitute an original additional contractual obligation of the Corporation, whether or not the Parity Bond alleged to have been mutilated, destroyed, lost, or stolen shall be at any time enforceable by anyone, and shall be entitled to all the rights and benefits of this Fourth Supplement equally and proportionately with any and all other Parity Bonds Outstanding of the same series duly issued hereunder.

(c) All Parity Bonds shall be held and owned upon the express condition that the foregoing provisions are, to the extent permitted by law, exclusive with respect to the replacement or payment of mutilated, destroyed, lost, or stolen Parity Bonds, and shall preclude any and all other rights or remedies.

Section 3.07. Cancellation and Destruction of Surrendered Parity Bonds. When any Parity Bond shall be delivered to the Trustee for cancellation pursuant to this Fourth Supplement, upon payment of the principal amount and/or interest represented thereby, or for replacement pursuant to Section 3.06 or transfer or exchange pursuant to Section 3.08, such Parity Bond shall be promptly cancelled and cremated or otherwise destroyed by the Trustee pursuant to its retention policy then in effect, and counterparts of a certificate of destruction evidencing such destruction shall be furnished by the Trustee to the Corporation from time to time upon request.

Section 3.08. Negotiability; Registration, Transfer, and Exchange.

(a) Negotiability. The Parity Bonds shall be and shall have all the qualities and incidents of negotiable instruments under the laws of the State, and the Bondholders, in accepting any of the Parity Bonds, shall be conclusively deemed to have agreed that the Parity Bonds shall be and have all of such qualities and incidents of negotiable instruments.

(b) Registration and Transfer. The Corporation shall cause books (the “**Bond Register**”) for the registration of the Parity Bonds and for the registration of transfer of the Parity Bonds as provided in this Fourth Supplement to be kept by the Trustee, which is hereby appointed the Corporation’s bond registrar and agent for the transfer and exchange of the Parity Bonds and as such shall maintain the books of the Corporation for the registration of the name and address of the owner of each Parity Bond as provided in this Fourth Supplement. The Trustee, for and on behalf of the Corporation, shall keep the Bond Register, in which shall be recorded any and all transfers of ownership of Parity Bonds. No Parity Bonds shall be registered to bearer. Any Parity Bond may be transferred upon the Bond Register upon surrender thereof by the registered Bondholder in person or by his attorney-in-fact or legal representative duly authorized in writing together with a written instrument of transfer in form and with guarantee of signature satisfactory to the Trustee duly executed by the registered Bondholder or his attorney-in-fact or legal representative duly authorized in writing and upon payment by such registered Bondholder of a sum sufficient to cover any governmental tax, fee, or charge required to be paid as provided in this Fourth Supplement. Upon any such registration of transfer, the Corporation shall cause to be executed and the Trustee shall authenticate and deliver in the name of the

transferee a new fully registered Parity Bond or Parity Bonds of authorized denominations and of the same series, maturity or maturities, and interest rate(s) and in the same aggregate principal amount(s), and the Trustee shall enter the transfer of ownership in the Bond Register. No transfer of any Parity Bond shall be effective until entered on the Bond Register. The transferor shall also provide or cause to be provided to the Trustee all information necessary to allow the Trustee to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Internal Revenue Code Section 6045. The Trustee may rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

(c) Exchange. Any Parity Bonds, upon surrender thereof at the Designated Office of the Trustee with a written instrument of transfer in form and with guarantee of signature satisfactory to the Trustee, duly executed by the registered owner or his attorney-in-fact or legal representative duly authorized in writing, may be exchanged, at the option of the registered owner thereof, and upon payment by such registered owner of a sum sufficient to cover any governmental tax, fee, or charge required to be paid as provided in this Fourth Supplement, when not prohibited by law, for an equal aggregate principal amount of Parity Bonds of the same series, interest rate, and maturity or maturities and of any authorized denomination and registered in the name of the same registered owner. The Corporation shall cause to be executed, and the Trustee to which Parity Bonds are presented for exchange shall authenticate and deliver Parity Bonds which the Bondholder making the exchange is entitled to receive, bearing numbers not then Outstanding, and the Trustee, as bond registrar, shall enter the exchange in the Bond Register.

(d) Costs. Except as provided herein with respect to exchanges for certain temporary Parity Bonds, the cost of printing, lithographing, and engraving of all Parity Bonds shall be deemed to be an ordinary expense of the Trustee, and there shall be no charge to any Bondholder for the registration, exchange, or transfer of Parity Bonds from one Bondholder to another (the charges therefor to be paid by the City as part of the Trustee's fees and expenses), although in each case the Trustee may require the payment by the Bondholder requesting exchange or transfer of any tax, fee, or other governmental charge required to be paid with respect thereto and may require that such amount be paid before any such new Parity Bond shall be delivered.

(e) Payments to Owner. The Corporation and the Trustee may deem and treat the registered Bondholder of any Parity Bond as the absolute owner of such Parity Bond for the purpose of receiving any payment on such Parity Bond and for all other purposes of this Fourth Supplement, whether such Parity Bond shall be overdue or not, and neither the Corporation nor the Trustee shall be affected by any notice to the contrary. Payment of, or on account of, the principal of and interest and redemption premium, if any, on any Parity Bond shall be made to or upon the written order of such registered Bondholder or his attorney-in-fact or legal representative duly authorized in writing. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Parity Bond to the extent of the sum or sums so paid.

(f) Other Matters. The execution and attestation by the Chair or Vice Chair and Secretary or Assistant Secretary of the Corporation of any Parity Bond of any authorized denomination shall constitute full and due authorization of such denomination, and the Trustee

shall thereby be authorized to authenticate and deliver such Parity Bond. New Parity Bonds delivered upon any transfer or exchange shall be valid limited obligations of the Corporation, evidencing the same obligation as the Parity Bonds surrendered, shall be secured by this Fourth Supplement, and shall be entitled to all of the security and benefits hereof to the same extent as the Parity Bonds surrendered. The Trustee shall not be required to transfer or exchange any Parity Bond (i) after the notice calling such Parity Bond for redemption has been given as herein provided or (ii) during a period beginning at the opening of business on the 15th day (whether or not a Business Day) next preceding either any Bond Payment Date or any date of selection of Parity Bonds to be redeemed and ending at the close of business on the Bond Payment Date or day on which the applicable redemption is made.

Section 3.09. Additional Bonds.

(a) Right to Issue Additional Bonds. The Corporation shall have the right and power at any time and from time to time, and in one or more series or issues, to authorize, issue, and deliver, at the request of the City, additional parity lease revenue bonds or other obligations (herein called “**Additional Bonds**”), in accordance with law, in any amounts, for the purpose of (i) completing the Project, if necessary, and/or (ii) refunding any Parity Bonds then Outstanding. Such Additional Bonds, if and when authorized, issued, and delivered in accordance with the provisions hereof, shall be secured by and made payable equally and ratably on a parity with the Outstanding Parity Bonds from the Trust Estate (including but not limited to the Lease Payments made by the City, as Sublessee, pursuant to the Sublease, as modified pursuant to clause (b)(ii) below). The Payment Account established pursuant to the Original Trust Agreement shall secure and be used to pay all Additional Bonds as well as the Outstanding Parity Bonds, all on a parity lien basis. No bonds or other obligations shall be issued which may have a lien on the Trust Estate prior and superior to that securing the Parity Bonds.

(b) Conditions Precedent to Issuance of Additional Bonds. No series or issue of Additional Bonds shall be issued or delivered unless the following conditions have all been met:

(i) the laws of this State effective at the time of the authorization of such Additional Bonds shall permit their issuance, and, if required by law, the Attorney General of Texas shall have approved the issuance of such Additional Bonds;

(ii) to the extent necessary, the Financing Documents shall have been appropriately amended or supplemented to provide for the issuance of such Additional Bonds, including but not limited to amending the Lease Agreement to provide for the payment by the City of Lease Payments under the Sublease to include payment of debt service related to such issue of Additional Bonds, subject to annual Appropriation (as defined in the Lease Agreement) by the City Council of the City;

(iii) the principal of such Additional Bonds shall be scheduled to be paid or mature only on August 15 of the years in which such principal is scheduled to be paid or mature, and all interest thereon shall be payable only on February 15 and August 15;

(iv) the Chair of the Board of Directors of the Corporation and the Executive Director of the Corporation shall execute a written certificate to the effect that the Trust

Agreement and the Lease Agreement are in full force and effect, and no Event of Default exists in connection therewith;

(v) the Mayor, City Manager and the Chief Financial Officer of the City shall execute a written certificate to the effect that the Lease Agreement is in full force and effect, no Event of Default exists in connection therewith, and, to the extent applicable, the City has complied with the covenant contained in Section 6.02(g) of the Lease Agreement; and

(vi) if there are any Tax-Exempt Parity Bonds Outstanding at the time of the proposed issuance of Additional Bonds, the Corporation must obtain an opinion of Bond Counsel to the effect that the issuance of the Additional Bonds will not have an adverse effect on the tax exempt status of the Outstanding Tax-Exempt Parity Bonds.

Section 3.10. No Additional Unrelated Obligations. As long as any Parity Bonds are Outstanding, the Corporation shall not have the right to issue any bonds, notes, or other obligations with respect to the Project, nor pledge any portion of the revenues derived from the Project or Lease Agreement, for any purpose or in any manner other than as permitted under Section 3.09 hereof.

The Trustee shall insert the date of registration and authentication of each Series 2023 Bond in the place provided for such purpose in the form of certificate of authentication of the Trustee to be printed on each Series 2023 Bond. If interest on the Series 2023 Bonds shall be in default, the certificate of authentication on the Series 2023 Bonds issued in exchange for Series 2023 Bonds surrendered for transfer or exchange shall be dated as of the date to which interest has been paid in full on the Series 2023 Bonds surrendered.

(d) Payment of Principal and Interest of Series 2023 Bonds. Section 4.04. Approval and Authentication of Series 2023 Bonds. The Chair of the Board of Directors is hereby authorized to have control of the Series 2023 Bonds and all necessary records and proceedings pertaining to the Series 2023 Bonds pending their investigation, examination, and approval by the Attorney General of the State; their registration by the Comptroller of Public Accounts of the State (the “**Comptroller**”); and their delivery to the Underwriters. A single Series 2023 Bond in the form of Exhibit B hereof shall be submitted to the Attorney General of Texas for such purpose. The Initial Series 2023 Bond is referred to herein as the “**Initial Series 2023 Bond**.” Upon registration of the Initial Series 2023 Bond, the Comptroller (or a deputy designated in writing to act for such Comptroller) shall manually sign the Comptroller’s Registration Certificate on the Initial Series 2023 Bond. The Initial Series

2023 Bond thus registered shall remain in the custody of the Chair of the Board of Directors (or his designee) until delivered to the Underwriters. The Initial Series 2023 Bond shall be registered in the name of **Jefferies LLC**. Except for the Initial Series 2023 Bond, only such Series 2023 Bonds as shall have endorsed thereon a certificate of authentication substantially in the form set forth in Exhibit B and duly authenticated by the Trustee shall be entitled to any right, security, or benefit under this Fourth Supplement. Except for the Initial Series 2023 Bond, no Series 2023 Bond shall be valid or obligatory for any purpose unless and until such certificate of authentication shall have been duly executed by the Trustee, and such executed certificate upon any such Series 2023 Bond shall be conclusive evidence that such Series 2023 Bond has been authenticated and delivered under this Fourth Supplement and that the owner thereof is entitled to the benefits of the trust hereby created. The Trustee's certificate of authentication on any Series 2023 Bond shall be deemed to have been duly executed by it if (a) signed by an authorized officer or signatory of the Trustee, but it shall not be necessary that the same officer or signatory sign the certificate of authentication on all of the Series 2023 Bonds, and (b) the date of registration and authentication of the Series 2023 Bond is inserted in the place provided therefor on the certificate of authentication.

Section 4.05. Delivery of Series 2023 Bonds. Upon the execution and delivery of this Fourth Supplement, the Corporation shall execute and deliver to the Trustee and the Trustee shall register and authenticate the Series 2023 Bonds and deliver them to the persons designated by the Underwriters.

Prior to the registration and authentication by the Trustee of any of the Series 2023 Bonds, there shall be filed with the Trustee:

- (a) a certified copy of the Series 2023 Bond Resolution;
- (b) a certified copy of the ordinance of the City Council of the City approving the issuance of the Series 2023 Bonds and the execution and delivery of the Fourth Lease Amendment;
- (c) original executed counterparts of the Fourth Supplement and the Fourth Lease Amendment;
- (d) a letter of instructions (which may be in the form of a closing memo) to the Trustee, signed by the Executive Director or the Treasurer of the Corporation, directing the Trustee to authenticate and deliver the Series 2023 Bonds to the Underwriters upon payment to the Trustee for the account of the Corporation of the sum therein specified (including accrued interest, if any), and to deposit the proceeds thereof as provided in this Fourth Supplement;
- (e) a certification by the officer or official of the Corporation charged with the responsibility for issuing the Series 2023 Bonds of the reasonable expectations of the Corporation on the date of the issuance of the Series 2023 Bonds regarding the amount and use of the proceeds of the Series 2023 Bonds evidencing the basis for the tax exemption on the interest on the Series 2023 Bonds;
- (f) approving opinion of the Attorney General of the State and registration certificates of the Comptroller of Public Accounts of the State;

(g) opinions dated as of the date of the closing of Bond Counsel in form and substance reasonably satisfactory to the Trustee; and

(h) such other documents, certificates and instruments in connection with the transaction contemplated by this Fourth Supplement as the Trustee or Bond Counsel may reasonably request.

Section 4.06. Book-Entry-Only System.

(a) *Series 2023 Bonds Delivered to DTC.* Series 2023 Bonds issued in exchange for the respective Initial Series 2023 Bond initially issued to the Underwriters shall be initially issued in the form of a separate single fully registered Series 2023 Bond, as applicable, for each of the respective maturities thereof. Upon initial issuance, the ownership of each such Series 2023 Bond shall be registered in the name of Cede & Co., as nominee of The Depository Trust Company (“**DTC**”), and except as provided in subsection (b) hereof, all of the Outstanding Series 2023 Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

With respect to Series 2023 Bonds registered in the name of Cede & Co., as nominee of DTC, the Corporation and the Trustee shall have no responsibility or obligation to any securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations on whose behalf DTC was created (“**DTC Participant**”) to hold securities to facilitate the clearance and settlement of securities transaction among DTC Participants or to any person on behalf of whom such a DTC Participant holds an interest in the Series 2023 Bonds. Without limiting the immediately preceding sentence, the Corporation and the Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Series 2023 Bonds, (ii) the delivery to any DTC Participant or any other person, other than a registered owner of the Series 2023 Bonds, as shown on the Bond Register, of any notice with respect to the Series 2023 Bonds, or (iii) the payment to any DTC Participant or any other person, other than a registered owner of Series 2023 Bonds, as shown in the Bond Register of any amount with respect to principal of or interest on the Series 2023 Bonds. Notwithstanding any other provision of this Fourth Supplement to the contrary, the Corporation and the Trustee shall be entitled to treat and consider the person in whose name each Series 2023 Bond is registered in the Bond Register as the absolute owner of such Series 2023 Bond for the purpose of payment of principal and interest with respect to such Series 2023 Bond, for the purpose of registering transfers with respect to such Series 2023 Bond, and for all other purposes whatsoever. The Trustee shall pay all principal of and interest on the Series 2023 Bonds only to or upon the order of the registered owners, as shown in the Bond Register as provided in this Fourth Supplement, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the Corporation’s obligations with respect to payment of principal of and interest on the Series 2023 Bonds to the extent of the sum or sums so paid. No person other than a registered owner, as shown in the Bond Register, shall receive a Series 2023 Bond certificate evidencing the obligation of the Corporation to make payments of principal and interest pursuant to this Fourth Supplement. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Fourth Supplement with respect to interest checks being mailed to the

registered owner at the close of business on the Record Date, the words “Cede & Co.” in this Fourth Supplement shall refer to such new nominee of DTC.

(b) Successor Securities Depository; Transfers Outside Book-Entry Only Systems. In the event that the Corporation determines that DTC is incapable of discharging its responsibilities described herein and in the representation letter of the Corporation to DTC or that it is in the best interest of the beneficial owners of the Series 2023 Bonds that they be able to obtain certificated Series 2023 Bonds, the Corporation shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Series 2023 Bonds to such successor securities depository or (ii) notify DTC and DTC Participants of the availability through DTC of Series 2023 Bonds and transfer one or more separate Series 2023 Bonds to DTC Participants having Series 2023 Bonds credited to their DTC accounts. In such event, the Series 2023 Bonds shall no longer be restricted to being registered in the Bond Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names registered owners transferring or exchanging Series 2023 Bonds shall designate, in accordance with the provisions of this Fourth Supplement. In connection with any proposed transfer outside the book-entry-only system, the Corporation or DTC shall provide or cause to be provided to the Trustee all information necessary to allow the Trustee to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Internal Revenue Code Section 6045. The Trustee may rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

(c) Payments to Cede & Co. Notwithstanding any other provision of this Fourth Supplement to the contrary, so long as any Series 2023 Bond is registered in the name of Cede & Co., as nominee for DTC, all payments with respect to principal of and interest on such Series 2023 Bond and all notices with respect to such Series 2023 Bond shall be made and given, respectively, in the manner provided in the representation letter of the Corporation to DTC.

(d) DTC Letter of Representations. The officers of the Corporation are herein authorized for and on behalf of the Corporation and as officers of the Corporation to enter into one or more Letters of Representations with DTC establishing the book-entry only system with respect to the Series 2023 Bonds.

Section 4.07. Covenants Regarding Tax-Exempt Status of the Series 2023 Bonds.

(a) Definitions. When used in this Section, the following terms have the following meanings:

(i) “Closing Date” means the date on which the Series 2023 Bonds are first authenticated and delivered to the initial purchaser against payment therefor.

(ii) “Code” means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

(iii) “Computation Date” has the meaning set forth in Section 1.148-1(b) of the Regulations.

(iv) “Gross Proceeds” means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Series 2023 Bonds.

(v) “Investment” has the meaning set forth in Section 1.148-1(b) of the Regulations.

(vi) “Nonpurpose Investment” means any investment property, as defined in Section 148(b) of the Code, in which Gross Proceeds of the Series 2023 Bonds are invested and which is not acquired to carry out the governmental purposes of the Series 2023 Bonds.

(vii) “Rebate Amount” has the meaning set forth in Section 1.148-1(b) of the Regulations.

(viii) “Regulations” means any proposed, temporary, or final Income Tax Regulations issued pursuant to Sections 103 and 141 through 150 of the Code of the Code, which are applicable to the Series 2023 Bonds. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

(ix) “Yield” of (1) any Investment has the meaning set forth in Section 1.148-5 of the Regulations and (2) the Series 2023 Bonds has the meaning set forth in Section 1.148-4 of the Regulations.

(b) Covenants of the Corporation and the City.

(i) Not to Cause Interest to Become Taxable. Neither the City nor the Corporation shall use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Series 2023 Bond to become includable in the gross income, as defined in Section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the Corporation and the City receive a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Series 2023 Bond, the Corporation and the City shall comply with each of the specific covenants in this Section.

(ii) Limited Private Use and Private Payments. The Series 2023 Bonds are being issued to restructure the debt service on the outstanding Parity Bonds by refunding certain outstanding Series 2013A Bonds indebtedness and, in connection therewith, the City and the Corporation while the Series 2023 Bonds are outstanding and unpaid, covenant and agree that, except as permitted by Section 141 of the Code and the

Regulations and rulings thereunder, the Project shall, at all times prior to the last stated maturity of the Series 2023 Bonds be exclusively owned, operated and maintained by the City and/or the Corporation, and neither the City nor the Corporation will use or permit the use of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity other than a state or local government, unless such use is solely as a member of the general public. Furthermore, except as permitted by Section 141 of the Code and the Regulations and rulings thereunder, neither the City nor the Corporation will impose or accept any charge or other payment for use of Gross Proceeds of the Series 2023 Bonds or for any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds, other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(iii) No Private Loan. Except to the extent permitted by Section 141 of the Code and the Regulations and rulings thereunder, neither the City nor the Corporation shall use Gross Proceeds of the Series 2023 Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be “loaned” to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(iv) Not to Invest at Higher Yield. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, neither the City nor the Corporation shall at any time prior to the final stated maturity of the Series 2023 Bonds directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested), if as a result of such investment the Yield from the Closing Date of all Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of the Series 2023 Bonds.

(v) Not Federally Guaranteed. Except to the extent permitted by Section 149(b) of the Code and the Regulations and rulings thereunder, neither the City nor the Corporation shall take or omit to take any action which would cause the Series 2023 Bonds to be federally guaranteed within the meaning of Section 149(b) of the Code and the Regulations and rulings thereunder.

(vi) Information Report. The Corporation shall timely file the information required by Section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary of the Treasury may prescribe.

(vii) Rebate of Arbitrage Profits. Except to the extent otherwise provided in Section 148(f) of the Code and the Regulations and rulings thereunder:

(1) The Corporation and the City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last outstanding Series 2023 Bond is discharged. However, to the extent permitted by law, the Corporation and/or the City may commingle Gross Proceeds of the Series 2023 Bonds with other money of the Corporation and/or the City, provided that the Corporation and the City separately account for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(2) Not less frequently than each Computation Date, the Corporation and the City shall calculate the Rebate Amount in accordance with rules set forth in Section 148(f) of the Code and the Regulations and rulings thereunder. The Corporation and the City shall maintain such calculations with the official transcript of proceedings relating to the issuance of the Series 2023 Bonds until six years after the final Computation Date.

(3) As additional consideration for the purchase of the Series 2023 Bonds by the Underwriters and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the Corporation and the City shall pay to the United States out of the Rebate Account or their respective general funds, as permitted by applicable Texas statute, regulation or opinion of the Attorney General of the State, the amount that when added to the future value of previous rebate payments made for the Series 2023 Bonds equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(4) The Corporation and the City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (2) and (3), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(viii) Not to Divert Arbitrage Profits. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, neither the City nor the Corporation shall, at any time prior to the earlier of the stated maturity or final payment of the Series 2023 Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (vii) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Series 2023 Bonds not been relevant to either party.

(ix) Elections. The Corporation hereby directs and authorizes the Chair, Vice Chair, Treasurer and Secretary of the Board and Executive Director of the Corporation, individually or jointly, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Series 2023 Bonds, in the Certificate as to Tax Exemption or similar or other appropriate certificate, form or document. The City hereby directs and authorizes the Mayor, the City Manager and the Chief Financial Officer of the City, individually or jointly, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Series 2023 Bonds, in the Certificate as to Tax Exemption or similar or other appropriate certificate, form or document.

(c) Current Refunding. The Series 2023 Bonds are a current refunding of the Refunded Bonds in that the Refunded Bonds will be paid or redeemed within 90 days of the date of the delivery of the Series 2023 Bonds.

[End of Article IV]

ARTICLE V REDEMPTION OF PARITY BONDS

Section 5.01. Terms of Redemption.

(a) *Optional Redemption of Series 2023 Bonds.* The Series 2023 Bonds maturing on and after August 15, 20[___], shall be subject to redemption, in whole or in part, in Authorized Denominations, at the request and option of the Corporation, on August 15, 20[___], and on any date thereafter, at the redemption price equal to par plus accrued interest to the redemption date.

(b) *Extraordinary Optional Redemption In Whole of Parity Bonds Upon Exercise of Prepayment Option Due to Casualty Loss or Condemnation.* In the event of the exercise by the City of its option to prepay Lease Payments upon a casualty loss or condemnation of the Project and the payment by the City to the Trustee of the Prepayment Option Price, all in accordance with Section 4.13 of the Lease Agreement, the Parity Bonds shall be subject to extraordinary optional redemption prior to their respective stated maturities, in whole but not in part, on the next succeeding Bond Payment Date for which notice can be given in accordance with Section 5.02 of this Fourth Supplement, at a redemption price equal to 100% of the Outstanding principal amount of the Parity Bonds being redeemed plus accrued interest to the date of redemption.

Section 5.02. Notice of Redemption.

(a) If any of the Parity Bonds are called for redemption, the Trustee shall give written notice by first class (postage prepaid) mail not less than 30 days prior to the date fixed for redemption, in the name of the Corporation, of the redemption of such Parity Bonds to the registered owner of each Parity Bond to be redeemed in whole or in part at the address shown on the Bond Register at the close of business on a day not later than the fifth day preceding the date of mailing, which notice shall set forth the following: (i) the maturities of the Parity Bonds to be redeemed; (ii) the CUSIP number, if any, of the Parity Bonds to be redeemed; (iii) the place or places where amounts due upon such redemption will be payable; (iv) if less than all of the Parity Bonds of any maturity are to be redeemed, the letters and numbers or other distinguishing marks, if any, of such Parity Bonds so to be redeemed; (v) in the case of a Parity Bond to be redeemed in part only, the portion of the principal amount to be redeemed; and (vi) that on the redemption date there shall become due and payable upon each Parity Bond to be redeemed the amount of the principal thereon (or of the specified portion of the principal in the case of a Parity Bond to be redeemed in part only), together with interest accrued to the redemption date, and that from and after the redemption date interest thereon shall cease to accrue and be payable. The notice with respect to an optional redemption of Parity Bonds may state (i) that it is conditioned upon the deposit of money, in an amount equal to the amount necessary to effect the redemption, with the Trustee no later than the redemption date, or (ii) that the Corporation retains the right to rescind such notice at any time prior to the scheduled redemption date if the Corporation delivers a certificate of an authorized representative to the Trustee instructing the Trustee to rescind the redemption notice, and such notice and optional redemption shall be of no effect if such money is not so deposited or if the notice is so rescinded. Any notice mailed as provided in this Section shall be conclusively presumed to have been duly given, whether or not the owner of such Parity Bonds actually receives the notice.

(b) Failure to give such notice by mail to any Bondholder, or any defect therein, shall not affect the validity of any proceedings for the redemption of other Parity Bonds.

Section 5.03. Partial Redemption.

(a) If less than all of the Parity Bonds of a maturity are called for redemption, the particular Parity Bonds or portions thereof to be redeemed shall be in an Authorized Denomination and, to the extent such bonds are Tax-Exempt Parity Bonds, shall be selected by the Trustee randomly within such maturity. To the extent that the Parity Bonds called for a partial redemption are Taxable Parity Bonds, the Trustee shall select the Taxable Parity Bonds to be redeemed on the basis of a pro rata pass-through distribution of principal in accordance with DTC procedures and provided that, so long as the Taxable Parity Bonds are registered in book-entry-only form and DTC (or a successor securities depository) is the sole registered owner of the Taxable Parity Bonds, the selection of such bonds for redemption shall be made in accordance with the operational arrangements of DTC then in effect. If the DTC operational arrangements do not allow for redemption on the basis of a pro rata pass-through distribution of principal, the Taxable Parity Bonds will be selected for redemption, in accordance with DTC procedures. If the Taxable Parity Bonds are no longer registered in book-entry only form, any redemption of less than all of a maturity of the Taxable Parity Bonds shall be allocated among the registered owners of such bonds on a pro-rata basis as near as possible, taking into account Authorized Denominations.

(b) In selecting Parity Bonds for redemption, the Trustee shall select Parity Bonds to be redeemed in such a manner that all remaining Bondholders own only Authorized Denominations of the Parity Bonds after such redemption. Upon surrender of any Parity Bond for redemption in part, the Corporation shall execute and the Trustee shall authenticate and deliver to the owner thereof a new Parity Bond or Parity Bonds of the same series, interest rate, and maturity and of Authorized Denominations in an aggregate principal amount equal to the unredeemed portion of the Parity Bond so surrendered.

Section 5.04. Payment Upon Redemption. On or prior to each redemption date, the Trustee shall make provision from funds available hereunder for the payment of the Parity Bonds to be redeemed on such date by setting aside and holding in trust, (a) an amount from the Redemption Account sufficient to pay the principal of such Parity Bonds, and (b) an amount from the Redemption Account sufficient to pay the premium, if any, and interest on such Parity Bonds. Upon presentation and surrender of any such Parity Bond at the Designated Office of the Trustee on or after the date fixed for redemption, the Trustee shall pay the principal of and premium, if any, on such Parity Bond from the money set aside for such purpose. Interest on any Parity Bond called for redemption maturing prior to or on the date fixed for redemption shall be payable only to the registered owner of such Parity Bond.

Section 5.05. Effect of Redemption. Notice of redemption having been given as provided in Section 5.02 hereof, the Parity Bonds or portions thereof designated for redemption shall become and be due and payable on the date fixed for redemption at the redemption price provided for herein, provided funds for their redemption are on deposit at the place of payment at that time, and, unless the Corporation defaults in the payment of the principal thereof, such Parity Bonds or portions thereof shall cease to bear interest from and after the date fixed for

redemption, and shall no longer be protected by the Trust Agreement and shall not be deemed to be Outstanding under the provisions of this Fourth Supplement, whether or not such Parity Bonds are presented and surrendered for payment on such date. If any Parity Bond or portion thereof called for redemption is not so paid upon presentation and surrender thereof for redemption, such Parity Bond or portion thereof shall continue to bear interest at the rate set forth therein until paid or until due provision is made for the payment of the same.

Section 5.06. Cancellation. All Parity Bonds which have been redeemed, paid, or retired, or received by the Trustee for exchange, shall not be reissued but shall be cancelled and destroyed by the Trustee as provided in Section 3.07.

On the date of delivery of the Series 2023 Bonds to the initial purchasers thereof (the “**Series 2023 Closing Date**”), the Trustee agrees to accept and deposit the proceeds from the sale of such Parity Bonds pursuant to Sections 6.02 and 6.03 below, which proceeds, together with the City’s contribution, if any, shall thereafter be subject to and be administered pursuant to the terms of this Article.

Section 6.02. Establishment and Application of Series 2023 Proceeds Account.

(a) *Establishment of Series 2023 Proceeds Account.* Within the Trust Fund, there is hereby established a special account to be designated as *City of El Paso Downtown Development Corporation Series 2023 Proceeds Account*, referred to herein as the “**Series 2023 Proceeds Account**.” The Trustee shall administer the Series 2023 Proceeds Account as provided in this Article and shall deposit funds into the Series 2023 Proceeds Account as follows:

(ii) On the respective closing date of each series of Additional Bonds, the Trustee shall deposit the amounts set forth, and to the accounts designated, in an amendment or supplement to the Trust Agreement entered into in connection with such series of Additional Bonds.

(b) *Disbursements for Issuance Costs.* Disbursements to pay Issuance Costs for the Series 2023 Bonds (or to reimburse the City for the payment of such Issuance Costs made with available City funds) shall be made by the Trustee from the Series 2023 Proceeds Account upon receipt of a letter of instructions from the Corporation instructing the Trustee to disburse Issuance Costs, approved and executed by the Corporation’s Treasurer or the Corporation’s Executive Director. The initial disbursement of Issuance Costs shall be made on the Series 2023 Closing Date and the initial letter of instructions may be in the form of a closing memo.

(c) *Disbursements for Refunding Purposes.* On the Series 2023 Closing Date, the Trustee shall withdraw \$/_____/ from the Series 2023 Proceeds Account and transfer such amount to the Escrow Agent, which the Corporation agrees shall be sufficient to cause the Refunded Bonds to be no longer “Outstanding,” as defined in the Trust Agreement.

(d) *Trustee May Rely on Letter of Instructions.* Upon receipt of a fully executed and approved letter of instructions delivered in accordance with this Fourth Supplement and any required attachments, the Trustee shall have no liability on account of any disbursement from the Series 2023 Proceeds Account in accordance with such letters of instruction provided that it has complied with the procedure required in paragraphs (b) and (c) above.

(e) Transfer to Redemption Account Upon Redemption of All Parity Bonds. Upon a redemption of all Outstanding Parity Bonds pursuant to Section 5.01 hereof, all funds then on deposit in the Series 2023 Proceeds Account shall be transferred to the Redemption Account in accordance with the terms of Section 6.06 hereof, and the Series 2023 Proceeds Account shall be closed.

Section 6.03. Confirmation of Payment Account.

(a) Payment Account. Within the Trust Fund, there has been previously established a special account designated as the “City of El Paso Downtown Development Corporation Downtown Ballpark Venue Financing Payment Account” (the “**Payment Account**”). The Payment Account is being maintained by the Trustee until either the Lease Payments and all other amounts payable under the Lease Agreement (other than Operating Expenses) are paid in full, or the Prepayment Option Price and all other amounts payable under the Lease Agreement (other than Operating Expenses) are paid in full, pursuant to the terms of the Lease Agreement. On the closing date with respect to each series of Parity Bonds, the Trustee shall deposit to the Payment Account proceeds of such series of Parity Bonds representing accrued and/or capitalized interest, if any.

(b) Team Payment Account. In accordance with Section 6.11 of the Original Trust Agreement, the Trustee established the “Team Payment Account” as a subaccount of the Payment Account.

(c) Lease Payments Deposited to Payment Account. Subject to Sections 6.11 of the Original Trust Agreement with respect to Team Payments and Section 7.12 hereof, the Trustee shall deposit to the Payment Account, promptly after the receipt thereof, all Lease Payments, and, all other funds of the Corporation derived pursuant to the Sublease of the Project, payment of the Prepayment Option Price, and such other amounts as may be paid to the Trustee as assignee of the Corporation pursuant to the Financing Documents (except money paid by the City pursuant to the Lease Agreement for Operating Expenses or for deposit to the Rebate Account). Upon closing of the Series 2023 Proceeds Account, any remaining funds on deposit therein shall be deposited, as soon as practicable, by the Trustee in the Payment Account, and used to pay debt service on the Series 2023 Bonds.

(d) Withdrawals by Trustee on Bond Payment Dates. Subject to Section 6.11 hereof and to the extent of funds contained in the Payment Account, the Trustee shall withdraw from such account, on each Bond Payment Date, an amount equal to the amount of interest and principal payments due with respect to the Parity Bonds on such Bond Payment Date and shall cause the same to be applied to the payment of interest and principal payments due on such Bond Payment Date; provided however, that the Team Payment Account and all payments received pursuant to the Team Lease may only be used to pay debt service on the Series 2013B Bonds, the Series 2021 Bonds, and any other Outstanding Taxable Parity Bonds.

(e) Transfers to Redemption Account. Upon a redemption of all Parity Bonds pursuant to Section 5.01 of this Fourth Supplement or Section 6.05(d) of the Original Trust Agreement, all funds in the Payment Account shall be transferred to the Redemption Account. In the event of a partial redemption of the Parity Bonds, one Business Day prior to the date fixed

(f) *Deposit of Excess Proceeds.* The Trustee shall transfer into the Payment Account any proceeds of a series of Additional Bonds (including investment earnings) that remain on deposit in the related Series Subaccount upon completion of the purpose for which such Additional Bonds were issued. Such proceeds shall be invested at a yield not exceeding the yield on the related series of Parity Bonds (if such Parity Bonds were issued as Tax-Exempt Parity Bonds), and shall be used to pay principal (but not interest) on the related series of Parity Bonds as such principal becomes due. Notwithstanding the foregoing, in the event the Corporation provides the Trustee with an opinion of Bond Counsel to the effect that such remaining proceeds may be used in another manner as described or approved by Bond Counsel without adversely affecting, for federal income tax purposes, the exclusion of interest on such Parity Bonds that are Tax-Exempt Parity Bonds, such proceeds may be used in accordance with the directions provided in such opinion of Bond Counsel.

(g) *Article VI Controls Withdrawals and Payments from Payment Account.* No amounts shall be withdrawn or transferred from or paid out of the Payment Account except as provided in this Article VI and Article VI of the Original Trust Agreement, as supplemented by the First Supplement, Second Supplement and Third Supplement.

Section 6.04. No Reserve Account. No debt service reserve fund or account shall be established in connection with the issuance and delivery of the Series 2023 Bonds.

Section 6.05. Insurance and Condemnation Account. In accordance with the Section 6.05 of the Original Trust Agreement, there has been established, within the Trust Fund, an account designated as the City of El Paso Downtown Development Corporation Downtown Ballpark Venue Financing Insurance and Condemnation Account (the “***Insurance and Condemnation Account***”). The Original Trust Agreement governs the terms of such account, including the use of funds therein.

Section 6.06. Establishment and Application of Redemption Account. Within the Trust Fund, there has been an account designated the *City of El Paso Downtown Development Corporation Downtown Ballpark Venue Financing Redemption Account* (the “***Redemption Account***”). Money to be used for redemption of Parity Bonds shall be transferred to the Redemption Account at the times and in the amounts required by Section 6.03(e) of this Fourth Supplement and Sections 6.05(d) and 6.05(e) of the Original Trust Agreement. Such money, together with other legally available funds contributed by the City or the Corporation for deposit in the Redemption Account, if any, shall be set aside in the Redemption Account solely for the purpose of redeeming Parity Bonds in advance of their maturity and shall be applied on or after (if such Parity Bonds are submitted for payment after the date fixed for redemption) the date fixed for redemption to the payment of the principal of and interest on the Parity Bonds to be redeemed upon delivery of such Parity Bonds being redeemed to the Trustee. If there is not sufficient money available to pay in full all Trustee’s fees and expenses and interest and principal then due on the Parity Bonds to be redeemed, the Trustee shall apply the money on deposit in the Redemption Account first, to the payment of its reasonable fees and expenses, and

second, to the payment of all interest due with respect to such Parity Bonds, pro rata in proportion to the respective aggregate amount of the total amount of interest due, if necessary, and third, to the payment of the principal of such Parity Bonds, pro rata in proportion to the respective amount of the total amount of principal due, if necessary. Any money remaining in the Redemption Account following redemption of, and payment of all principal and interest due with respect to all Parity Bonds, shall be transferred to the City after the payment of the fees and expenses of the Trustee as provided in Section 8.06.

Section 6.07. Establishment and Application of Operating Fund. In the event the Sublease is ever terminated in accordance with Section 10.03 of the Lease Agreement, the Original Trust Agreement provides for the establishment of a special trust fund to be designated the *City of El Paso, Texas Downtown Ballpark Venue Financing Operating Fund*, referred to herein as the “**Operating Fund**.” The Original Trust Agreement governs the terms of such fund, including the use of funds therein.

Section 6.08. Deposit and Investment of Money.

(a) Investments. No money in the Trust Fund shall be invested in any Permitted Investment which matures or becomes due and payable after the Business Day next preceding the date upon which such money will be required by the Trustee for the uses and purposes specified in this Fourth Supplement. Proceeds of the Tax-Exempt Parity Bonds are not to be directed by the Corporation for investment in any Permitted Investments except for a temporary period pending use; such proceeds are not to be used by the Corporation or the City directly or indirectly so as to cause any part of the Tax-Exempt Parity Bonds to be or become “arbitrage bonds” within the meaning of the Code. Any money held in the Redemption Account for more than 30 days will be invested at a yield not materially higher than the yield on the Parity Bonds. The Trustee shall not be liable for the Parity Bonds becoming “arbitrage bonds” as a result of investments it makes pursuant to instructions as required herein. The Corporation acknowledges that to the extent regulations of the Comptroller of the Currency or any other regulatory entity grant the Corporation the right to receive brokerage confirmations of the security transactions as they occur, the Corporation specifically waives receipt of such confirmations to the extent permitted by law. The Trustee will furnish the Corporation with monthly cash transaction statements, which include the detail for all investment transactions made by the Trustee hereunder. The Corporation may receive brokerage confirmations at no additional cost upon its written request. The Trustee shall be deemed to have complied with the provisions hereof if it materially follows the written instructions of the Corporation.

(b) Retainage or Disbursement of Earnings. All interest or income received by the Trustee on the investment of money held in the Series 2023 Proceeds Account, the Payment Account, the Insurance and Condemnation Account, the Redemption Account, and the Operating Fund shall be retained in such Accounts and the Operating Fund, respectively. All interest or income received by the Trustee on the investment of money held in the Redemption Account

shall be transferred to the Payment Account on each Bond Payment Date while any Parity Bonds are Outstanding.

(c) Notice by Trustee to City. Interest or income received by the Trustee on the investment of money held in the Payment Account shall be retained in that account for the purpose of making Bond Payments. Not less than ten (10) Business Days prior to each Lease Payment Date, the Trustee shall give written notice to the City of the amount of the Lease Payment next due and the amount of such investment earnings and other funds then on deposit in the Payment Account, which amount may be applied as a credit to the City's next Lease Payment.

(d) Amounts in Payment Account Credited Against Lease Payments. Except as provided in subsection (c) hereof, amounts deposited in the Payment Account shall be applied as a credit against the Lease Payments due by the City under the Lease Agreement on the Lease Payment Date following the date of deposit.

(e) Trustee Not Liable for Investment Losses. The Trustee shall act only as agent in making or disposing of any investment. The Trustee shall not be liable for any loss resulting from the making or disposition of any investment made pursuant to the provisions of subsection (a) of this Section, and any such losses or penalties shall be charged to the account with respect to which such investment was made.

Section 6.09. Establishment and Application of the Rebate Account.

(a) Establishment of Rebate Account. Within the Trust Fund, there has been established with the Trustee a special account to be designated the City of El Paso Downtown Development Corporation Downtown Ballpark Venue Financing Rebate Account" (the "***Rebate Account***"). The Original Trust Agreement governs the terms of such account, including the use of funds therein.

(b) Rebate Account Not Part of Trust Estate. Money deposited and held in the Rebate Account shall not be subject to the pledge of this Fourth Supplement but shall be held for the benefit of the United States of America and the Corporation. Investment earnings on any money in the Rebate Account shall be retained therein.

Section 6.10. Payment of Other Costs. The Corporation, as Lessee under the Primary Lease, shall require the City, in its capacity as Lessor under the Primary Lease and as evidenced by the City's agreement contained in Section 6.02(b) of the Lease Agreement, to pay from Appropriated Funds (i) all Operating Expenses related to the Project and (ii) the ordinary fees and expenses of the Trustee in accordance with the schedule provided in Exhibit C hereto. Upon termination of the Sublease in accordance with Section 10.03 of the Lease Agreement, any funds received by the Corporation from the City to pay Operating Expenses shall be deposited by the Corporation into the Operating Fund, and utilized by the Corporation (as Lessee under the Primary Lease) to pay Operating Expenses, pursuant to Section 6.07 hereof.

Section 6.11. Team Payment Account. Within the Payment Account, there has been established a special subaccount to be designated the *City of El Paso Downtown Development Corporation Downtown Ballpark Venue Financing Team Payment Account* (the "***Team Payment***")

ARTICLE VII DEFAULT; LIMITATION OF LIABILITY

Section 7.01. Events of Default. An Event of Default is the occurrence of any one or more of the following:

(a) failure by the Corporation to make the due and punctual payment of the principal of, premium, if any, or interest on any Parity Bond when and as the same shall become due and payable, whether by acceleration or otherwise;

(b) an Event of Default as defined and described in the Lease Agreement shall have happened and is continuing;

(c) any material statement, representation, or warranty made by the Corporation in this Fourth Supplement or in any writing ever delivered by the Corporation pursuant to or in connection with the Lease Agreement is determined to be false, misleading, or erroneous in any material respect;

(d) the filing by the Corporation of a voluntary petition in bankruptcy, or failure of the Corporation promptly to lift any execution, garnishment, or attachment of such consequence as would impair the ability of the Corporation to carry on its obligations under any of the Financing Documents, or adjudication of the Corporation as a bankrupt or assignment by the Corporation for the benefit of creditors, or the entry by the Corporation into an agreement of composition with creditors, or the approval by a court of competent jurisdiction of a petition applicable to the Corporation in any proceedings instituted under the provisions of the Federal Bankruptcy Code, as amended, or under any similar federal or State laws which may hereafter be enacted;

(e) any event which shall occur or any condition which shall exist, the effect of which is to cause (i) more than \$100,000 of aggregate indebtedness of the Corporation to become due prior to its stated due date, and (ii) a lien to be placed on the Project or the Corporation's Leasehold Estate in the Project, and not released within 60 days; or

(f) a final judgment against the Corporation for an amount in excess of \$100,000 shall be outstanding for any period of 60 days or more from the date of its entry and shall not have been discharged in full or stayed pending appeal, and a lien is placed on the Project or the Corporation's Leasehold Estate in the Project.

The Corporation shall provide written notification to the Trustee at its Designated Office as soon as practicable upon the occurrence of any Event of Default identified in this Section other than paragraph (a) hereof.

Section 7.02. Remedies Upon Event of Default.

(a) Upon the occurrence of an Event of Default, the Trustee shall have the right, to the extent permitted by law, at its option (or, at the written direction of Bondholders owning a majority in aggregate principal amount of the Parity Bonds then Outstanding and upon being indemnified to its satisfaction, shall), and without any further demand or notice, to take one or

any combination of the following remedial steps provided that the right to terminate the Sublease may only occur upon the occurrence of an Event of Default described in Section 7.01(b) which is caused by the City):

(i) with or without terminating the Sublease, declare the principal of all Outstanding Parity Bonds and all unpaid accrued interest thereon to be due and payable immediately, by a notice in writing to the Corporation and the City, and upon any such declaration, such principal and all unpaid accrued interest thereon shall become immediately due and payable; provided, however, that upon the written request of the Bondholders owning not less than 51% in principal amount of the Parity Bonds Outstanding, the Trustee shall declare the principal of all Outstanding Parity Bonds and all unpaid accrued interest to be due and payable immediately;

(ii) terminate the Sublease upon giving 30 days written notice to the City and the Corporation at the expiration of which period of time the City shall immediately surrender possession and control of the Project to the Trustee and the Trustee shall have the right, thereafter, to sublease the Project to any third party for a period up to but not exceeding the remaining Term of the Primary Lease; or

(iii) exercise any rights, powers, or remedies it may have as a secured party under the Uniform Commercial Code of the State, or other similar laws in effect, and shall have the power to proceed with any available right or remedy granted by the Financing Documents under the laws of the State, as it may deem best, including any suit, action, mandamus, or special proceeding in equity or at law or in bankruptcy or otherwise for the collection of all amounts due and unpaid under the Financing Documents, for specific performance of any covenant or agreement contained herein or therein, or for the enforcement of any legal or equitable remedy as the Trustee shall deem most effective to protect the rights aforesaid, insofar as such may be authorized by law.

(b) Notwithstanding any other provision of this Fourth Supplement, the Trustee shall not exercise its option to take possession and control of the Project upon an Event of Default under this Fourth Supplement until indemnified in a manner satisfactory to it for any liability and expense it might incur in carrying out such remedy.

Section 7.03. Notice of Nonappropriation. The Corporation, in the Sublease, shall require the City, as Sublessee, to provide the Corporation, the Trustee and the Rating Agencies with written notice within 72 hours of an action which constitutes failure by the City Council of the City to appropriate funds sufficient to pay the Lease Payments due during the succeeding Fiscal Year.

Section 7.04. Delay; Notice. No delay or omission to exercise any right or power accruing upon any Event of Default or upon any Event of Nonappropriation shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Trustee to exercise any remedy reserved to it in the Lease Agreement and this Fourth Supplement it shall not be necessary for the Trustee to give any notice, other than such notice as may be required in the Lease Agreement and this Fourth Supplement.

Section 7.05. No Remedy Exclusive. No remedy herein conferred upon or reserved to the parties to this Fourth Supplement is intended to be exclusive, and every such remedy shall be cumulative and shall be in addition to every other remedy given under the Financing Documents or now or hereafter existing at law or in equity.

Section 7.06. No Additional Waiver Implied By One Waiver. Subject to the requirements of Section 7.11 hereof, the Trustee may waive any Event of Default and its consequences and rescind any declaration of maturity of principal upon written notice to the owners of the Parity Bonds of such waiver provided not less than 10 Business Days prior to the effective date of such waiver. If, prior to the effective date of the waiver set forth in such notice to the Bondholders, the Trustee receives a written direction from Bondholders owning a majority in aggregate principal amount of the Parity Bonds then Outstanding instructing the Trustee not to proceed with such waiver, the Trustee shall be prohibited from exercising such waiver until further instructed to do so by Bondholders owning a majority in aggregate principal amount of the Parity Bonds then Outstanding. If the Trustee does not timely receive the written direction described in the preceding sentence, the waiver shall automatically become effective on the date indicated in such notice to the Bondholders. No waiver of any Event of Default hereunder shall extend or shall affect any subsequent Event of Default or shall impair any rights or remedies consequent thereon or create liability on the Trustee for doing so.

Section 7.07. Notice of Event of Default. The Trustee shall give written notice of an Event of Default by registered or certified mail to the Corporation and the City, and by first-class mail, the Bondholders, as soon as practicable following the occurrence of an Event of Default (or an event which with the passage of time could become an Event of Default) of which the Trustee has actual knowledge or is deemed to have knowledge hereunder, but in no event shall such notice be given later than ten Business Days after the City's failure to make any Lease Payment when due (without regard to any grace period) or the occurrence of any other Event of Default of which the Trustee has actual knowledge or has received written notice. If such notice relates to a failure to make an obligated payment or transfer, it shall specify the amount. If such notice relates to a matter other than a failure to make an obligated payment or transfer, it shall specify the manner in which the City has failed to comply with the provisions of the Lease Agreement and demand such compliance. Notice under this Section is not a condition precedent to the exercise of any remedy under this Fourth Supplement.

Section 7.08. Initiation of Remedies. All rights of action hereunder may be enforced by the Trustee without the possession of any of the Parity Bonds or the production thereof in any trial or other proceeding relating thereto and any such suit or proceeding instituted by the Trustee may be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants the Bondholders. Any recovery of judgment shall be for the ratable benefit of the Bondholders.

Section 7.09. Rights and Remedies of Bondholders.

(a) No Bondholder shall have any right to institute any suit, action, or proceeding for the enforcement of this Fourth Supplement, the execution of any trust hereof, or any other remedy hereunder unless:

(i) either an Event of Default has occurred, the Sublease is terminated pursuant to an Event of Nonappropriation, or the Trustee has failed to make a payment to a Bondholder when due;

(ii) Bondholders owning not less than 25% of the aggregate principal amount of Parity Bonds Outstanding shall have made written request to the Trustee and shall have offered the Trustee reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit, or proceeding in its own name;

(iii) such Bondholders have furnished the Trustee indemnification in a manner satisfactory to the Trustee for any liability and expense it might incur in carrying out the aforementioned request; and

(iv) the Trustee shall thereafter (within 60 days after receipt by the Trustee of the written request) fail or refuse to exercise the powers hereinbefore granted or to institute such action, suit, or proceeding in its, his, or their own name or names.

(b) Such request and furnishing of indemnity are hereby declared in every case at the option of the Trustee to be conditions precedent to the execution of the powers and trusts of this Fourth Supplement and to the initiation of any action or cause of action for the enforcement of this Fourth Supplement; however, the Trustee may not, as condition precedent to the execution of the powers and trusts hereunder, request indemnification for liability arising out of the Trustee's negligent or willful action, misconduct, or failure to act.

(c) No one or more of the Bondholders shall have any right in any manner whatsoever to affect, disturb, or prejudice the lien of this Fourth Supplement by its, his, or their action or to enforce any right hereunder except in the manner herein provided, and proceedings shall be instituted, had, and maintained in the manner herein provided and for the ratable benefit of all Bondholders. Nothing in this Fourth Supplement shall, however, affect or impair the right of any Bondholder to enforce the payment of the principal of, premium if any, and interest on any Parity Bond at and after the maturity thereof or the obligation of the Trustee to pay the principal of and premium, if any, and interest on each of the Parity Bonds hereunder to the respective Bondholders thereof at the time and place, from the source, and in the manner provided in this Fourth Supplement.

Section 7.10. Termination of Proceedings. In the event the Trustee shall have proceeded to enforce any right under the Financing Documents and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Trustee, then the Bondholders, the Corporation, and the Trustee shall be restored to their former positions and rights under the Financing Documents, and all rights, remedies, and powers of the Trustee shall continue as if no such proceedings had been taken.

Section 7.11. Waivers of Events of Default. The Trustee shall waive any Event of Default and its consequences and rescind any acceleration of maturity of principal upon the written request of Bondholders owning at least 51% in aggregate principal amount of the Parity Bonds then Outstanding; provided, however, there shall not be waived any Event of Default in the payment of the Lease Payments unless, prior to such waiver, rescission, or the

discontinuance, abandonment, or adverse determination of any proceeding taken by the Trustee on account of any such Event of Default, all arrears of Lease Payments, and all expenses of the Trustee in connection with such Event of Default shall have been paid or provided for. In case of any such waiver or rescission or in case any proceeding taken by the Trustee on account of any such Event of Default shall have been discontinued or abandoned or determined adversely to the Trustee, then the Corporation, the City, the Trustee, and the Bondholders shall be restored to their former positions and rights hereunder and under the Lease Agreement, respectively, but no such waiver or rescission shall extend to any subsequent or other Events of Default or impair any right consequent thereon.

Section 7.12. Application of Money. Any moneys held or received by the Trustee pursuant to this Article VII shall be paid to and applied by the Trustee as follows:

(a) With respect to funds other than those held in the Team Payment Account,

(i) FIRST, to the payment of costs and expenses of suit, if any, and the reasonable compensation of the Trustee, its agents, attorneys and counsel (whether engaged directly by the Trustee or at the request of the Trustee), and Bond Counsel; and of all proper expenses, liabilities and advances incurred or made hereunder by the Trustee, and then as follows.

(ii) SECOND, to the payment to the persons entitled thereto of all installments of unpaid interest then due and payable on the Outstanding Parity Bonds in the order in which such installments become due and payable, and, if the amount available shall not be sufficient to pay in full any particular installment; then to the payment, ratably according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Parity Bonds.

(iii) THIRD, to the payment to the persons entitled thereto of the unpaid principal of any of the Parity Bonds which shall have become due and payable (other than Parity Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Fourth Supplement), in the order of their due dates, with interest on the principal amount of the Parity Bonds at the respective rates specified therein from the respective dates upon which the Parity Bonds became due and payable, and, if the amount available shall not be sufficient to pay in full the principal of the Parity Bonds due and payable on any particular date, together with the interest, then to the payment first of the interest, ratably, according to the amount of the interest due on that date, and then to the payment of the principal according to the amount of the principal due on that date, to the person entitled thereto without any discrimination.

(iv) FOURTH, to the payment of the interest on and the principal of the Parity Bonds, to the purchase and retirement of Parity Bonds and to the redemption of Parity Bonds, all in accordance with the provisions of Article V of this Fourth Supplement.

(b) With respect to funds required to be deposited in the Team Payment Account,

(i) FIRST, to the payment to the persons entitled thereto of all installments of unpaid interest on the Outstanding Taxable Parity Bonds then due and payable in the order in which such installments become due and payable, and, if the amount available shall not be sufficient to pay in full any particular installment; then to the payment, ratably according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in such Parity Bonds.

(ii) SECOND, to the payment to the persons entitled thereto of the unpaid principal of any of the Outstanding Taxable Parity Bonds which shall have become due and payable (other than Parity Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Fourth Supplement), in the order of their due dates, with interest on the principal amount of such Parity Bonds at the respective rates specified therein from the respective dates upon which the Parity Bonds became due and payable, and, if the amount available shall not be sufficient to pay in full the principal of the Parity Bonds due and payable on any particular date, together with the interest, then to the payment first of the interest, ratably, according to the amount of the interest due on that date, and then to the payment of the principal, ratably, according to the amount of the principal due on that date, to the person entitled thereto without any discrimination.

(c) If the principal of all the Parity Bonds shall have been declared due and payable pursuant to an order of a court of competent jurisdiction, all the moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Parity Bonds, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Parity Bond over any other Parity Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preferences except as to any difference in the respective rates of interest specified in the Parity Bonds; provided, however, that the Team Payment Account and all payments received pursuant to the Team Lease may only be used to pay debt service on the Series 2013B Bonds, the Series 2021 Bonds, and any other Outstanding Taxable Parity Bonds.

(d) Whenever money is to be applied pursuant to the provisions of this Section, such money shall be applied at such times and from time to time as the Trustee shall determine, having due regard to the amount of such money available for such application and the likelihood of additional money becoming available for such application in the future. Whenever the Trustee shall apply such funds, it shall fix the date (which shall be a Bond Payment Date unless it shall deem another date more suitable) upon which such application is to be made, and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give notice to the Corporation, the City, and the Bondholders of the deposit with it of any such money and of the fixing of any such payment date and shall not be required to make payment to the owner of any Parity Bond until such Parity Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

(e) Whenever all principal of, premium, if any, and interest on all Parity Bonds have been paid under the provisions of this Section and whenever all fees, expenses, and charges of

the Trustee shall have been paid, and whenever all other costs and expenses have been paid, any portion of the properties comprising the Trust Estate and the Project remaining hereunder shall be paid, transferred, and assigned to the City.

Section 7.13. No Obligation With Respect to Performance by Trustee. The Corporation shall have no obligation or liability to any of the other parties or to the Bondholders with respect to the performance by the Trustee of any duty imposed upon it under this Fourth Supplement.

Section 7.14. No Liability to Bondholders for Lease Payments or Covenants. Except as expressly provided in this Fourth Supplement, neither the Corporation nor the Trustee shall have any obligation or liability to the Bondholders with respect to the payment of Lease Payments by the City when due or with respect to the performance by the City of any other covenant made by it in the Lease Agreement.

Section 7.15. No Responsibility for Sufficiency of Lease. The Trustee shall not be responsible for the sufficiency of the Lease Agreement, the assignment made to it of the right to receive Lease Payments or Operating Expenses, or the value of the Project; provided, however, that the foregoing does not reduce or eliminate any of the Trustee's specified responsibilities or obligations under the Financing Documents. The Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it on behalf of the Corporation under the terms of and in accordance with this Fourth Supplement. Further, the Trustee shall not be responsible or liable for the loss of investment income resulting from the failure of the Corporation to provide written instructions to the Trustee directing the investment of money held in the Trust Fund; provided that the Trustee invests such money in accordance with the provisions of Section 6.08 hereof.

Section 7.16. No Liability of Trustee.

(a) The Trustee shall not be liable to anyone for any delay in the delivery of any property to the Corporation or the City, for any default on the part of any supplier, manufacturer, or builder, or for any defect in any of the property or in the title thereto, nor shall anything herein be construed as a warranty on the part of the Trustee in respect thereof or as a representation in respect of the title thereto. The Trustee shall not be liable for actions taken in good faith, or actions taken at the direction of the Bondholders owning a requisite percentage of the Parity Bonds. The Trustee shall not be liable for costs, expenses, suits, judgments, actions, claims, losses, damages, and liabilities whatsoever, including consequential damages, litigation and court costs, amounts paid in settlement, amounts paid to discharge judgments, and legal fees and expenses, directly or indirectly arising out of (i) the use, maintenance, condition, or management of, or from any work or thing done in connection with, the Project by any third party; (ii) any act of negligence of any third party or of any officer, agent, contractor, servant, employee, licensee, or invitee of such third party in connection with the Project or the Lease Agreement; or (iii) the authorization of payment of costs by any third party who is not acting as an attorney, agent, or servant of the Trustee.

(b) The Trustee may perform its powers and duties hereunder by or through such attorneys, agents, and servants as it shall appoint, shall be entitled to rely conclusively upon the

advice of counsel and shall be answerable for only its own negligence or willful misconduct and not for any negligence or willful misconduct of any attorney, agent, or servant appointed by it with reasonable care. The Trustee shall not be responsible in any way for the recitals herein contained or for the execution (except for its own execution) or validity of this Fourth Supplement or of the Parity Bonds or for any mistake of fact or law. IN NO EVENT SHALL THE TRUSTEE BE LIABLE TO ANY PARTY OR THIRD PARTY FOR SPECIAL, INDIRECT, OR CONSEQUENTIAL DAMAGES, LOST PROFITS, OR LOSS OF BUSINESS ARISING UNDER OR IN CONNECTION WITH THIS FOURTH SUPPLEMENT OR THE OTHER FINANCING DOCUMENTS OR THE OWNERSHIP OF THE BALLPARK, EVEN IF APPRISED OF THE LIKELIHOOD OF SUCH DAMAGES AND REGARDLESS OF THE FORM OF ACTION. THE TRUSTEE SHALL NOT BE RESPONSIBLE OR LIABLE TO ANY BONDHOLDER TO PAY ANY INTEREST, PRINCIPAL, OR PREMIUM DUE OR TO BECOME DUE ON THE PARITY BONDS EXCEPT OUT OF FUNDS AVAILABLE TO THE TRUSTEE IN THE TRUST FUND OR ANY ACCOUNT THEREIN (EXCLUDING THE REBATE ACCOUNT AND THE OPERATING FUND).

Section 7.17. Indemnification.

To the extent permitted by applicable law, the Corporation hereby agrees to indemnify, defend, protect and hold the Trustee harmless from and against any and all losses, liability, damages, costs or expenses that the Trustee may suffer or incur arising out of or in connection with the acceptance or administration of the Trust Agreement or the trusts hereunder or the performance of its duties hereunder. The indemnification obligations of the Corporation set forth in this Section shall survive the termination of this Trust Agreement and the resignation or removal of the Trustee.

ARTICLE VIII THE TRUSTEE

Section 8.01. Employment of Trustee. In consideration of the recitals hereinabove set forth and for other valuable consideration, the Corporation hereby confirms the appointment of the Trustee, for the benefit of the Bondholders, to: (a) receive the proceeds from the sale of the Parity Bonds and any funds contributed by the City or any other entity for deposit in the Trust Fund; (b) receive all payments to be made pursuant to the Lease Agreement; (c) apply and disburse the proceeds from the sale of the Parity Bonds and the payments received hereunder as provided for herein; and (d) perform all the other duties and obligations of the Trustee expressly provided for herein. The Trustee shall not be required to give any bond or surety in respect of the execution of the trust and powers given to it by this Fourth Supplement.

Section 8.02. Rights and Duties of Trustee.

(a) By executing and delivering this Fourth Supplement, the Trustee accepts the duties and obligations of the Trustee expressly provided in this Fourth Supplement, but only upon the terms and conditions set forth in this Fourth Supplement, and no implied covenants shall be read herein against the Trustee;

(b) The Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice (electronic, telephonic, telecopy, written, or otherwise), request, direction, consent, order, bond, debenture, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(c) Any request or direction of a Bondholder, the City, or the Corporation mentioned herein shall be sufficiently evidenced by a writing originally signed by a Bondholder Representative, City Representative, or a Corporation Representative, as appropriate;

(d) When in the administration of this Fourth Supplement the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering, or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon a certificate of a Bondholder Representative, City Representative, or a Corporation Representative;

(e) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records, and premises of the City or the Corporation personally or by agent or attorney and to rely on any certifications provided thereby;

(f) The Trustee may consult with legal counsel, and the written advice of such counsel or any opinion of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered, or omitted by the Trustee hereunder in good faith and in reliance thereon;

(g) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Fourth Supplement at the request or direction of any of the Bondholders, unless such Bondholders shall have furnished to the Trustee security or indemnity satisfactory to it against the costs, expenses, and liabilities which might be incurred by it in compliance with such request or direction;

(h) No provision of this Fourth Supplement shall require the Trustee to expend or risk its funds or otherwise incur any financial liability in the performance of any of its duties hereunder;

(i) Subject to Section 7.16(b), the Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers;

(j) The permissive right of the Trustee to do things enumerated in this Fourth Supplement or in the Lease Agreement shall not be construed as duties;

(k) The Trustee shall not be personally liable for any debts contracted or for damages to persons, or personal property injured or damaged, or for salaries or non-fulfillment of contracts, relating to the Project;

(l) The Trustee shall not be bound to ascertain or inquire as to the performance of the obligations of the Corporation under this Fourth Supplement or of the Corporation, the City, or any other person under the Lease Agreement, and shall not have any liability for the contents of any document submitted to or delivered to any Bondholder in the nature of a preliminary or final placement memorandum, official statement, offering circular, or similar disclosure document;

(m) Upon the occurrence and continuance of an Event of Default, the Trustee shall execute its duties under this Fourth Supplement with the same degree of care and skill a reasonably prudent person would utilize in the conduct of such person's own affairs; and

(n) The Trustee shall not be accountable for the use of any Parity Bonds authenticated or delivered hereunder after such Parity Bonds shall have been delivered in accordance with instructions of the Corporation or for the use by the Corporation of the proceeds from the sale of such Parity Bonds distributed from the Series 2023 Proceeds Account in accordance with the terms of this Fourth Supplement. The Trustee may become the Owner of the Parity Bonds secured hereby with the same rights as any other Bondholder.

Section 8.03. Removal and Resignation. A bank or trust company authorized to provide corporate trust services, may be substituted to act as successor trustee under this Fourth Supplement, after payment in full of the current Trustee's fees and expenses upon written request of the Bondholders owning a majority in aggregate principal amount of the Parity Bonds then Outstanding. Such substitution shall not be deemed to affect the rights or obligations of the Bondholders. Upon any such substitution, the Trustee agrees to assign to such substituted Trustee its rights under this Fourth Supplement and the other Financing Documents and deliver all documents and funds held in connection with this Fourth Supplement to such substituted Trustee. Any such successor shall have capital and surplus exclusive of borrowed capital aggregating at least \$50,000,000 and shall be subject to examination or supervision by a federal or state banking authority. The Trustee or any successor may at any time resign by giving

mailed notice to all Bondholders, the City, and the Corporation of its intention to resign and of the proposed date of resignation, which shall be a date not less than 30 calendar days after such notice is deposited in the United States mail with postage fully prepaid, unless an earlier resignation date and the appointment of a successor Trustee shall have been or is approved in writing by the Bondholders owning a majority in aggregate principal amount of the Parity Bonds Outstanding. In the event that a successor Trustee is not appointed within 30 calendar days after such notice is deposited in the United States mail, the Bondholders owning a majority in aggregate principal amount of the Parity Bonds Outstanding or the resigning Trustee may petition the appropriate court having jurisdiction to appoint a successor Trustee. No resignation or removal of the Trustee and appointment of a successor Trustee shall become effective until acceptance of appointment by the successor Trustee.

Section 8.04. Appointment of Agent. The Trustee may appoint an agent to exercise any of the powers, rights, or remedies granted to the Trustee under this Fourth Supplement and to hold title to property or to take any other action which may be desirable or necessary.

Section 8.05. Acquisition, Merger, or Consolidation of Trustee. Any entity resulting from any acquisition, merger, or consolidation to which the Trustee or any successor to it shall be a party, or any entity in any manner succeeding to all or substantially all of the corporate trust business of the Trustee or any successor Trustee, provided that such entity, if not an affiliate of the Trustee, shall have capital and surplus aggregating at least \$50,000,000, shall be the successor Trustee hereunder without the execution or filing of any paper or any further act on the part of any of the parties hereto.

Section 8.06. Trustee Compensation. The Trustee shall be entitled to payment by the City in accordance with Section 6.02(c) of the Lease Agreement for the Trustee's fees for ordinary services and expenses based upon the Trustee's Fee Schedule attached hereto as *Exhibit C*.

Section 8.07. Trustee Notice. The Trustee shall be required to take notice of any Event of Default hereunder arising from failure by the City to pay Lease Payments when due. Unless a Trustee Representative having direct responsibility for the administration of this Fourth Supplement shall be specifically notified in writing of any other Event of Default by the City, the Corporation, or the Bondholders owning at least 5% in aggregate principal amount of the Parity Bonds then Outstanding, the Trustee shall not be required to take notice or be deemed to have notice of any other Event of Default hereunder. Further, the Trustee shall not be deemed to have notice of any other events or occurrences under the Lease Agreement unless it shall have received actual notice thereof from the City, the Corporation, or Bondholders owning at least 5% in aggregate principal amount of the Parity Bonds Outstanding.

Section 8.08. Directors, Officers, Employees, and Agents Exempt From Personal Liability. This Fourth Supplement is solely a corporate obligation of the Trustee and no recourse under or upon any obligation, covenant, or agreement of this Fourth Supplement, or for any claim based hereon, shall be asserted against any past, present, or future director, officer, employee, or agent as such of the Trustee whether by virtue of any law or otherwise. All such liability and claims against such persons are expressly waived as a condition of, and in consideration for, the execution and delivery of this Fourth Supplement and the Parity Bonds.

Section 8.09. Not Responsible for Recitals or Issuance of Parity Bonds. The recitals contained herein and in the Parity Bonds (other than the certificate of authentication on such Parity Bonds) shall be taken as the statements of the Corporation and the City, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Fourth Supplement or of the Parity Bonds. The Trustee shall not be accountable for the use or application by the Corporation or the City of any of the Parity Bonds or of the proceeds of such Parity Bonds.

Section 8.10. No Boycott Israel. To the extent this Fourth Supplement constitutes a contract for goods or services for which a written verification is required under Section 2271.002, Texas Government Code, the Trustee hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and will not boycott Israel during the term of this Fourth Supplement. The foregoing verification is made solely to enable the Corporation to comply with such Section and to the extent such Section does not contravene applicable Federal law. As used in the foregoing verification, “boycott Israel” means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.

Section 8.11. Iran, Sudan and Foreign Terrorists Organizations. The Trustee represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Texas Government Code, and posted on the following page of such officer’s internet website: <https://comptroller.texas.gov/purchasing/publications/divestment.php>. The foregoing representation is made solely to enable the Corporation to comply with such Section and to the extent such Section does not contravene applicable Federal law and excludes the Trustee and each of its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization.

Section 8.12. No Discrimination Against Fossil-Fuel Companies. To the extent this Fourth Supplement constitutes a contract for goods or services for which a written verification is required under Section 2274.002 (as added by Senate Bill 13 in the 87th Texas Legislature, Regular Session), Texas Government Code, as amended, the Trustee hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott energy companies and will not boycott energy companies during the term of this Fourth Supplement. The foregoing verification is made solely to enable the Corporation to comply with such Section and to the extent such Section does not contravene applicable Federal or Texas law. As used in the foregoing verification, “boycott energy companies” shall mean, without an ordinary business purpose, refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with a company because the company (A) engages in the exploration, production, utilization, transportation, sale, or manufacturing of fossil fuel-based energy and

does not commit or pledge to meet environmental standards beyond applicable federal and state law; or (B) does business with a company described by (A) above.

Section 8.13. No Discrimination Against Firearm Entities and Firearm Trade Associations. To the extent this Fourth Supplement constitutes a contract for goods or services for which a written verification is required under Section 2274.002 (as added by Senate Bill 19 in the 87th Texas Legislature, Regular Session), Texas Government Code, as amended, the Trustee hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate against a firearm entity or firearm trade association during the term of this Fourth Supplement. The foregoing verification is made solely to enable the Corporation to comply with such Section and to the extent such Section does not contravene applicable Federal or Texas law.

As used in the foregoing verification and the following definitions,

(a) “discriminate against a firearm entity or firearm trade association” (A) means, with respect to the firearm entity or firearm trade association, to (i) refuse to engage in the trade of any goods or services with the firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association, (ii) refrain from continuing an existing business relationship with the firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association, or (iii) terminate an existing business relationship with the firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association and (B) does not include (i) the established policies of a merchant, retail seller, or platform that restrict or prohibit the listing or selling of ammunition, firearms, or firearm accessories and (ii) a company’s refusal to engage in the trade of any goods or services, decision to refrain from continuing an existing business relationship, or decision to terminate an existing business relationship (aa) to comply with federal, state, or local law, policy, or regulations or a directive by a regulatory agency or (bb) for any traditional business reason that is specific to the customer or potential customer and not based solely on an entity’s or association’s status as a firearm entity or firearm trade association,

(b) “firearm entity” means a manufacturer, distributor, wholesaler, supplier, or retailer of firearms (i.e. weapons that expel projectiles by the action of explosive or expanding gases), firearm accessories (i.e. devices specifically designed or adapted to enable an individual to wear, carry, store, or mount a firearm on the individual or on a conveyance and items used in conjunction with or mounted on a firearm that are not essential to the basic function of the firearm, including detachable firearm magazines), or ammunition (i.e. a loaded cartridge case, primer, bullet, or propellant powder with or without a projectile) or a sport shooting range (i.e. a business establishment, private club, or association that operates an area for the discharge or other use of firearms for silhouette, skeet, trap, black powder, target, self-defense, or similar recreational shooting), and

(c) “firearm trade association” means any person, corporation, unincorporated association, federation, business league, or business organization that (i) is not organized or operated for profit (and none of the net earnings of which inures to the benefit of any private shareholder

or individual), (ii) has two or more firearm entities as members, and (iii) is exempt from federal income taxation under Section 501(a), Internal Revenue Code of 1986, as an organization described by Section 501(c) of that code.

As used in Sections 8.10 through 8.13, the Trustee understands “affiliate” to mean any entity that controls, is controlled by, or is under common control with the Trustee within the meaning of SEC Rule 405, 17 C.F.R. § 230.405 and exists to make a profit.

ARTICLE X
AMENDMENT; DEFEASANCE; ADMINISTRATIVE PROVISIONS

Section 10.01. Amendment.

(a) Amendments Without Consent of Bondholders. The Corporation and the Trustee, without the consent of the Bondholders, may amend this Fourth Supplement, or other instruments evidencing the existence of a lien as shall not be inconsistent with the terms and provisions hereof for any of the following purposes:

(i) to cure any ambiguity, inconsistency, formal defect, or omission in this Fourth Supplement;

(ii) to grant to or confer upon the Trustee for the benefit of the owners of the Parity Bonds any additional rights, remedies, powers, or authority that may lawfully be granted to or conferred upon the Bondholders or the Trustee or either of them;

(iii) to subject additional revenues to the lien and pledge of this Fourth Supplement;

(iv) to add to the covenants and agreements contained in this Fourth Supplement other covenants and agreements thereafter to be observed for the protection of the Bondholders or to surrender or limit any right, power, or authority herein reserved to or conferred upon the Corporation;

(v) to evidence any succession by the City, the Trustee, or the Corporation and the assumption by such successor of the requirements, covenants, and agreements of the City, the Trustee, or the Corporation in the Financing Documents and the Parity Bonds; or

(vi) to provide for the issuance of Additional Bonds as permitted pursuant to Section 3.09 hereof.

(b) Amendments Requiring Consent of Bondholders. Exclusive of the aforementioned types of amendment and subject to the terms and provisions contained in this Section, and not otherwise, the Corporation and the Trustee, with the consent of the Bondholders owning not less than a majority in aggregate principal amount of the Parity Bonds then Outstanding, shall have the right, from time to time, anything contained in this Fourth Supplement to the contrary notwithstanding, to amend the terms or provisions contained in this Fourth Supplement; provided, however, that nothing in this Section shall permit or be construed as permitting: (i) without the consent of each Bondholder so affected, an extension of maturity of the principal of or the interest on any Parity Bond, a reduction in the principal amount of any Parity Bond, or a reduction in the rate of interest thereon; (ii) without the consent of all of the Bondholders, a privilege or priority of any Parity Bond over any other Parity Bond, a reduction in the aggregate principal amount of the Parity Bonds required for consent to such amendment or the creation of any prior or parity liens on the Trust Estate (except for a parity lien on the Trust Estate in connection with the issuance of Additional Bonds).

(c) Notice to Bondholders. If at any time an amendment shall be proposed for any of the purposes of this Section requiring the approval of the Bondholders, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, notify all Bondholders of the proposed amendment in the manner provided by Section 10.06. Such notice shall briefly set forth the nature of the proposed amendment and shall state that copies thereof are on file at the Designated Office of the Trustee for inspection by all Bondholders. If, within 60 calendar days after mailing of the notice or such longer period not to exceed 120 calendar days as the Corporation may prescribe, the requisite number of Bondholders at the time notice of such amendment is given shall have consented to and approved the execution thereof as herein provided, no Bondholder shall have any right to object to any of the terms and provisions contained therein or the operation thereof, in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the Corporation from executing the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such amendment, this Fourth Supplement shall be and is deemed to be modified and amended in accordance with such amendment.

(d) Opinion of Bond Counsel. There shall be filed with the Trustee with respect to each amendment to this Fourth Supplement an opinion of Bond Counsel to the effect that such amendment is authorized or permitted by this Fourth Supplement and that all conditions precedent with respect to the execution and delivery thereof have been fulfilled.

(e) Trustee Not Required to Consent in Certain Cases. The Trustee shall not be required to enter into or consent to any such amendments that affect the Trustee's own rights, duties or immunities under this Fourth Supplement or otherwise.

Section 10.02. Defeasance.

(a) Defeasance of Parity Bonds. Any Parity Bond and the interest thereon shall be deemed to be paid, retired and no longer Outstanding (a "**Defeased Parity Bond**") within the meaning of this Fourth Supplement, except to the extent provided below in this subsection, when payment of the principal of such Parity Bond plus interest thereon to the due date, whether such due date be by reason of maturity or otherwise either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to the Trustee for such payment (1) lawful money of the United States of America sufficient to make such payment and/or (2) noncallable securities of the types listed in subsection (i) of the definition of Permitted Investments ("**Defeasance Securities**") that mature as to principal and interest in such amounts and at such times (which, in the case of a net defeasance, must be verified in writing by an independent certified public accountant) as will insure the availability, without reinvestment, of sufficient money to provide for such payment, and when proper arrangements have been made by the Corporation with the Trustee for the payment of its services until all Defeased Parity Bonds shall have become due and payable. At such time as a Parity Bond shall be deemed to be a Defeased Parity Bond hereunder, such Defeased Parity Bond and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of, the Trust Estate or this Fourth Supplement, and such principal and interest shall be payable solely from such money and/or Defeasance Securities. Notwithstanding any other provision of this subsection (a) to the contrary, it is hereby provided that any determination not to redeem a Defeased Parity Bond that

is made in conjunction with the payment arrangements specified above in this subsection (a) shall not be irrevocable, provided that: (1) in the proceedings providing for such payment arrangements, the Corporation expressly reserves the right to call the Defeased Parity Bonds for redemption; (2) gives notice of the reservation of that right to the owners of the Defeased Parity Bonds immediately following the making of the payment arrangements; and (3) directs that notice of the reservation be included in any redemption notices that it authorizes.

(b) Investment of Funds in Defeasance Securities; Substitutions. Any moneys so deposited with the Trustee as set forth in subsection (a) above may, at the written direction of the Corporation, be invested in Defeasance Securities, maturing in the amounts and times as hereinbefore set forth, and the Corporation may direct the Trustee to substitute any Defeasance Securities for other Defeasance Securities upon the satisfaction of the requirements specified in subsection (a)(i) or (ii) of this Section, and upon receiving an opinion of Bond Counsel to the effect that such investment or reinvestment of money, and/or such substitution of Defeasance Securities, will not adversely affect the exclusion of interest on any Defeased Parity Bonds, that are Tax-Exempt Parity Bonds, for federal income tax purposes. All income from Defeasance Securities received by the Trustee that is not required for the payment of the Defeased Parity Bonds and interest thereon, with respect to which such money has been so deposited, shall be turned over to the Corporation, or deposited as directed in writing by the Corporation.

(c) Release of Trust Estate Upon Defeasance of All Parity Bonds. In the event (i) the Parity Bonds delivered pursuant hereto shall become due and payable in accordance with their terms and the whole amount of the principal, premium, if any, and interest so due and payable upon all of the Parity Bonds shall be paid, or (ii) all of the Parity Bonds shall have been defeased pursuant to Section 10.02(a) hereof, and, in either case, if (A) all conditions precedent herein provided for relating to the satisfaction and discharge of this Fourth Supplement have been complied with, (B) irrevocable and satisfactory arrangements have been made with the Trustee, and (C) all administrative expenses and amounts due or to become due hereunder shall have been paid or provided for, then and in either such event described in clause (i) or (ii) above the right, title, and interest of the Trustee and the Corporation under this Fourth Supplement shall thereupon cease, terminate, and become void, and the Trustee shall assign and transfer to, or upon the order of, the City all property (in excess of the amounts required for the foregoing) then held by the Trustee (including the Lease Agreement and all payments thereunder and all balances in any fund or account created under this Fourth Supplement excluding the Rebate Account) and shall execute such documents as may be reasonably required by the City in this regard.

Section 10.03. Payments Due on Non-Business Days. If the date for making any payment hereunder or the last date for performance of any act or the exercising of any right provided for in this Fourth Supplement is not a Business Day, such payment may be made or act performed or right exercised on the next succeeding Business Day, and such payment or act shall be with the same force and effect as if done on the nominal date provided in this Fourth Supplement, and if done on such succeeding Business Day, no interest shall accrue for the period after such nominal date.

Section 10.04. Recording and Filing. The Trustee shall be responsible for the recording and filing of continuation statements for any financing statements filed at the time of

issuance of the Series 2023 Bonds and filed copies of which have been provided to the Trustee, and the costs thereof shall be paid by the City as expenses of the Trustee.

dated as of August 1, 2013 as amended by the *First Amendment to Master Lease Agreement Relating to the City of El Paso, Texas Downtown Ballpark Venue Project Financing* dated as of May 1, 2016, the *Second Amendment to Master Lease Agreement Relating to the City of El Paso, Texas Downtown Ballpark Venue Project Financing* dated as of July 17, 2020, the *Third Amendment to Master Lease Agreement Relating to the City of El Paso, Texas Downtown Ballpark Venue Project Financing* dated as of June 1, 2021, and the *Fourth Amendment to Master Lease Agreement Relating to the City of El Paso, Texas Downtown Ballpark Venue Project Financing* dated as of June 1, 2023, between the Corporation and the City (collectively, the “**Lease Agreement**”), may be modified, to all of which provisions the owner of this Bond, on behalf of himself and his successors in interest, assents by acceptance hereof.

THE PROJECT is owned by the City but, (i) the City, as the “Lessor” under the “Primary Lease” created under the Lease Agreement, has granted a “Leasehold Estate” in the Project to the Corporation, as the “Lessee” under the Primary Lease, and (ii) the Corporation, as the “Sublessor” under the “Sublease” created under the Lease Agreement, has granted a Leasehold Interest in the Project back to the City, as the “Sublessee” under the Sublease, all pursuant to the terms of the Lease Agreement. The Corporation is obligated to pay the debt service payments and other costs associated with the Bonds from amounts received pursuant to the Sublease. The City is obligated pursuant to the Sublease, but solely from Appropriated Funds (as defined in the Lease Agreement), to pay to the Corporation such lease payments (the “**Lease Payments**”) as will be sufficient to pay the principal of and interest on the Bonds, as the same mature and become due. The City is further obligated, pursuant to the Primary Lease, to pay from lawfully available Appropriated Funds all “Operating Expenses” (as defined in the Lease Agreement) related to operating and maintaining the Project in good repair, all of which payments are subject to the annual appropriation of funds by the City in sufficient amounts. The Corporation has assigned its right, title, and interest in and to, but not its obligations, responsibilities, or liabilities under, the Lease Agreement to the Trustee.

THIS BOND IS PAYABLE SOLELY FROM LEASE PAYMENTS TO BE MADE BY THE CITY OF EL PASO, TEXAS; PROVIDED HOWEVER, THAT PAYMENTS RECEIVED UNDER THE TEAM LEASE MAY ONLY BE USED TO PAY DEBT SERVICE ON THE OUTSTANDING TAXABLE PARITY BONDS. THIS BOND SHALL NEVER CONSTITUTE AN INDEBTEDNESS OR GENERAL OBLIGATION OF THE CORPORATION, THE STATE OF TEXAS, THE CITY OF EL PASO, OR ANY OTHER POLITICAL SUBDIVISION OF THE STATE OF TEXAS, WITHIN THE MEANING OF ANY CONSTITUTIONAL PROVISION OR STATUTORY LIMITATION WHATSOEVER, BUT THIS BOND SHALL BE A LIMITED OR SPECIAL OBLIGATION OF THE CORPORATION PAYABLE SOLELY FROM THE FUNDS PROVIDED THEREFOR AS PROVIDED IN THE TRUST AGREEMENT. NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE STATE OF TEXAS, THE CITY OF EL PASO, OR ANY OTHER POLITICAL SUBDIVISION OF THE STATE OF TEXAS IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF THIS BOND OR THE INTEREST OR ANY PREMIUM THEREON OR OTHER COSTS INCIDENT THERETO. NEITHER THE MEMBERS OF THE BOARD OF DIRECTORS OF THE CORPORATION NOR ANY PERSON EXECUTING THIS BOND SHALL BE LIABLE PERSONALLY ON THIS BOND BY REASON OF THE ISSUANCE THEREOF.

THE OBLIGATION OF THE CITY OF EL PASO, TEXAS TO MAKE LEASE PAYMENTS IS A CURRENT EXPENSE, PAYABLE SOLELY FROM FUNDS ANNUALLY APPROPRIATED BY THE CITY FOR SUCH USE FROM ANY UNENCUMBERED AND LAWFULLY AVAILABLE FUNDS TO THE PAYMENT THEREOF. THE LEASE MAY BE TERMINATED ANNUALLY BY THE CITY WITHOUT ANY PENALTY, AND THERE CAN BE NO ASSURANCE THAT THE CITY WILL ANNUALLY RENEW THE LEASE. IF THE LEASE IS TERMINATED, THE CITY WILL HAVE NO FURTHER OBLIGATION TO MAKE LEASE PAYMENTS REGARDLESS OF WHETHER ANY BONDS REMAIN OUTSTANDING. THE LEASE AND THE OBLIGATIONS OF THE CITY THEREUNDER DO NOT CONSTITUTE A PLEDGE, LIABILITY, OR A CHARGE UPON THE FUNDS OF THE CITY AND DO NOT CONSTITUTE A DEBT OR GENERAL OBLIGATION OF THE STATE OF TEXAS, THE CITY THE CORPORATION, OR ANY OTHER POLITICAL SUBDIVISION OF THE STATE OF TEXAS.

THE BONDS ARE ISSUABLE ONLY IN THE FORM OF FULLY REGISTERED BONDS without coupons in denominations of \$5,000 in principal amount, or any integral multiple thereof. Subject to the conditions and upon the payment of charges provided in the Trust Agreement, the owner of any Bond or Bonds issued under the Trust Agreement may, if not prohibited by law, surrender the same (together with a written instrument of transfer satisfactory to the Trustee duly executed by the Registered Owner or his attorney duly authorized in writing) in exchange for an equal aggregate principal amount of Bonds of the same series, interest rate, and maturity or maturities, and of any denominations authorized as above described. This Bond is transferable as provided in the Trust Agreement by the Registered Owner in person or by the owner's attorney duly authorized in writing at the Designated Office of the Trustee upon surrender of this Bond accompanied by a duly executed instrument of transfer, in form and with guarantee of signature satisfactory to the Trustee, and upon payment of any governmental charges or taxes incident to such transfer. Upon any such transfer, a new Bond or Bonds in the same aggregate principal amount and of the same series, interest rate, and maturity or maturities will be issued to the transferee. The Corporation and the Trustee may deem and treat the person in whose name this Bond is registered as the absolute owner hereof (whether or not this Bond shall be overdue) for the purpose of receiving payment of, or on account of, the principal of, premium, if any, and interest due on this Bond and for all other purposes, and the Corporation and the Trustee shall not be affected by any notice to the contrary.

WHENEVER THE BENEFICIAL OWNERSHIP of this Bond is determined by a book entry at a securities depository for the Bonds, the foregoing requirements of holding, delivering or transferring this Bond shall be modified to require the appropriate person or entity to meet the requirements of the securities depository as to registering or transferring the book entry to produce the same effect.

THE BONDS MATURING ON OR AFTER AUGUST 15, 20[] shall be subject to redemption, in whole or in part, in Authorized Denominations (defined in the Trust Agreement), at the request and option of the Corporation, on August 15, 20[], with funds derived from any available and lawful source, at the redemption price of the principal amount of Bonds called for redemption, plus accrued interest thereon to the date fixed for redemption. The Corporation shall determine the maturity or maturities, and the principal amount of Bonds within each maturity, to

be redeemed. If less than all Bonds of a maturity are to be redeemed, the particular Bonds to be redeemed shall be selected by the Trustee randomly.

IN THE EVENT OF THE EXERCISE BY THE CITY OF ITS OPTION TO PREPAY LEASE PAYMENTS UPON A CASUALTY LOSS OR CONDEMNATION of the Project and the payment by the City to the Trustee of the Prepayment Option Price, all in accordance with Section 4.13 of the Lease Agreement, the Bonds shall be subject to extraordinary optional redemption prior to their respective stated maturities, in whole but not in part, on the next succeeding Bond Payment Date for which notice can be given in accordance with Section 5.02 of the Trust Agreement, at a redemption price equal to 100% of the Outstanding principal amount of the Bonds being redeemed plus accrued interest to the date of redemption.

IF LESS THAN ALL OF THE BONDS ARE CALLED FOR REDEMPTION under any of the circumstances set forth above, the particular Bonds or portions thereof to be redeemed shall be selected ratably among maturities and randomly within each maturity.

IN THE EVENT ANY OF THE BONDS (or any portions thereof, which shall be in amounts equal to \$5,000 principal amount or an integral multiple thereof) are called for redemption as aforesaid, notice thereof identifying the Bonds or portions thereof to be redeemed shall be given by the Trustee by mailing a copy of the redemption notice by first class mail (postage prepaid) not less than 30 days prior to the date fixed for redemption to the registered owner of each Bond to be redeemed in whole or in part at the address shown on the Bond Register at the close of business on a day not later than the fifth day preceding the date of mailing; provided, however, that failure to give such notice by mailing, or any defect therein, shall not affect the validity of any proceedings for the redemption of any other Bonds. Such notice shall set forth the following: (i) the maturities of the Bonds to be redeemed; (ii) the CUSIP number, if any, of the Bonds to be redeemed; (iii) the place or places where amounts due upon such redemption will be payable; (iv) if less than all of the Bonds of any maturity are to be redeemed, the letters and numbers or other distinguishing marks, if any, of such Bonds so to be redeemed; (v) in the case of a Bond to be redeemed in part only, the portion of the principal amount to be redeemed; and (vi) that on the redemption date there shall become due and payable upon each Bond to be redeemed the amount of the principal thereon (or of the specified portion of the principal in the case of a Bond to be redeemed in part only), together with interest accrued to the redemption date, and that from and after the redemption date interest thereon shall cease to accrue and be payable. The notice with respect to an optional redemption of Bonds or an extraordinary optional redemption of Bonds may state (i) that it is conditioned upon the deposit of money, in an amount equal to the amount necessary to effect the redemption, with the Trustee no later than the redemption date, or (ii) that the Corporation retains the right to rescind such notice at any time prior to the scheduled redemption date if the Corporation delivers a certificate of an authorized representative to the Trustee instructing the Trustee to rescind the redemption notice, and such notice and optional redemption shall be of no effect if such money is not so deposited or if the notice is so rescinded. All Bonds or portions thereof so called for redemption shall cease to bear interest on the specified redemption date, provided funds for their redemption are on deposit with the Trustee, and shall no longer be protected by the Trust Agreement and shall not be deemed to be Outstanding under the provisions of the Trust Agreement.

THIS BOND AND THE SERIES OF WHICH IT FORMS A PART, as may be outstanding from time to time, are issued pursuant to and in full conformity with the Trust Agreement and a resolution duly adopted by the governing body of the Corporation under the authority of and in full conformity with the laws of the State of Texas, particularly the provisions of Chapter 1207, Texas Government Code, as amended. This Bond and the series of which it forms a part are payable solely from “***Appropriated Funds***” as provided in the Trust Agreement and the Lease Agreement. Pursuant to the provisions of the Lease Agreement, Lease Payments sufficient for the prompt payment when due of the principal of and interest on the Bonds are to be paid to the Trustee for the benefit of the Bondholders and have been duly pledged by the Corporation for that purpose. The Corporation has reserved the right to issue “***Additional Bonds***” on a parity with the Bonds for purposes of refunding any of the Bonds, completing the Project, or making additional extensions and improvements to the Project which, when issued in compliance with law and the terms and conditions of the Trust Agreement, may be payable equally and ratably with the Bonds from Lease Payments paid from Appropriated Funds received by the Corporation from the City.

THE OWNER OF THIS BOND SHALL HAVE NO RIGHT to enforce the provisions of the Trust Agreement or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Trust Agreement, or to institute, appear in, or defend any suit or other proceedings with respect thereto except as provided in the Trust Agreement. In certain events, on the conditions, in the manner, and with the effect set forth in the Trust Agreement, the principal of all of the Bonds issued under the Trust Agreement and then outstanding may become or may be declared due and payable before the stated maturity thereof, together with interest accrue thereon. Modifications or alterations of the Trust Agreement, or of any supplements thereto, may be made only to the extent and in the circumstances permitted by the Trust Agreement.

IT IS HEREBY CERTIFIED, RECITED, AND DECLARED that all acts, conditions, and things required to exist, happen, and be performed precedent to and in the issuance of this Bond do exist, have happened, and have been performed in due time, form, and manner as required by law in order to make this Bond a valid and legal revenue obligation of the Corporation and that the issuance of the Bonds, together with all other obligations of the Corporation, does not exceed or violate any constitutional or statutory limitation applicable to the Corporation.

(xvi) Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the City or the Corporation, any of which reflect financial difficulties.

For these purposes, (a) any event described in the immediately preceding subsection (c)(xii) is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the City or the Corporation in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the City or the Corporation, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the City or the Corporation, and (b)

the City and the Corporation intend the words used in the immediately preceding subsections (c)(xv) and (c)(xvi) in this Section to have the meanings ascribed to them in SEC Release No. 34-83885, dated August 20, 2018.

The City shall notify the MSRB, in a timely manner, of any failure by the City to provide financial information or operating data in accordance with subsection (b) of this Section by the time required by such Section.

Section 17.04 Covenants Regarding Tax-Exempt Status of the Series 2023 Bonds.

(d) Definitions. When used in this Section, the following terms have the following meanings:

(i) “Closing Date” means the date on which the Series 2023 Bonds are first authenticated and delivered to the initial purchasers against payment therefor.

(ii) “Code” means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

(iii) “Computation Date” has the meaning set forth in Section 1.148-1(b) of the Regulations.

(iv) “Gross Proceeds” means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Series 2023 Bonds.

(v) “Investment” has the meaning set forth in Section 1.148-1(b) of the Regulations.

(vi) “Nonpurpose Investment” means any investment property, as defined in Section 148(b) of the Code, in which Gross Proceeds of the Series 2023 Bonds are invested and which is not acquired to carry out the governmental purposes of the Series 2023 Bonds.

(vii) “Rebate Amount” has the meaning set forth in Section 1.148-1(b) of the Regulations.

(viii) “Regulations” means any proposed, temporary, or final Income Tax Regulations issued pursuant to Sections 103 and 141 through 150 of the Code of the Code, which are applicable to the Series 2023 Bonds. (ix) “Yield” of (1) any Investment has the meaning set forth in Section 1.148-5 of the Regulations and (2) the Series 2023 Bonds has the meaning set forth in Section 1.148-4 of the Regulations.

(e) Covenants of the Corporation and the City.

(i) Not to Cause Interest to Become Taxable. Neither the City nor the Corporation shall use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Series 2023 Bond to become includable in the gross income, as defined in Section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the Corporation and the City receive a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Series 2023 Bond, the Corporation and the City shall comply with each of the specific covenants in this Section.

(ii) Limited Private Use and Private Payments. The Series 2023 Bonds are being issued to restructure the Series 2013A Bonds indebtedness and, in connection therewith, the City and the Corporation while the Series 2023 Bonds are outstanding and unpaid, covenant and agree that, except as permitted by Section 141 of the Code and the Regulations and rulings thereunder, the Project shall, at all times prior to the last stated maturity of the Series 2023 Bonds be exclusively owned, operated and maintained by the City and/or the Corporation, and neither the City nor the Corporation will use or permit the use of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity other than a state or local government, unless such use is solely as a member of the general public. Furthermore, except as permitted by Section 141 of the Code and the Regulations and rulings thereunder, neither the City nor the Corporation will impose or accept any charge or other payment for use of Gross Proceeds of the Series 2023 Bonds or for any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds, other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(iii) No Private Loan. Except to the extent permitted by Section 141 of the Code and the Regulations and rulings thereunder, neither the City nor the Corporation shall use Gross Proceeds of the Series 2023 Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be “loaned” to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(iv) Not to Invest at Higher Yield. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, neither the City nor the Corporation shall at any time prior to the final stated maturity of the Series 2023 Bonds directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested), if as a result of such investment the Yield from the Closing Date of all Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of the Series 2023 Bonds.

(v) Not Federally Guaranteed. Except to the extent permitted by Section 149(b) of the Code and the Regulations and rulings thereunder, neither the City nor the Corporation shall take or omit to take any action which would cause the Series 2023 Bonds to be federally guaranteed within the meaning of Section 149(b) of the Code and the Regulations and rulings thereunder.

(vi) Information Report. The Corporation shall timely file the information required by Section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary of the Treasury may prescribe.

(vii) Rebate of Arbitrage Profits. Except to the extent otherwise provided in Section 148(f) of the Code and the Regulations and rulings thereunder:

1. The Corporation and the City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last outstanding Series 2023 Bond is discharged. However, to the extent permitted by law, the Corporation and/or the City may commingle Gross Proceeds of the Series 2023 Bonds with other money of the Corporation and/or the City, provided that the Corporation and the City separately account for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

2. Not less frequently than each Computation Date, the Corporation and the City shall calculate the Rebate Amount in accordance with rules set forth in Section 148(f) of the Code and the Regulations and rulings thereunder. The Corporation and the City shall maintain such calculations with the official transcript of proceedings relating to the issuance of the Series 2023 Bonds until six years after the final Computation Date.

3. As additional consideration for the purchase of the Series 2023 Bonds by the Purchasers and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the Corporation and the City shall pay to the United States out of the Rebate Account or their respective general funds, as permitted by

applicable Texas statute, regulation or opinion of the Attorney General of the State, the amount that when added to the future value of previous rebate payments made for the Series 2023 Bonds equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

4. The Corporation and the City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (2) and (3), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(viii) Not to Divert Arbitrage Profits. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, neither the City nor the Corporation shall, at any time prior to the earlier of the stated maturity or final payment of the Series 2023 Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (vii) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Series 2023 Bonds not been relevant to either party.

(ix) Elections. The Corporation hereby directs and authorizes the Chair, Vice Chair, Treasurer and Secretary of the Board and Executive Director of the Corporation, individually or jointly, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Series 2023 Bonds, in the Certificate as to Tax Exemption or similar or other appropriate certificate, form or document. The City hereby directs and authorizes the Mayor, the City Manager and the Chief Financial Officer of the City, individually or jointly, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Series 2023 Bonds, in the Certificate as to Tax Exemption or similar or other appropriate certificate, form or document.

(f) Current Refunding. The Series 2023 Bonds are a current refunding of the Refunded Bonds in that the Refunded Bonds will be paid or redeemed within 90 days of the date of the delivery of the Series 2023 Bonds.

Section 1.02. The following definitions are hereby added to Exhibit A to the Agreement:

Series 2023 Bond Resolution – The resolution adopted by the Board of the Corporation on April 11, 2023, authorizing the issuance of the Series 2023 Bonds and approving the Financing Documents and other related matters.

WHEREAS, the Issuer and the Escrow Agent, as the case may be, shall take all action necessary to pay and retire such Refunded Bonds in accordance with the provisions thereof, including, without limitation, all actions required by the Original Trust Agreement, the Act, the Bond Resolution, and this Agreement;

NOW, THEREFORE, in consideration of the mutual agreements herein contained, and to secure the payment of the principal of and the interest on the Refunded Bonds as the same shall become due, the Issuer and the Escrow Agent hereby mutually undertake, promise and agree as follows:

SECTION 1: Receipt of Refunded Bonds Resolution. Receipt of a true and correct copy of the resolution authorizing the issuance of the Refunded Bonds, the Original Trust Agreement and the Bond Resolution is hereby acknowledged by the Escrow Agent. Reference herein to or

citation herein of any provision of such documents shall be deemed an incorporation of such provision as a part hereof in the same manner and with the same effect as if it were fully set forth herein.

Furthermore, the Escrow Agent acknowledges receipt of a copy of the Bond Resolution which provides for the defeasance of the Refunded Bonds on [June 6], 2023. The Escrow Agent agrees to cause a notice of defeasance pertaining to the Refunded Bonds, in substantially the form attached hereto as **Exhibit E**, to be sent to the Municipal Securities Rulemaking Board within ten (10) business days of [June 6], 2023, in accordance with the Original Trust Agreement.

SECTION 2: Escrow Fund Creation/Funding. There is hereby created by the Issuer with the Escrow Agent a special segregated and irrevocable trust fund designated the “CITY OF EL PASO DOWNTOWN DEVELOPMENT CORPORATION SPECIAL REVENUE REFUNDING BONDS, SERIES 2023 ESCROW FUND” (hereinafter called the “Escrow Fund”) for the benefit of the holders of the Refunded Bonds, and, immediately following the delivery of the Bonds, the Issuer agrees and covenants to cause to be deposited with the Escrow Agent the following amounts:

\$[] for the purchase of the Escrowed Securities listed in **Exhibit B** to be held for the account of the Escrow Fund;

\$[] for deposit in the Escrow Fund as a beginning cash balance.

The Escrow Agent hereby accepts the Escrow Fund and further agrees to receive such moneys, apply the same as set forth herein, and to hold the cash and Escrowed Securities deposited and credited to the Escrow Fund for application and disbursement for the purposes and in the manner provided in this Agreement.

SECTION 3: Escrow Fund Sufficiency Warranty. The Issuer hereby represents that the cash and Escrowed Securities, together with the interest to be earned thereon, deposited to the credit of the Escrow Fund will be sufficient to pay the principal of and premium and interest on the Refunded Bonds as the same shall become due and payable, and such Refunded Bonds, and the interest thereon, are to mature and shall be paid at the times and in the amounts set forth and identified in **Exhibit A** attached hereto.

SECTION 4: Pledge of Escrow. The Escrow Agent agrees that all cash and Escrowed Securities, together with any income or interest earned thereon, held in the Escrow Fund shall be and is hereby irrevocably pledged to the payment of the principal of and interest on the Refunded Bonds which will mature and become due on and after the date of this Agreement, and such funds initially deposited and to be received from maturing principal and interest on the Escrowed Securities in the Escrow Fund shall be applied solely in accordance with the provisions of this Agreement.

SECTION 5: Escrow Insufficiency - Issuer Warranty to Cure. If, for any reason, the funds on hand in the Escrow Fund shall be insufficient to make the payments set forth in **Exhibit A** attached hereto, as the same becomes due and payable, the Issuer shall make timely deposits to the Escrow Fund, from lawfully available funds, of additional funds in the amounts required to make such payments. Notice of any such insufficiency shall be immediately given by the Escrow Agent to the Issuer by the fastest means possible, but the Escrow Agent shall in no manner be responsible for the Issuer’s failure to make such deposits.

SECTION 6: Escrow Held in Trust. All amounts deposited with the Escrow Agent hereunder shall be held in trust by the Escrow Agent for the benefit of the holders of, and as security for the payment when due of, the Refunded Bonds. If the Escrow Agent shall fail to account for any funds held, or required by this Escrow Agreement to be held, for the credit of the Escrow, such funds shall be and remain the property of the Issuer, and the Issuer shall, for the account of such beneficiaries, be entitled to the preferred claim upon such funds enjoyed by the beneficiary of an express trust.

The Escrow Agent shall hold all funds deposited, or required hereby to be deposited, to the Escrow in a separate custodial fund and shall have no right or title with respect thereto. No such fund shall be considered a banking deposit with the Escrow Agent or be subject to checks or drafts drawn by the Issuer. The Escrow Agent shall have no liability for interest on any funds deposited to the Escrow.

The Escrow Agent shall hold, invest, secure, and apply all funds deposited, or required by this Escrow Agreement to be deposited, with it hereunder solely as provided herein.

SECTION 7: Grant of Security Interest. In order to secure payment when due of the principal of (and premium) and interest on the Refunded Bonds, the Issuer hereby pledges and grants to the Escrow Agent, for the account of the holders thereof, a security interest in all of its funds held hereunder and all investments thereof, if any, and agrees that the Escrow Agent shall have and may exercise all of the rights of a secured party granted by Chapter 1208 of the Government Code, as amended, in respect thereof.

SECTION 8: Release of Trust Agreement; No Event of Default; Refunded Bonds Trustee Certification. With the deposit of the Escrowed Securities and cash required by Section 2 hereof, the Issuer and the Escrow Agent, in its capacity as Refunded Bonds Trustee, hereby agree that the lien, rights, and interests created by the Original Trust Agreement for the benefit of the Refunded Bonds, shall cease (except as to any surviving rights of transfer or exchange of the Refunded Bonds and the obligations of the Escrow Agent to make payments on the Refunded Bonds from the Escrow Fund in accordance with the terms hereof). The Issuer covenants to pay all necessary and proper fees, compensation, and expenses of the Refunded Bonds Trustee and the paying agent under the Trust Agreement in accordance with the terms of the Trust Agreement. The Escrow Agent, in its capacity as Refunded Bonds Trustee, acknowledges and agrees that the arrangement for the payment of its (and any paying agents under the Trust Agreement) necessary and proper fees, compensation, and expenses set forth in the Trust Agreement is satisfactory to it. The Escrow Agent, in its capacity as Refunded Bonds Trustee, acknowledges that the provisions of this Agreement shall be deemed to satisfy the redemption account requirements of Section 6.06 of the Trust Agreement with respect to the Refunded Bonds.

The undersigned officer of the Issuer certifies that (i) no Event of Default, as such term is defined in the Trust Agreement, exists thereunder; and (ii) all conditions precedent provided for in the Trust Agreement relating to the defeasance of the Refunded Bonds have been complied with.

Upon deposit of the amounts specified in Section 2 of this Agreement, the Refunded Bonds Trustee hereby certifies that solely in reliance upon the verification report of [Samuel Klein and Company, Certified Public Accountants, in conjunction with Public Finance Partners LLC], all sums payable under the Trust Agreement by the Issuer with respect to the Refunded Bonds have been paid.

SECTION 9: Escrow Fund Securities - Segregation. The Escrow Agent shall hold such moneys and Escrowed Securities in the Escrow Fund at all times as a special and separate trust fund for the benefit of the holders of the Refunded Bonds, wholly segregated from other moneys and securities on deposit with the Escrow Agent; shall never commingle such Escrowed Securities and moneys with other moneys or securities of the Escrow Agent; and shall hold and dispose of the assets therein only as set forth herein. Nothing herein contained shall be construed as requiring the Escrow Agent to keep the identical moneys, or any part thereof, in such Escrow Fund, if it is impractical, but moneys of an equal amount, except to the extent such are represented by the Escrowed Securities, shall always be maintained on deposit in the Escrow Fund by the Escrow Agent, as escrow agent; and a special account evidencing such facts shall at all times be maintained on the books of the Escrow Agent.

SECTION 10: Escrow Fund Collections/Payments. The Escrow Agent shall from time to time collect and receive the principal of and interest on the Escrowed Securities as they respectively mature and become due and credit the same to the Escrow Fund. On or before each principal and/or interest payment date for the Refunded Bonds shown in **Exhibit A** attached hereto, the Escrow Agent, without further direction from anyone, including the Issuer, shall cause to be withdrawn from the Escrow Fund the amount required to pay the accrued interest on the Refunded Bonds due and payable on such payment date and the principal of the Refunded Bonds due and payable on such payment date and the amount withdrawn from the Escrow Fund shall be immediately transmitted and deposited with the paying agent for the Refunded Bonds to be paid with such amount. The paying agent for the Refunded Bonds is the Escrow Agent, and as paying agent for the Refunded Bonds, the Escrow Agent will provide a notice of defeasance as required by the Original Trust Agreement.

If any Refunded Bond or interest coupon thereon shall not be presented for payment when the principal thereof or interest thereon shall have become due, and if cash shall at such times be held by the Escrow Agent in trust for that purpose sufficient and available to pay the principal of such Refunded Bond and interest thereon it shall be the duty of the Escrow Agent to hold such cash without liability to the holder of such Refunded Bond for interest thereon after such maturity or redemption date, in trust for the benefit of the holder of such Refunded Bond, who shall thereafter be restricted exclusively to such cash for any claim of whatever nature on his part on or with respect to such Refunded Bond, including for any claim for the payment thereof and interest thereon. All cash required by the provisions hereof to be set aside or held in trust for the payment of the Refunded Bonds, including interest thereon, shall be applied to and used solely for the payment of the Refunded Bonds and interest thereon with respect to which such cash has been so set aside in trust.

Subject to the provisions of the last sentence of Section 28 hereof, cash held by the Escrow Agent in trust for the payment and discharge of any of the Refunded Bonds and interest thereon which remains unclaimed for a period of three (3) years after the stated maturity date of such Refunded Bonds shall be returned to the Issuer. Notwithstanding the above and foregoing, any remittance of funds from the Escrow Agent to the Issuer shall be subject to any applicable unclaimed property laws of the State of Texas.

SECTION 11: Disposal of Refunded Bonds. All Refunded Bonds cancelled on account of payment by the Escrow Agent shall be marked canceled or paid and cremated or otherwise destroyed by the Escrow Agent pursuant to its retention policy then in effect, and an appropriate certificate of destruction shall be furnished to the Issuer upon its written request.

SECTION 12: Escrow Fund Encumbrance. The escrow created hereby shall be irrevocable and the holders of the Refunded Bonds shall have an express lien on all moneys and Escrowed Securities in the Escrow Fund until paid out, used and applied in accordance with this Agreement.

Unless disbursed in payment of the Refunded Bonds, all funds and the Escrowed Securities received by the Escrow Agent for the account of the Issuer hereunder shall be and remain the property of the Escrow Fund and the Issuer and the owners of the Refunded Bonds shall be entitled to a preferred claim and shall have a first lien upon such funds and Escrowed Securities enjoyed by a trust beneficiary. The funds and Escrowed Securities received by the Escrow Agent under this Agreement shall not be considered as a banking deposit by the Issuer and the Escrow Agent and the Issuer shall have no right or title with respect thereto, except as otherwise provided herein. Such funds and Escrowed Securities shall not be subject to checks or drafts drawn by the Issuer.

SECTION 13: Absence of Escrow Agent Claim - Lien on Escrow Fund. The Escrow Agent shall have no lien whatsoever upon any of the moneys or Escrowed Securities in the Escrow Fund for payment of services rendered hereunder, services rendered as Trustee or paying agent/registrar for the Refunded Bonds, or for any costs or expenses incurred hereunder and reimbursable from the Issuer.

SECTION 14: Substitution - Reinvestments. (a) The Escrow Agent shall be authorized to accept initially and temporarily cash and/or substituted Escrowed Securities pending the delivery of the Escrowed Securities identified in the **Exhibit B** attached hereto, or shall be authorized to redeem the Escrowed Securities and reinvest the proceeds thereof, together with other moneys held in the Escrow Fund in noncallable direct obligations of the United States of America provided such early redemption and reinvestment of proceeds does not change the repayment schedule of the Refunded Bonds appearing in **Exhibit A** and the Escrow Agent receives the following:

(i) an opinion by an independent certified public accountant to the effect that (i) the initial and/or temporary substitution of cash and/or securities for one or more of the Escrowed Securities identified in **Exhibit B** pending the receipt and delivery thereof to the Escrow Agent or (ii) the redemption of one or more of the Escrowed Securities and the reinvestment of such funds in one or more substituted Governmental Securities, together with the interest thereon and other available moneys then held in the Escrow Fund, will, in either case, be sufficient, without reinvestment, to pay, as the same become due in accordance with **Exhibit A**, the principal of, and interest on, the Refunded Bonds which have not previously been paid, and

(ii) with respect to an early redemption of Escrowed Securities and the reinvestment of the proceeds thereof, an unqualified opinion of nationally recognized municipal bond counsel to the effect that (a) such investment will not cause interest on the Refunded Bonds to be included in the gross income for federal income tax purposes, under the Code and related regulations as in effect on the date of such investment, or otherwise make the interest on the Refunded Bonds subject to Federal income taxation and (b) such reinvestment complies with the Constitution and laws of the State of Texas and with all relevant documents relating to the issuance of the Refunded Bonds and the Bonds.

(b) If on the date and in the amount shown in **Exhibit C** attached hereto there exists cash in the Escrow Fund, the Escrow Agent and the Issuer agree at least fifteen (15) days prior to such date, to subscribe for the purchase of United States Treasury Securities - State and Local Government Series (SLGS) bearing zero interest (0%) and on such date, in the amount and scheduled to mature as provided in **Exhibit C** and subscription forms prepared therefor as may be then required by the United States Department of the Treasury; provided that the then existing rules and regulations and policy of United States Department of the Treasury permit and authorize such investments. Should the policy, rules and regulations of the United States Department of Treasury not permit or authorize the purchase of such SLGS at such time or times, such cash balance or balances shall remain uninvested and held in trust for the benefit of the holders of the Refunded Bonds and used for the payment of the Refunded Bonds on the dates and in the amount such moneys would have been expended had such SLGS been acquired and matured.

SECTION 15: Restriction Re: Escrow Fund Investments/Re-Investment. Except as provided in Section 14 hereof, moneys in the Escrow Fund will be invested only in the Escrowed Securities listed in **Exhibit B** and neither the Issuer nor the Escrow Agent shall reinvest any moneys deposited in the Escrow Fund except as specifically provided by this Agreement.

SECTION 16: Excess Funds. If at any time through cancellation of the Refunded Bonds there exists or will exist excesses of interest on or maturing principal of the Escrowed Securities in excess of the amounts necessary hereunder for the Refunded Bonds, the Escrow Agent may transfer such excess amounts to or on the order of the Issuer, provided that the Issuer delivers to the Escrow Agent the following:

(i) an opinion by an independent certified public accountant that after the transfer of such excess, the principal amount of securities in the Escrow Fund, together with the interest thereon, and other available monies then held in the Escrow Fund, will be sufficient to pay, as the same become due and without reinvestment, in accordance with **Exhibit A**, the principal of, and interest on, the Refunded Bonds which have not previously been paid, and

(ii) an unqualified opinion of nationally recognized municipal bond counsel to the effect that (a) such transfer will not cause interest on the Refunded Bonds to be included in gross income for federal income tax purposes, under the Code and related regulations as in effect on the date of such transfer, or otherwise make the interest on the Refunded Bonds subject to federal income taxation, and (b) such transfer complies with the Constitution and laws of the State of Texas and with all relevant documents relating to the issuance of the Refunded Bonds or the Bonds.

SECTION 17: Collateralization. The Escrow Agent shall continuously secure the monies in the Escrow Fund not invested in Escrowed Securities by a pledge of direct obligations of the United States of America, in the par or face amount at least equal to the principal amount of such uninvested monies to the extent such money is not insured by the Federal Deposit Insurance Corporation.

SECTION 18: Absence of Escrow Agent's Liability Re: Investments. The Escrow Agent shall not be liable or responsible for any loss resulting from any investment made in the Escrowed Securities or substitute securities as provided in Section 14 hereof.

SECTION 19: Escrow Agent's Compensation - Escrow Administration - Settlement of Paying Agents' Charges. The Issuer agrees to pay the Escrow Agent for the performance of all services hereunder as Escrow Agent and as reimbursement for anticipated expenses to be incurred hereunder the amount set forth on **Exhibit D** and, except for reimbursement of costs and expenses incurred by the Escrow Agent pursuant to Sections 3, 14, and 22 hereof, the Escrow Agent hereby agrees such amount is full and complete payment for the administration of this Agreement.

The Issuer also agrees to deposit with the Escrow Agent on the effective date of this Agreement, the sum of \$[____], which represents the total charge due the Escrow Agent as paying agent for the Refunded Bonds, and the Escrow Agent acknowledges and agrees that such amount is and represents the full amount of compensation due the Escrow Agent for services rendered as paying agent for the Refunded Bonds. The Escrow Agent hereby agrees that in no event shall it ever assert any claim or lien against the Escrow Fund for any fees for its services, whether regular or extraordinary, as paying agent/registrar or in any capacity, or for reimbursement for any of its expenses.

SECTION 20: Escrow Agent's Duties - Responsibilities - Liability. The Escrow Agent shall not be responsible for any recital herein, except with respect to its organization and its powers and authority. As to the existence or nonexistence of any fact relating to the Issuer or as to the sufficiency or validity of any instrument, paper or proceedings relating to the Issuer, the Escrow Agent shall be entitled to rely upon a certificate signed on behalf of the Issuer by its Chair or Vice Chair and/or Executive Director of the Issuer as sufficient evidence of the facts therein contained. The Escrow Agent may accept a certificate of the Secretary or Treasurer of the Issuer, under the Issuer's seal, to the effect that a resolution or other instrument in the form therein set forth has been adopted by the Board of the Issuer, as conclusive evidence that such resolution or other instrument has been duly adopted and is in full force and effect.

The duties and obligations of the Escrow Agent shall be determined solely by the express provisions of this Agreement and the Escrow Agent shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Agreement, and no implied covenants or obligations shall be read into this Agreement against the Escrow Agent.

In the absence of bad faith on the part of the Escrow Agent, the Escrow Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificate or opinion furnished to the Escrow Agent, conforming to the requirements of this Agreement; but notwithstanding any provision of this Agreement to the contrary, in the case of any such certificate or opinion or any evidence which by any provision hereof is specifically required to be furnished to the Escrow Agent, the Escrow Agent shall be under a duty to examine the same to determine whether it conforms to the requirements of this Agreement.

The Escrow Agent shall not be liable for any error of judgment made in good faith by a Responsible Officer or Officers of the Escrow Agent unless it shall be proven that the Escrow Agent was negligent in ascertaining or acting upon the pertinent facts.

The Escrow Agent shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the holders of not less than a majority in aggregate principal amount of all such Refunded Bonds at the time outstanding relating to the time, method and place of conducting any proceeding for any remedy available to

the Escrow Agent not in conflict with the intent and purpose of this Agreement. For the purposes of determining whether the holders of the required principal amount of such Refunded Bonds have concurred in any such direction, Refunded Bonds owned by any obligor upon the Refunded Bonds, or by any person directly or indirectly controlling or controlled by or under direct or indirect common control with such obligor, shall be disregarded, except that for the purposes of determining whether the Escrow Agent shall be protected in relying on any such direction only Refunded Bonds which the Escrow Agent knows are so owned shall be so disregarded, unless all Refunded Bonds are so owned.

The term “Responsible Officers” of the Escrow Agent, as used in this Agreement, shall mean and include the Chairman of the Board of Directors, the President, any Vice President and any Second Vice President, the Secretary and any Assistant Secretary, the Treasurer and any Assistant Treasurer, and every other officer and assistant officer of the Escrow Agent customarily performing functions similar to those performed by the persons who at the time shall be officers, respectively, or to whom any corporate trust matter is referred, because of his knowledge of and familiarity with a particular subject; and the term “Responsible Officer” of the Escrow Agent, as used in this Agreement, shall mean and include any of such officers or persons.

SECTION 21: Limitation Re: Escrow Agent’s Duties/Responsibilities - Liabilities to Third Parties. The Escrow Agent shall not be responsible or liable to any person in any manner whatever for the sufficiency, correctness, genuineness, effectiveness, or validity of this Agreement with respect to the Issuer, or for the identity or authority of any person making or executing this Agreement for and on behalf of the Issuer. The Escrow Agent is authorized by the Issuer to rely upon the representations of the Issuer with respect to this Agreement and the deposits made pursuant hereto and as to the Issuer’s right and power to execute and deliver this Agreement, and the Escrow Agent shall not be liable in any manner as a result of such reliance. The duty of the Escrow Agent hereunder shall only be to the Issuer and the holders of the Refunded Bonds. Neither the Issuer nor the Escrow Agent shall assign or attempt to assign or transfer any interest hereunder or any portion of any such interest. Any such assignment or attempted assignment shall be in direct conflict with this Agreement and be without effect.

This Agreement shall not create an obligation on the part of the Escrow Agent to calculate or in any way verify the sufficiency or projected future sufficiency of the maturing principal of and interest on the Escrowed Securities, any substitute Escrowed Securities and other money held by the Escrow Agent pursuant to this Agreement to pay the Refunded Bonds.

SECTION 22: Interpleader. In the event conflicting demands or notices are made upon the Escrow Agent growing out of or relating to this Agreement or the Escrow Agent in good faith is in doubt as to what action should be taken hereunder, the Escrow Agent shall have the right at its election to:

(i) Withhold and stop all further proceedings in, and performance of, this Agreement with respect to the issue in question and of all instructions received hereunder in regard to such issue; and

(ii) File a suit in interpleader and obtain an order from a court of appropriate jurisdiction in the State of Texas requiring all persons involved to interplead and litigate in such court their several claims and rights among themselves.

In the event the Escrow Agent becomes involved in litigation in connection with this Agreement, the Issuer, to the extent permitted by law, agrees to indemnify and save the Escrow Agent harmless from all loss, cost, damages, expenses and attorney fees suffered or incurred by the Escrow Agent, without negligence or willful misconduct on the part of the Escrow Agent, as a result thereof. The obligations of the Escrow Agent under this Agreement shall be performable at the corporate office of the Escrow Agent located in Minneapolis, Minnesota.

The Escrow Agent may advise with legal counsel in the event of any dispute or question regarding the construction of any of the provisions hereof or its duties hereunder, and in the absence of negligence or bad faith on the part of the Escrow Agent, no liability shall be incurred by the Escrow Agent for any action taken pursuant to this Section and the Escrow Agent shall be fully protected in acting in accordance with the opinion and instructions of legal counsel that is knowledgeable and has expertise in the field of law addressed in any such legal opinion or with respect to the instructions given.

SECTION 23: Accounting Annual Report. Promptly after August 31st of each year, commencing with the year 2023, while the Escrow Fund is maintained under this Agreement, the Bank shall forward to the Issuer, to the attention of the Treasurer, or other designated official of the Issuer, a statement in detail of the Escrowed Securities and monies held, and the current income and maturities thereof, and the withdrawals of money from the Escrow Fund for the preceding 12 month period ending August 31st of each year.

SECTION 24: Notices. Any notice, authorization, request or demand required or permitted to be given hereunder shall be in writing and shall be deemed to have been duly given when mailed by registered or certified mail, postage prepaid addressed as follows:

Any party hereto may change the address to which notices are to be delivered by giving to the other parties not less than ten (10) days prior notice thereof.

SECTION 25: Performance Date. Whenever under the terms of this Agreement the performance date of any provision hereof, including the date of maturity of interest on or principal of the Refunded Bonds, shall be a Sunday or a legal holiday or a day on which the Escrow Agent is authorized by law to close, then the performance thereof, including the payment of principal of and interest on the Refunded Bonds, need not be made on such date but may be performed or paid, as the case may be, on the next succeeding business day of the Escrow Agent

with the same force and effect as if made on the date of performance or payment and with respect to a payment, no interest shall accrue for the period after such date.

SECTION 26: Warranty of Parties Re: Power to Execute and Deliver Escrow Agreement. The Issuer covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Agreement, in any and every such Refunded Bond as executed, authenticated and delivered and in all proceedings pertaining thereto as such Refunded Bonds shall have been modified as provided in this Agreement. The Issuer covenants that it is duly authorized under the Constitution and laws of the State of Texas to execute and deliver this Agreement, that all actions on its part for the payment of such Refunded Bonds as provided herein and the execution and delivery of this Agreement have been duly and effectively taken and that such Refunded Bonds and coupons in the hands of the holders and owners thereof are and will be valid and enforceable obligations of the Issuer according to the import thereof as provided in this Agreement.

SECTION 27: Severability. If any one or more of the covenants or agreements provided in this Agreement on the part of the parties to be performed should be determined by a court of competent jurisdiction to be contrary to law, such covenant or agreement shall be deemed and construed to be severable from the remaining covenants and agreements herein contained and shall in no way affect the validity of the remaining provisions of this Agreement. In the event any covenant or agreement contained in this Agreement is declared to be severable from the other provisions of this Agreement, written notice of such event shall immediately be given to each national rating service (Moody's Investors Service, Inc. ["Moody's"], Standard & Poor's Ratings Services, a Standard & Poor's Financial Services LLC business ["S&P"] or Fitch Inc. ["Fitch"]) which has rated the Refunded Bonds on the basis of this Agreement.

SECTION 28: Termination. This Agreement shall terminate when the Refunded Bonds, including interest due thereon, have been paid and discharged in accordance with the provisions of this Agreement. If any Refunded Bonds are not presented for payment when due and payable, the nonpayment thereof shall not prevent the termination of this Agreement. Funds for the payment of any nonpresented Refunded Bonds and accrued interest thereon shall upon termination of this Agreement be held by the Escrow Agent for such purpose in accordance with Section 10 hereof. Any moneys or Escrowed Securities held in the Escrow Fund at termination and not needed for the payment of the principal of or interest on any of the Refunded Bonds shall be paid or transferred to the Issuer.

SECTION 29: Time of the Essence. Time shall be of the essence in the performance of obligations from time to time imposed upon the Escrow Agent by this Agreement.

SECTION 30: Successors/Assigns. (a) Should the Escrow Agent not be able to legally serve or perform the duties and obligations under this Agreement, or should the Escrow Agent be declared to be insolvent or closed for any reason by federal or state regulatory authorities or a court of competent jurisdiction, the Issuer, upon being notified or discovering the Escrow Agent's inability or disqualification to serve hereunder, shall forthwith appoint a successor to replace the Escrow Agent, and upon being notified of such appointment, the Escrow Agent shall (i) transfer all funds and securities held hereunder, together with all books, records and accounts relating to the Escrow Fund and the Refunded Bonds, to such successor and (ii) assign all rights, duties and obligations under this Agreement to such successor. If the Issuer should fail to appoint such a successor within ninety (90) days from the date the Issuer discovers, or is notified of, the event or circumstance causing the Escrow Agent's inability or disqualification to serve

hereunder, the Escrow Agent, or a bondholder of the Refunded Bonds, may apply, at the expense of the Issuer, to a court of competent jurisdiction to appoint a successor or assigns of the Escrow Agent and such court, upon determining the Escrow Agent is unable to continue to serve, shall appoint a successor to serve under this Agreement and the amount of compensation, if any, to be paid to such successor for the remainder of the term of this Agreement for services to be rendered both for administering the Escrow Fund and for paying agent duties and responsibilities for the Refunded Bonds.

(b) Furthermore, the Escrow Agent may resign and be discharged from performing its duties and responsibilities under this Agreement upon notifying the Issuer in writing of its intention to resign and requesting the Issuer to appoint a successor. No such resignation shall take effect until a successor has been appointed by the Issuer and such successor has accepted such appointment and agreed to perform all duties and obligations hereunder for a total compensation equal to the unearned proportional amount paid the Escrow Agent under Section 19 hereof for the administration of this Agreement and the unearned proportional amount of the paying agent fees for the Refunded Bonds due the Escrow Agent.

Any successor to the Escrow Agent shall be a commercial bank, trust company or other financial institution that is duly qualified under applicable law (the Act, or other appropriate statute) to serve as escrow agent hereunder and authorized and empowered to perform the duties and obligations contemplated by this Agreement and organized and doing business under the laws of the United States or the State of Texas, having its principal office and place of business in the State of Texas, having a combined capital and surplus of at least \$50,000,000 and be subject to the supervision or examination by Federal or State authority.

Any successor or assigns to the Escrow Agent shall execute, acknowledge and deliver to the Issuer and the Escrow Agent, or its successor or assigns, an instrument accepting such appointment hereunder, and the Escrow Agent shall execute and deliver an instrument transferring to such successor, subject to the terms of this Agreement, all the rights, powers and trusts created and established and to be performed under this Agreement. Upon the request of any such successor Escrow Agent, the Issuer shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor Escrow Agent all such rights, powers and duties. The term "Escrow Agent" as used herein shall be the Escrow Agent and its legal assigns and successor hereunder.

Any entity resulting from any acquisition, merger, or consolidation to which the Escrow Agent or any successor to it shall be a party, or any entity in any manner succeeding to all or substantially all of the corporate trust business of the Escrow Agent or any successor Escrow Agent, provided that such entity, if not an affiliate of the Escrow Agent, shall have capital and surplus aggregating at least \$50,000,000, shall be the successor Escrow Agent hereunder without the execution or filing of any paper or any further act on the part of any of the parties hereto.

SECTION 31: Escrow Agreement Amendment/Modification. This Agreement shall be binding upon the Issuer and the Escrow Agent and their respective successors and legal representatives and shall inure solely to the benefit of the holders of the Refunded Bonds, the Issuer, the Escrow Agent and their respective successors and legal representatives. Furthermore, no alteration, amendment or modification of any provision of this Agreement (1) shall alter the firm financial arrangements made for the payment of the Refunded Bonds or (2) shall be effective unless (i) prior written consent of such alteration, amendment or modification shall have been obtained from the holders of all Refunded Bonds outstanding at the time of such

alteration, amendment or modification and (ii) such alteration, amendment or modification is in writing and signed by the parties hereto; provided, however, the Issuer and the Escrow Agent may, without the consent of the holders of the Refunded Bonds, amend or modify the terms and provisions of this Agreement to cure in a manner not adverse to the holders of the Refunded Bonds any ambiguity, formal defect or omission in this Agreement. If the parties hereto agree to any amendment or modification to this Agreement, prior written notice of such amendment or proposed modification, together with the legal documents amending or modifying this Agreement, shall be furnished to each national rating service (S&P, Moody's or Fitch) which has rated the Refunded Bonds on the basis of this Agreement, prior to such amendment or modification being executed.

SECTION 32: No Boycott Israel. To the extent this Agreement constitutes a contract for goods or services for which a written verification is required under Section 2271.002, Texas Government Code, the Escrow Agent hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and will not boycott Israel during the term of this Agreement. The foregoing verification is made solely to enable the Issuer to comply with such Section and to the extent such Section does not contravene applicable Federal law. As used in the foregoing verification, "boycott Israel" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes. The Escrow Agent understands "affiliate" to mean an entity that controls, is controlled by, or is under common control with the Escrow Agent within the meaning of SEC Rule 405, 17 C.F.R. § 230.405§ 230.405 and exists to make a profit.

SECTION 33: Contracts With Companies Engaged in Business With Iran, Sudan or Foreign Terrorist Organizations Prohibited (S.B. 252 85th Texas Legislature). The Escrow Agent represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Texas Government Code, and posted on the following page of such officer's internet website: <https://comptroller.texas.gov/purchasing/publications/divestment.php>. The foregoing verification is made solely to enable the Issuer to comply with such Section and to the extent such Section does not contravene applicable Federal law and excludes the Escrow Agent and each of its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization. The Escrow Agent understands "affiliate" to mean any entity that controls, is controlled by, or is under common control with the Escrow Agent within the meaning of SEC Rule 405, 17 C.F.R. § 230.405§ 230.405 and exists to make a profit.

SECTION 34: No Discrimination Against Fossil-Fuel Companies. To the extent this Agreement constitutes a contract for goods or services for which a written verification is required under Section 2274.002 (as added by Senate Bill 13 in the 87th Texas Legislature, Regular Session), Texas Government Code, as amended, the Escrow Agent hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott energy companies and will not boycott energy companies during the term of this Agreement. The foregoing verification is made solely to enable the Issuer to comply with such

Section and to the extent such Section does not contravene applicable Federal or Texas law. As used in the foregoing verification, “boycott energy companies” shall mean, without an ordinary business purpose, refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with a company because the company (A) engages in the exploration, production, utilization, transportation, sale, or manufacturing of fossil fuel-based energy and does not commit or pledge to meet environmental standards beyond applicable federal and state law; or (B) does business with a company described by (A) above. The Escrow Agent understands “affiliate” to mean any entity that controls, is controlled by, or is under common control with the Escrow Agent within the meaning of SEC Rule 405, 17 C.F.R. § 230.405 and exists to make a profit.

SECTION 35: No Discrimination Against Firearm Entities and Firearm Trade Associations. To the extent this Agreement constitutes a contract for goods or services for which a written verification is required under Section 2274.002 (as added by Senate Bill 19 in the 87th Texas Legislature, Regular Session), Texas Government Code, as amended, the Escrow Agent hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate against a firearm entity or firearm trade association during the term of this Agreement. The foregoing verification is made solely to enable the Issuer to comply with such Section and to the extent such Section does not contravene applicable Federal or Texas law.

As used in the foregoing verification and the following definitions,

(a) “discriminate against a firearm entity or firearm trade association” (A) means, with respect to the firearm entity or firearm trade association, to (i) refuse to engage in the trade of any goods or services with the firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association, (ii) refrain from continuing an existing business relationship with the firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association, or (iii) terminate an existing business relationship with the firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association and (B) does not include (i) the established policies of a merchant, retail seller, or platform that restrict or prohibit the listing or selling of ammunition, firearms, or firearm accessories and (ii) a company’s refusal to engage in the trade of any goods or services, decision to refrain from continuing an existing business relationship, or decision to terminate an existing business relationship (aa) to comply with federal, state, or local law, policy, or regulations or a directive by a regulatory agency or (bb) for any traditional business reason that is specific to the customer or potential customer and not based solely on an entity’s or association’s status as a firearm entity or firearm trade association,

(b) “firearm entity” means a manufacturer, distributor, wholesaler, supplier, or retailer of firearms (i.e. weapons that expel projectiles by the action of explosive or expanding gases), firearm accessories (i.e. devices specifically designed or adapted to enable an individual to wear, carry, store, or mount a firearm on the individual or on a conveyance and items used in conjunction with or mounted on a firearm that are not essential to the basic function of the firearm, including detachable firearm magazines), or ammunition (i.e. a loaded cartridge case, primer, bullet, or propellant powder with or without a projectile) or a sport shooting range (i.e. a business establishment, private club, or association that operates an area for the discharge or other use of firearms for silhouette, skeet, trap, black powder, target, self-defense, or similar recreational shooting),

(iii) “Computation Date” has the meaning set forth in Section 1.148-1(b) of the Regulations.

(v) “Investment” has the meaning set forth in Section 1.148-1(b) of the Regulations.

(vi) “Nonpurpose Investment” means any investment property, as defined in Section 148(b) of the Code, in which Gross Proceeds of the Series 2023 Bonds are invested and which is not acquired to carry out the governmental purposes of the Series 2023 Bonds.

(viii) “Regulations” means any proposed, temporary, or final Income Tax Regulations issued pursuant to Sections 103 and 141 through 150 of the Code of the Code, which are applicable to the Series 2023 Bonds. (ix) “Yield” of (1) any Investment has the meaning set forth in Section 1.148-5 of the Regulations and (2) the Series 2023 Bonds has the meaning set forth in Section 1.148-4 of the Regulations.

(e) Covenants of the Corporation and the City.

(i) Not to Cause Interest to Become Taxable. Neither the City nor the Corporation shall use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Series 2023 Bond to become includable in the gross income, as defined in Section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the Corporation and the City receive a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Series 2023 Bond, the Corporation and the City shall comply with each of the specific covenants in this Section.

(ii) Limited Private Use and Private Payments. The Series 2023 Bonds are being issued to restructure the Series 2013A Bonds indebtedness and, in connection therewith, the City and the Corporation while the Series 2023 Bonds are outstanding and unpaid, covenant and agree that, except as permitted by Section 141 of the Code and the Regulations and rulings thereunder, the Project shall, at all times prior to the last stated maturity of the Series 2023 Bonds be exclusively owned, operated and maintained by the City and/or the Corporation, and neither the City nor the Corporation will use or permit the use of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity other than a state or local government, unless such use is solely as a member of the general public. Furthermore, except as permitted by Section 141 of the Code and the Regulations and rulings thereunder, neither the City nor the Corporation will impose or accept any charge or other payment for use of Gross Proceeds of the Series 2023 Bonds or for any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds, other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(iii) No Private Loan. Except to the extent permitted by Section 141 of the Code and the Regulations and rulings thereunder, neither the City nor the Corporation shall use Gross Proceeds of the Series 2023 Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be “loaned” to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(iv) Not to Invest at Higher Yield. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, neither the City nor the Corporation shall at any time prior to the final stated maturity of the Series 2023 Bonds directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested), if as a result of such investment the Yield from the Closing Date of all Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of the Series 2023 Bonds.

(v) Not Federally Guaranteed. Except to the extent permitted by Section 149(b) of the Code and the Regulations and rulings thereunder, neither the City nor the Corporation shall take or omit to take any action which would cause the Series 2023 Bonds to be federally guaranteed within the meaning of Section 149(b) of the Code and the Regulations and rulings thereunder.

(vi) Information Report. The Corporation shall timely file the information required by Section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary of the Treasury may prescribe.

(vii) Rebate of Arbitrage Profits. Except to the extent otherwise provided in Section 148(f) of the Code and the Regulations and rulings thereunder:

1. The Corporation and the City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last outstanding Series 2023 Bond is discharged. However, to the extent permitted by law, the Corporation and/or the City may commingle Gross Proceeds of the Series 2023 Bonds with other money of the Corporation and/or the City, provided that the Corporation and the City separately account for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

2. Not less frequently than each Computation Date, the Corporation and the City shall calculate the Rebate Amount in accordance with rules set forth in Section 148(f) of the Code and the Regulations and rulings thereunder. The Corporation and the City shall maintain such calculations with the official transcript of proceedings relating to the issuance of the Series 2023 Bonds until six years after the final Computation Date.

3. As additional consideration for the purchase of the Series 2023 Bonds by the Purchasers and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the Corporation and the City shall pay to the United States out of the Rebate Account or their respective general funds, as permitted by

applicable Texas statute, regulation or opinion of the Attorney General of the State, the amount that when added to the future value of previous rebate payments made for the Series 2023 Bonds equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

4. The Corporation and the City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (2) and (3), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(viii) Not to Divert Arbitrage Profits. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, neither the City nor the Corporation shall, at any time prior to the earlier of the stated maturity or final payment of the Series 2023 Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (vii) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Series 2023 Bonds not been relevant to either party.

(ix) Elections. The Corporation hereby directs and authorizes the Chair, Vice Chair, Treasurer and Secretary of the Board and Executive Director of the Corporation, individually or jointly, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Series 2023 Bonds, in the Certificate as to Tax Exemption or similar or other appropriate certificate, form or document. The City hereby directs and authorizes the Mayor, the City Manager and the Chief Financial Officer of the City, individually or jointly, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Series 2023 Bonds, in the Certificate as to Tax Exemption or similar or other appropriate certificate, form or document.

(f) Current Refunding. The Series 2023 Bonds are a current refunding of the Refunded Bonds in that the Refunded Bonds will be paid or redeemed within 90 days of the date of the delivery of the Series 2023 Bonds.

Section 1.02. The following definitions are hereby added to Exhibit A to the Agreement:

Series 2023 Bond Resolution – The resolution adopted by the Board of the Corporation on April 11, 2023, authorizing the issuance of the Series 2023 Bonds and approving the Financing Documents and other related matters.
