ARTICLES OF AGREEMENT
Between
CITY OF EL PASO, TEXAS
and
EL PASO MUNICIPAL POLICE OFFICERS' ASSOCIATION

PREAMBLE

THIS AGREEMENT, entered into this ____ day of March 2023, is between the CITY OF EL PASO, TEXAS, hereinafter called the "City", and the EL PASO MUNICIPAL POLICE OFFICERS ASSOCIATION, hereinafter called the "EPMPOA" or "Association." This Agreement is made pursuant to the authority of Chapter 174 of the Texas Local Government Code.

The purpose of this Agreement is to promote harmonious relations between the City and the employees covered hereby and to fix the rates of pay, hours of work, and the terms and conditions of employment for these employees.

ARTICLE 1 – RECOGNITION AND ANTI-DISCRIMINATION

Section 1. The City has recognized the Association as the exclusive bargaining agent for a unit consisting of all sworn certified full-time paid employees who regularly serve in a professional law enforcement capacity within the City's Police Department, except the Police Chief. Bargaining Unit employees will be referred to in this Agreement as "Officers" or "employee."

Section 2. The employer shall not discriminate against any employee because of his or her membership or non-membership in the Association; because of any assertion of his or her rights as a member of the Association, either individually or by a third party on that employee's behalf; or because of such employee's race, color, religion, national origin, sex, sexual orientation, age, disability, pregnancy, or genetic information.

ARTICLE 2 - CITY'S RETAINED PREROGATIVES

Section 1. Except to the extent expressly abridged by Chapter 174, Local Government Code, or by a specific provision of this Agreement, the City reserves and retains, solely and exclusively, all of its inherent and/or statutory rights to operate the City government, as such rights existed prior to the enactment of Chapter 174, Local Government Code.

Section 2. Except to the extent expressly abridged by a specific provision of this Agreement, the direction of the City's working forces, both within and without the bargaining unit, including, by way of illustration only and not of enumeration, the right to plan, direct, expand, control, initiate, reduce, transfer or terminate specific operations, duties or functions, to hire, assign, transfer and promote employees or refrain from any of the foregoing, to discharge, suspend, demote, reprimand or otherwise discipline employees pursuant to the City Charter and the Civil Service Rules in effect upon execution of this agreement, to introduce any new or improved methods or facilities, to subcontract, and to make such rules and regulations as may be necessary or desirable for the operation of the City, continue to be vested exclusively in the City.

Section 3. All promotions to positions in P6 and above shall be exempt from competitive examinations and shall be made instead by appointment by the Police Chief. Only persons then employed by the City's Police Department shall be eligible for such appointment. Employees working in P6 and above shall serve at the pleasure of the Police Chief and may be demoted from said position at the Chief's discretion. Persons currently in the rank of Police Commander as of the adoption of this contract shall not be considered to be appointed as described in this section and may only be removed in accordance with applicable provisions in this contract.

If any such employee is demoted by the Chief, the Officer shall normally be returned to the class grade from which the Officer was appointed and the Officer's salary shall be in accordance with said competitive classification with service time credited as continuous time in that competitive classification and with all salary increases to which the Officer would have been automatically entitled had he continuously remained in said competitive classification. If the Police Chief demotes an Officer to a class grade lower than that from which the Officer was appointed, the Officer retains all rights to appeal said demotion to the Civil Service Commission and the Commission may, pursuant to the Charter and its Rules and Regulations, restore the employee to the class grade from which the employee was appointed, but no higher; except as provided in this sentence, the Commission shall have no jurisdiction, power or authority to investigate or review or to alter the terms of any demotion made pursuant to this Section. For the duration of this Agreement, the necessary amount of staff to manage the department's needs (exclusive of the Police Chief) shall be subject to the terms of this Section.

Section 4. An Officer shall be deemed to be a probationary employee for the first twelve months after the Officer has successfully completed the Basic Training Academy work, or six months after the Officer has completed the Lateral Training Academy work. The Chief may extend the ending date of the probationary employee's probationary period: (1) to ensure that the probationary employee serves a full twelve months (or six months in the case of a Lateral Training Academy Officer) as a police officer in full duty status; or (2) if necessary to determine if retention of the probationary employee is in the best interest of the Department; or (3) if an investigation is pending into the probationary employee's conduct at the time the probation would otherwise end. In the case of (2) and (3) herein, the probationary period can be extended for no longer than 180

days. The Chief shall notify the Association in writing of the reason for extending the probationary period of an Officer. A probationary Officer may be discharged at any time at the discretion of the Chief, without appeal to the Commission. However, before so doing, the Chief will meet with the probationary Officer, provide reasons for proposed discharge, and give the Officer an opportunity to provide reasons why the discharge is not warranted. Upon request, the probationary Officer is entitled to Association representation at the pre-discharge meeting.

Section 5. In the event that an Officer is serving a probationary period in a position and is promoted to a higher position, the probationary period at the lower position shall be deemed to have been completed.

Section 6. The Association recognizes the City's right to assign or reassign Officers for any reason which will promote the good of the service and efficiency of the department. The City in turn recognizes that the administrative assignment or reassignment shall not be utilized, in whole or in part, for disciplining an Officer.

ARTICLE 3 - NO STRIKE, NO LOCK-OUT

Section 1. The City agrees that it will not lock out the Officers covered by this Agreement, or any non-bargaining unit employees essential to the safety of the Officers or the performance of the Officers' duties.

Section 2. The Association agrees that neither it nor any of the Officers covered by this Agreement will permit, sanction, call, acquiesce or engage in any strike; sit-down; slow-down; speed-up; sick-out; sympathy strike; picketing for the purpose of inducing, influencing or coercing any of the foregoing; or any other work stoppage or interference with the operation of the City for any reason.

Section 3. It is expressly understood and agreed that the refusal or concerted failure by any Officer and Officers covered by this Agreement to cross or work behind the picket line of any association, union or other organization shall constitute a violation of this Agreement. It is likewise understood and agreed that the refusal or failure of any Officers covered by this Agreement faithfully and impartially to enforce the laws of the State of Texas and the ordinances of the City of El Paso at the site of or in connection with any labor dispute shall constitute a violation of this Agreement.

Section 4. Any Officer covered by this Agreement who participates in any action prohibited by this Article may be discharged, suspended, demoted and/or otherwise disciplined, at the option of the City. This Section shall be cumulative of any other rights the City may have by statute, at common-law or in equity against the Association and/or the employees covered by this Agreement.

Section 5. The City “shall not” furlough Officers, or any non-bargaining unit employees essential to the safety of the Officers or the performance of the Officers’ duties, during the term of this Agreement.

ARTICLE 4 – WAGES

Section 1. Base Pay and Steps

a. Wages shall be paid in accordance with the Wage Scales attached hereto as Appendices A-1 through A-4, which are effective as of the first pay period after the following dates:

Appendix A-1: September 1, 2023

Appendix A-2: September 1, 2024

Appendix A-3: September 1, 2025

Appendix A-4: September 1, 2026

b. Base pay increases for each classification shall become effective the first full pay period on or after September 1 of each year thereafter. All employees below the level of executive assistant chief shall receive a step increase on their anniversary date and shall continue thereafter to receive step increases on each succeeding anniversary date until reaching the top step in their classification. These step increases shall be automatic.

c. Thereafter and upon their anniversary dates and successful completion of probation, all officers shall advance to the next higher level in their Class Grade. Officers will become eligible for the step increase in their new Class Grade on the first anniversary date following their advancement to the next higher level in their Class Grade.

d. Any employee at the top step in their Class Grade, upon receiving a promotion to a higher Class Grade and entering that Class Grade at a step other than the top step, shall receive a step increase on his anniversary date, and an additional step increase on each succeeding anniversary date, until such time as the employee reaches the top step in the new Class Grade.

e. Officers hired under the Lateral Training Program after calendar year 2021 may use experience in patrol duty (calls for service/street duty) while employed full time by a state, county, municipal, college or school police department, sheriff’s department, or county constables as qualifying experience towards years of service credit for step increases. Experience as a deputy, detention officer, jailer or officer employed at a correctional facility, District Attorney’s office, or as a Federal or Military Police Officer is not considered qualifying experience towards years of service credit for step increases.

Officers hired under the Lateral Training Program will be given credit for experience as referenced above, but shall not receive credit for more than ten years’ credit

for experience. Officers will be placed into existing pay scales commensurate to their experience, to the best ability possible.

Longevity Pay for officers hired under the Lateral Training program after calendar year 2021 shall mirror that of officers hired from the Basic Training Academy with the exception that “years of service” shall mean years of service with the El Paso Police Department.

It is the intent of the Lateral Training Program for officers hired after calendar year 2021 to compensate officers for qualifying years of experience outside of the El Paso Police Department. Should a dispute arise regarding qualifying experience of an officer hired under the Lateral Training Program for officers hired after calendar year 2021, the dispute will be reviewed by a committee consisting of a representative from the Association, City Human Resources other than an employee of Police Human Resources, and an Assistant Chief. Decisions made by this committee will be based on majority vote, shall be final, and are not subject to the appeal or grievance process.

f. The salary of a person covered by this Agreement will not be reduced upon promotion to another position, the minimum salary for which is less than that received at the time of promotion. In such case, advancement will be equal to a step increase in pay.

g. Officers who are promoted to sergeant and above will be given the entry pay for the rank to which they are promoted or the next higher level which will assure an increase of at least 5% in pay; provided that, if rounding an Officer's hourly rate to the nearest full cent per hour results in an increase that is slightly less than 5%, such rounding shall constitute compliance with this paragraph.

h. Any Officer of the rank of deputy chief or above who shall be a part of the bargaining unit as defined in Article 1 of this Agreement and who has not advanced in level pursuant to the procedures in City Ordinance 8064, shall nevertheless always receive the same percentage increase, if any, negotiated as a cost of living increase in the levels for his or her Class Grade.

Section 2. Class Grades.

a. Class titles and grades for Officers are as follows:

<u>CODE</u>	<u>CLASS TITLE</u>	<u>GRADE</u>
7542	Police Officer	P1

b. Promotion to sergeant will be pursuant to Examination under Civil Service Rules.

c. Promotions within the lieutenant and commander Class Grades will be pursuant to the Civil Service Rules.

Section 3. Detective Pay.

a. Placement to detective is a promotion, handled as all other promotions within the department.

b. Any officers who graduated with or after the 125th academy class must complete four (4) years of service as a police officer with the City of El Paso to take the examination for promotion to detective. Officers hired under the Lateral Training Academy after calendar year 2021 will also need to complete a minimum of four (4) years as an El Paso Police Department officer in order to take the examination for promotion to detective.

c. Any placement of officers, excluding probationary officers, from detective to police officer shall be with cause. Such transfer shall constitute a demotion and shall be considered discipline from which that Officer shall have the right of appeal as under any other disciplinary action.

d. Placement to detective will be based on Examination pursuant to Civil Service Rules.

e. Detective will be paid according to Appendices A-1 through A-8 hereto, and will receive additional pay as follows, effective September 1, 2024:

1. Years 4-8 of Service on the Department. Detectives shall receive additional pay of \$30 per month of premium pay in addition to their base pay.
2. Years 9-14 of Service on the Department. Detectives shall receive additional pay of \$90 per month of premium pay in addition to their base pay.
3. Years 15+ of Service on the Department. Detectives shall receive additional pay of \$120 per month of premium pay in addition to their base pay.

Section 4. Shift Differential Pay.

Officers, regardless of rank, who work between the hours of 1800 hours to 0600 hours Monday through Thursday, and 1500 hours Friday to 0600 hours Monday, shall receive premium pay of 6%. If the shifts are overlapping with the listed times, premium

shift differential pay will only be awarded for those actual hours worked during the listed times. The Shift Differential Pay shall include any Collateral Duty, Overtime, Callouts, mandatory staffing for special events requiring city-issued permits, and Mandatory Operations designated by the Department or the City.

Section 5. Field Training Officer Pay.

Officers and Supervisors who are trained and certified as Field Training Officers or assigned as Field Training Officer Program Administrators shall receive 7% for officers and 3% for supervisors added to their regular class grade and level pay during the period they serve and are assigned probationary officers or acting as program administrators, to include overtime pay. Upon completion of their duties, they shall revert to their regular grade and level pay.

Starting January 1, 2026, the above referenced amounts will change to 8% for officers and 4% for supervisors.

Section 6. Temporary Duty Pay.

An Officer who is required to perform the duties of a higher class title is entitled to be paid the salary prescribed for lowest level of that class title that results in a pay raise during the time the Officer performs those duties. This requires pre-authorization from the Executive Staff. Officer in charge designation will only be authorized to the supervisor rank one step above the current rank (e.g., police officer/detective to sergeant, sergeant to lieutenant, etc.).

Any Officer whose employment is terminated by death, resignation, or retirement while acting in a temporary appointment shall nevertheless be paid the Officer's accumulated sick leave and vacation at the permanent rate.

Section 7. Hazard Pay.

Officers assigned to Headquarters Traffic who are assigned and operate a motorcycle shall receive \$125.00 bi-weekly as Motorcycle hazard pay to their regular pay. If an officer is placed in a work status that does not require the officer to operate a motorcycle due to either: (1) the officer sustaining an off-duty injury or illness that does not permit the officer to operate a motorcycle for a period greater than 30 days; or (2) the officer seeks and obtains a temporary reassignment to a position not involving the performance of the operation of a motorcycle; then motorcycle hazard pay will cease until and unless the officer is returned to a status which requires the operation of a motorcycle.

Effective January 1, 2025, Motorcycle Hazard Pay shall be \$150.00 bi-weekly.

Section 8. Special Operations Group Pay.

All qualified Officers, regardless of rank, assigned to the Special Operations Group ("SOG") shall receive \$50.00 per month pay during each month of active assignment to a SOG Unit. SOG designation refers to S.W.A.T., CMT, Bomb Squad, COMSAR, Dignitary Protection, and all Canine Unit officers.

In addition to the listed units, SOG Designation Duty Pay shall include designated Tactical Vehicle Operators trained and certified to operate SOG Tactical Vehicles (BEARCAT, BATT, Equipment Vehicles, and Command Post drivers) during emergency operations. SOG Vehicle Operators must be designated by the SOG Commander to receive SOG Duty Pay.

Section 9. Paychecks.

The City shall itemize Officers' paychecks to reflect payment of wages, overtime, incentive pay, compensatory time, clothing allowance and longevity.

ARTICLE 5 - HOURS OF WORK

Section 1.

a. Officers are normally scheduled to work 40 hours per week in either five eight-hour shifts or four ten-hour shifts. Employees are guaranteed a minimum of 40 hours of work in each work week. A meal break and rest breaks may be taken in compliance with the Rules and Regulations of the Department. This Agreement shall not be construed to impose a maximum number of hours that an employee may work.

b. The Chief will provide 30-days' notice to any departmental unit prior to changing a departmental unit to or from a four-10 hour shift work week. All officers shall have a minimum of two consecutive days off. For purposes of this provision, days off on Saturday-Sunday are considered consecutive days off. However, at the request of the Officer and subject to the discretion and approval of the Department, the Officer may be granted split days off. The officer shall make a request for split days off in writing per Departmental procedure.

Section 2.

a. All hours paid in excess of 40 hours in a work week shall be paid at the rate of time and one-half of the Officer's "regular rate" of pay as that term is defined in the FLSA, except as provided herein and in Article 11. An after hour telephone contact or discussion or an email communication shall be compensable in fifteen-minute increments however, the first fifteen minutes of such contacts shall be non-compensable unless such contacts in the aggregate exceed fifteen minutes, at which point, the entire time period will compensated for each incident up until the incident has been resolved by both parties.

b. In no event shall an officer be paid in excess of two-and-one-half times the employee's regular straight-time. Only "Sick Leave & Sick Leave Dependent (SLP or SLD)" or Leave Without Pay & Absent Without Approval (LWO and AWO)" shall be counted as non-productive time for the purposes of accruing overtime.

Section 3.

a. Officers shall have the option of requesting compensatory time in lieu of overtime. Officers may accrue a maximum of 250-hours of compensatory time. The Officers shall be allowed to use the accrued compensatory time under the same policies that exist for the use of vacation days. Officers may request compensatory time off in increments of one (1) hour or more. Every reasonable effort shall be made to allow officers to take their compensatory time.

b. The City and the Association agree to work collaboratively to determine when officers can request compensatory time in lieu of overtime. The parties agree to develop potential solutions for the next Collective Bargaining agreement no later than February 1, 2027.

Section 4.

a. The City shall not alter an Officer's regular schedule for the purpose of avoiding or reducing the payment of overtime except in the case of City-approved travel or training, and except as provided below. Officers must request proposed days off changes to the Department per departmental procedure. If an operational need arises that requires an officer to work on his or her scheduled days off, the City shall not change the officer's days off. Also in such event, the City shall not ask the officer to change his or her days off. The City is expressly prohibited from engaging in any conduct that could be construed as coercing an officer to change his or her days off. By way of example only, such acts can include, but are not limited to: requesting a change in schedule; negotiating or bargaining a change in schedule; mentioning or suggesting a change in shift or previously-established work hours; mentioning or suggesting a change in job duties; mentioning or suggesting a change in duty assignment; mentioning or suggesting an effect upon performance reviews or appraisals; mentioning or suggesting discipline; mentioning or suggesting the loss of future opportunities with the employer; and mentioning or suggesting loss of or damage to the employee's reputation.

b. The employer may change the days off for employees assigned to the Metro Unit, PAR, TAC or Gangs for the purposes of meeting the operational needs of those departmental units or to address crime trends. In such event, the employee will not expect such change in schedule to result in overtime hours. This paragraph does not apply in the case of a special event, emergency or other operational need that involves the mobilization of employees from departmental units other than the Metro Unit, PAR, TAC or Gangs. In such event, paragraph a. above shall apply to all employees, including employees assigned to the Metro Unit, PAR, TAC and Gangs.

Section 5.

a. If an Officer is scheduled to work on a holiday but the department determines that the Officer is non-essential, then providing the Officer with the holiday off is not a violation of this provision. The City shall not make a determination regarding the status of an Officer as being essential or non-essential for the purpose of avoiding or reducing the payment of overtime or compensatory time in accordance with this Section and Article 11 (Holidays).

b. For purposes of this Article, "essential" personnel normally include Officers in Patrol, Traffic, CSU, Fusion-Real Time Crime Watch Center, and Records. However, the Police Chief retains discretion to release or call additional personnel to work due to operational needs or situations involving critical incidents. In so doing, the Chief will provide Officers with the maximum advance notice consistent with meeting operational needs.

Section 6.

a. If an Officer is called back to duty or subpoenaed to give testimony in court about events arising out of City employment, while the employee is on vacation or on a holiday, the Officer shall be paid for the vacation or holiday hours and shall also be paid for the hours actually worked or which the employee spends in court until the employee is released. In any such case, the Officer shall be deemed to have worked a minimum of three hours if the Department calls back the Officer to duty. If an Officer on sick leave or funeral leave is called back to work or subpoenaed under similar circumstances, the Officer shall be deemed to be at work (with a minimum of three hours work) and the time so spent shall not be charged to the Officer's accumulated sick leave.

b. A telephone contact or discussion shall be compensable in fifteen minute increments; provided that, if the contact or discussion is necessitated by the employee's negligence, the first fifteen minutes of such contact shall be non-compensable.

Section 7.

a. If an Officer is called back to duty or subpoenaed to give testimony in court, whether in criminal or civil actions, about events arising out of City employment, when the Officer would otherwise be off duty, the Officer shall be deemed to have worked a minimum of three hours; even if call back is canceled. The call-back time provided for in this and the preceding Section shall be inapplicable where the additional working time is immediately prior to or following any other time worked by that employee.

b. The call-back time provided for in this and the preceding Section shall be inapplicable where the additional working time is within 2 hours immediately prior to or

following any other time worked by that employee, including other events that would otherwise qualify as call back.

Section 8. The provisions of Sections 6 and 7 of this Article regarding payment for time which an employee spends in court shall be inapplicable where the employee is a party to the proceeding, except proceedings arising out of City employment, or where the employee is to be compensated for such time by any other person, as where the employee is being subpoenaed to testify as an expert witness.

Section 9. Officers subpoenaed by a charged officer to testify before an arbitrator or a hearing examiner about operative facts and job ability shall be paid at the Court time rate set forth in Section 4. Two Officers only subpoenaed by a charged officer to testify before an arbitrator or a hearing examiner about the officer's character shall be paid at the court time rate. If the hearing is when the charged officer is not regularly scheduled to work, the time shall be unpaid. If the hearing is scheduled to be held when the officer is on-duty, the City has the option of paying the officer or re-scheduling the hearing to a date the officer is on their regularly scheduled days off.

Section 10.

a. The City shall provide each Officer with a minimum of 32 hours paid in-service training and 8 hours of firearms training during the contract year. The Chief retains the right to assign any Officer to any in-service training program. If an Officer is scheduled to attend in-service or firearms training during the contract, attendance is mandatory.

b. Notwithstanding any other provisions of this Agreement, the following may apply when the department contracts with a person or firm outside of the El Paso Police Department to provide in-service training: When an employee (including an employee who is normally scheduled to work eight hours, with a one-half hour paid lunch period) is assigned to spend eight hours of in-service training, he shall be given and shall take a one-hour unpaid lunch break.

Section 11. The City reserves the right to place Officers on standby status at their residence at the overtime rate. In such a case, the Officer shall be deemed to be working for only the actual hours that he is on stand-by. At the discretion of the authorized individual who places the Officer on stand-by status, the employee may be instructed to remain at his residence during the time he is being paid to stand by. If the authorized individual who places the Officer on stand-by status gives the employee permission to leave his residence while on stand-by, the authorized individual may condition such permission on the Officer's taking with him any appropriate uniform and/or dress clothes while he leaves home.

Section 12. Where scheduling and manpower contingencies permit, the City will arrange an Officer's work schedule so as to permit the employee to attend college.

Section 13. For the purposes of this Article, Commanders, Deputy Chiefs, Assistant Chiefs, and Executive Assistant Chiefs shall be considered exempt employees and shall not be eligible for overtime under this agreement.

Section 14. K-9 Officers will utilize, and be compensated for, one hour of their regularly scheduled shift as “kennel care” for the canine(s). K-9 Officers shall be compensated one (1) hour of overtime pay for “kennel care” for the canine(s) on their regularly scheduled day off.

Section 15. Officers responding to police emergencies outside of the City limits shall be compensated in accordance with all provisions of this contract from the departure time (El Paso) to the arrival time of the destination provided that the Officer is required to be in approved uniform attire and required to carry their duty weapon. While at the assignment site, Officers shall be compensated in accordance with all provisions of this contract.

Furthermore, any failure of the employee to cooperate with the City's attorney or otherwise violate provisions of this Section shall be grounds for denial of legal representation or termination of such obligation.

Employees who are not taking FMLA leave nor been granted a leave of absence are not permitted to receive shared leave under this policy.

Shared Sick Leave is a benefit available to covered employees within the parameters of this program and any Shared Leave granted is not considered earned sick leave for which a covered employee may be compensated for cash upon the employee’s death, resignation, termination or retirement pursuant to Article 15, Section 8. Covered employees having less than 120 hours of sick leave in their account will be denied the opportunity to contribute sick leave at that time, but may resubmit a request to contribute after their accrued sick leave balance is increased to the level where the covered employee would have at least 120 hours of sick leave left after making their contribution.

However, each individual will be allowed to attend only one session. The time(s) will be announced prior to or at the time of the written examination.

(b) An individual may seek and make notes about the individual's marked answer sheet with the number of correct and incorrect responses for the initial 15 minutes of the two-hour period.

Any individual attending such session may write down the number(s) of the test questions protested or missed and remove such written notations from the test room. No other notes or papers shall be carried out by any individual attending such a session.

(c) Protested questions will be reviewed by a committee consisting of Police Association and Department representatives and Human Resources staff. Decisions made by this committee will be final.

The City shall establish and announce a minimum passing score on all written examinations prior to such examinations.

Experience as a deputy, detention officer, jailer or officer employed at a correctional facility, District Attorney's office, or as a Federal or Military Police Officer is not considered qualifying experience towards promotional opportunities.

Officers hired under the Lateral Training Academy after calendar year 2021 will need to complete a minimum of four (4) years as an El Paso Police Department officer in order to take the examination for promotion to detective and sergeant.

Should a dispute arise regarding qualifying promotional experience of an officer hired under the Lateral Training Program after calendar year 2021, the experience will be reviewed by a committee consisting of a representative from the Association, City Human Resources other than an employee of Police Human Resources, and an Assistant Chief. Decisions made by this committee will be based on majority vote, shall be final, and are not subject to the appeal or grievance process. The employee will have ten (10) business days to file a protest upon notice of ineligibility to take a promotional examination. The committee will have ten (10) business days to issue its decision.

When an employee is reinstated to duty pursuant to Section 6.10-7 of the City Charter in the same classification after separation from the City due to resignation and subsequent reinstatement, such employee may, upon recommendation of the Chief, be reinstated to the same step or level received at the time of resignation. Before proceeding to the next grade and step, the Officer must complete the amount of time required to complete the grade and step the Officer occupied prior to the separation from the City.

Where a break in service occurs, by reason of resignation:

1. longevity credits accrued prior to the break in service shall be counted for the purpose of Section 3.6B of City Ordinance No. 8064.
2. credit for Leave Benefits (Vacation, Sick Leave) accrued prior to the break in service shall be included to calculate the accrual date and corresponding rate. The accrual date will be adjusted to reflect the time the Officer was separated from the City to ensure the Officer will not get service credit for the time the Officer was not employed by the City.
3. Where a break of service occurs by reason of resignation, the employee's seniority time will be deducted by the length of time the employee was separated from the El Paso Police Department. The use of seniority time examples include calculating seniority points on promotional exams, seniority for shift bids.

ARTICLE 21 - GRIEVANCE PROCEDURE

Section 1. Disciplinary Appeals

A. When disciplinary action in the nature of a five (5) day suspension or greater, a reduction, or discharge is being contemplated by the Department Head, the employee must be served with a notice of proposed disciplinary action which shall conform with the notice requirements set forth in Section 2 and Section 3(b) of Rule 8, El Paso Civil Service Rules and Regulations, as constituted on the effective date of this Agreement. In addition to the notice of proposed disciplinary action, the employee shall be furnished with the written materials and tangible things in the possession of the Department Head that form the factual and evidentiary basis for the proposed disciplinary action. No matter may be withheld from the employee that is inconsistent with the theory of discipline or that could tend to mitigate the contemplated sanction. The foregoing shall include, but not necessarily be limited to, the entire Internal Affairs investigative file and any documents and recordings from the discipline review board/shooting review board.

B. Appeals of suspensions, demotions, and terminations shall be heard by a hearing examiner selected on a rotating basis from the hearing examiner panel. In the case of a demotion, a termination, or a suspension of more than 40-hours, the employee may elect to have the disciplinary appeal heard by an arbitrator selected in accordance with the procedures set forth in Section 3. An employee's election of arbitration automatically waives that Employee's right to proceed before a hearing examiner; and an employee's election to proceed before a hearing examiner automatically waives that employee's right to arbitration. The decision of the Hearing Examiner or the Arbitrator shall be final and binding upon the employee(s) involved, the City and the Association, subject to any rights of appeal to a court of law. During the hearing of an appeal or an arbitration, the parties shall have the right to have a representative and an advocate of their choosing present. The employee or representative may elect to make these proceeding confidential and may invoke the Rule regarding the presence of other witnesses during the hearing.

C. The hearing examiner panel shall have not less than five (5) qualified members appointed by the City and Association by mutual agreement. The members on the panel shall serve a one-year term, which will automatically renew on the anniversary of their appointment, subject to the procedures set forth herein. Either party may remove a member of the panel by providing written notice to the other party within thirty (30) days' advance notice, along with the name of at least one (1) proposed replacement panel member. The City and the Association may, at any time, remove and/or add members by mutual agreement. If there is a vacancy, such as by resignation, death, unilateral removal or agreed-upon removal, the City and the Association shall act promptly to select enough new members to ensure that the panel contains not less than five (5) active members. The Civil Service Commission shall create a list of the hearing examiners, placed in random order, and shall designate a hearing examiner for each appeal on a rotating basis, subject to the hearing examiner's availability.

D. If an officer is separated or indefinitely suspended from the department due to a fitness-for-duty determination, that officer shall have 60 days to submit a report from his or her personal physician, psychiatrist, or psychologist, as appropriate. The report shall be submitted to the office of the Chief of Police and shall be kept confidential. If that report indicates that the officer is fit for duty or otherwise controverts the city's fitness-for-duty determination, then submission of the report shall constitute an appeal from the employee's separation or indefinite suspension. After submission of the report, the appeal procedure will proceed under the provisions of this Article for disciplinary appeals. The officer shall pay the cost of the services of the his or her personal physician, psychiatrist, or psychologist, as appropriate, including any fees charged for expert testimony or writing the report. Neither the Association nor CLEAT shall be responsible for paying such costs. The City shall pay its own costs and shall not be responsible for paying the officer's costs.

Disputes involving the application, interpretation or enforcement of this Agreement, but not involving the suspension, demotion or termination of an employee, shall be resolved in the following manner:

A. Individual Grievances.

1. If the grievance is initiated by an individual employee, rather than the Association, the aggrieved employee shall, within 14-calendar days after the actual or constructive knowledge of the acts or omissions giving rise to the grievance: (a) discuss the grievance with his or her chain of command and attempt to resolve the matter; and (b) present the grievance to the Association's grievance committee. The employee may present the grievance verbally or in writing. The employee must address the grievance to his or her immediate supervisor, if possible, but may present the grievance to any level within the chain of command, as appropriate.

2. The Grievance Committee shall have full authority to determine whether to proceed further with any employee's grievance. If the Committee decides to proceed with the grievance, it shall reduce the grievance to final written form and present the written grievance to the Chief of Police, the City Attorney and the City Manager within 14-calendar days following the Grievance Committee's receipt of the grievance from the employee. The grievance presented by the Grievance Committee must generally describe the alleged acts or omissions, and indicate the specific Articles allegedly violated.

B. Association Grievances.

If two or more employees are alleged to be affected, the Association may file a grievance on its own behalf. An Association Grievance must be in writing and served upon the Chief of Police, the City Attorney and the City Manager within 14 days of the Association's actual or constructive knowledge of the acts or omissions giving rise to the grievance. The written grievance must generally describe the alleged acts or omissions,

and indicate the specific Articles allegedly violated. To the greatest extent possible, the grievance should identify the affected employees, either by name or category.

C. Procedures Applicable to Both Individual & Association Grievances

An authorized representative of the City and at least one stakeholder with settlement authority from the Police Department shall, within 14-calendar days following receipt of a grievance, meet with the Association's representative(s) (and the aggrieved employee, if an individual grievance) to discuss the grievance. Within 14-calendar days following said meeting, the Chief of Police, the City Manager (or an authorized representative of either) or the City Attorney's Office shall submit a written response to the Association.

2. If the grievance remains unresolved, the Association shall, within 14-calendar days, but no later than the expiration of the 14th calendar day, following the deadline for the City's written response, request a list of seven arbitrators from the American Arbitration Association ("AAA"). If AAA requires payment up front for the list of arbitrators, the Association may pay the entire fee to expedite receipt of the list of arbitrators. In such event, the City shall reimburse the Association for half of the fee upon presentation of a request for reimbursement to the City Attorney's Office.

3. Any of the foregoing deadlines may be extended by informal written agreement between the parties. Any extension of the foregoing 14-day meeting or written response does not extend or prolong the Association's ability to request a list of arbitrators from AAA. The parties may, at any time, agree to mediation. If the parties agree to mediation, the Association need not request an arbitrator list from AAA until after mediation is completed.

4. The parties may, by agreement and either before or after requesting a list of arbitrators, select any arbitrator without regard to that arbitrator's affiliation with the AAA.

5. Upon receipt of the strike list from the AAA, either party may submit the first strike. Each party will strike a name off of the list until the arbitrator is selected. Either party may provide all of their strikes to the other party at once, or may make strikes one at a time, alternating with the other party until an arbitrator is selected.

6. The first strike is due no later than the 14th day after receiving the strike list. If strikes are made one at a time, then each party must make their next strike within 7 days of receiving a strike. If any party receives a strike, but fails to make at least one next strike within 7 calendar days of receiving that strike, then that party forfeits their strike to the other party. The parties may extend this 7-day deadline by written agreement. Any party who has collected forfeited strikes, but who fails to make a strike within the 7-day period, forfeits their strike and all accumulated, forfeited strikes to the other party. After an arbitrator is selected, each party shall act diligently to coordinate a date for the hearing.

7. In all Disciplinary Appeals, the City shall provide the employee with the materials required by Section 1.A. no later than thirty (30) days after a hearing examiner or arbitrator is selected, unless the City has already provided such materials. Either party may, by informal written request, ask for discovery of documents and things from the other party after the arbitrator or hearing officer is selected. The arbitrator or hearing officer shall have the authority to resolve any disputes regarding discovery and may compel either party to provide documents and things to the other party. The arbitrator or hearing examiner shall, upon request and good cause shown, make the production of documents and things subject to the conditions of a confidentiality order, unless said release is required by law.

Section 3. General Rules for Hearings

A. The provisions in this Section apply equally to Discipline Appeals and Contract Grievances, unless otherwise indicated.

B. Witness Lists & Documents

1. Either party may, no later than 14-calendar days before the date of the hearing, request from the other party: (a) the names of witnesses expected to be called at the hearing; (b) any statements of witnesses expected to be called not coming within the attorney's work product privilege; and (c) the other party's exhibits. The foregoing must be provided to the requesting party no later than 7 days before the hearing. Failure of a party to timely provide the name of a witness, a copy of the witness' non-privileged statement, or an exhibit shall preclude the party from calling the individual as a witness or offering the exhibit into evidence, unless the hearing examiner or arbitrator finds good cause for such failure.

C. All preliminary, dispositive issues, such as challenges to arbitrability, will be made in writing no later than 60 days before the date initially set for the final hearing on the merits, or 30 days if the date for the final hearing is less than 60 days from selecting an arbitrator. The parties will make every effort to have such issues heard by submission.

D. The hearing examiner or arbitrator may grant continuances of the final hearing upon a showing of good cause or upon mutual agreement by both the legal counsel for the City and the aggrieved employee or Association. Disputes involving the enforcement or interpretation of a prior decision by a hearing examiner or arbitrator shall be resolved by the hearing examiner or arbitrator who decided the underlying dispute. If the same hearing examiner or arbitrator is not available, then the parties will use the same procedures for selecting a hearing examiner or arbitrator that were used in the underlying dispute.

E. The hearing examiner or neutral arbitrator shall have the authority to interpret the Agreement, to make conclusions of fact based upon the evidence submitted at

the proceeding and to apply the contractual provisions to said facts. The jurisdiction of the hearing examiner or arbitrator is limited in that he or she has no authority to add to, subtract from, amend or otherwise change or in any way modify the provisions of this Agreement. In Disciplinary Appeals, the hearing examiner or arbitrator shall have the authority to: (a) sustain discipline; (b) reverse discipline; (c) modify discipline (except that discipline shall not be increased); and, (d) as applicable, award back pay, in whole or in part. In no event shall discipline be increased. In cases of termination or indefinite suspension, the hearing examiner or arbitrator has discretion to reinstate an employee and impose an unpaid suspension, notwithstanding the ruling in City of Waco v. Kelley, 309 S.W.3d 536 (Tex. 2010).

F. The decision of the hearing examiner or arbitrator, if rendered in accordance with the provisions of Section E. of this Article, shall be final and binding upon the Association, all bargaining unit employees, and the City.

G. All time limits in this Agreement are based on calendar days. If a time limit expires on a weekend or City-observed holiday, the time limit shall be extended to the next City business day. The day of the act, event, or default shall not be included.

H. The fee and expenses of a hearing examiner or arbitrator shall be borne equally by the City and the Association.

ARTICLE 22 - BULLETIN BOARD

Section 1. The City shall permit the Association sufficient access to its bulletin boards to permit the Association reasonably to communicate with its members covered by this Agreement. The Association shall use this board for posting of notices pertaining to recreational and social activities, Association elections, reports of the Association or its committees, Association meeting notices and legislative enactments and judicial decisions affecting public employee labor relations. The Association shall not post any materials which are obscene, defamatory, impair the operation of the City or the Police Department or which constitute partisan political campaign material. Prior to the posting of any item, the Association shall send a copy of the item to the Chief.

Section 2. Any material on the bulletin board which the Chief believes to be in violation of this Agreement shall be promptly removed by the Association. Any dispute about whether material removed at the direction of the Chief is in violation of this Article may be submitted directly to Step 2 of the grievance procedure contained in Article 21.

ARTICLE 23 - NONDISCRIMINATION

Section 1. Membership in the Association is voluntary. Each Officer has the right to refrain from joining or to withdraw from membership in the Association, as the Officer sees fit. Neither the Association nor the City shall exert any pressure against any Officer covered by this Agreement in regard to such matters.

Section 2. The City and the Association agree that the provisions of this Agreement shall be applied to all Officers within the bargaining unit without regard to membership or non-membership in the Association or activity or lack of activity on its behalf.

Section 3. Upon receipt of a voluntarily signed authorization of an employee covered by this Agreement, the City agrees to deduct from each employee's earnings and pay to the Association bi-weekly during the life of this Agreement a single lump sum payment in the amount to be determined by the employee, plus a single special assessment of up to \$5.00, per special occasion (death of employee, severe illness, etc.). The latter special assessment shall be withheld only upon notification by the Association to the City that such amount is being uniformly assessed to all members of the Association. The Association shall certify to the Comptroller that all members of the Association have been notified of the assessment at least 30 days prior to the date on which the assessment will be withheld. The employee shall have the right to revoke any such authorization at any time by written notification to the City Comptroller's Office.

The City agrees to contribute \$5.00 per member of the Association on the death of an employee.

Section 4. The form of such individual authorization shall contain the following language:

I hereby authorize the City of El Paso to deduct each pay day the sum of \$ _____ as certified by the El Paso Municipal Police Officers' Association as the current rate of dues, or an amount as may hereafter be established by the El Paso Municipal Police Officers' Association as dues; and remit the same to the El Paso Municipal Police Officers' Association. This authorization shall also constitute my approval for the City to deduct and remit to the Association a single special assessment of up to \$5.00 per special occasion (death of employee, severe illness, etc.), upon notification by the Association to the City that such amount is being uniformly assessed to all members of the Association. This authorization shall be effective until revoked by written notification to the City Comptroller's Office.

The amount to be deducted shall be filled in by the employee authorizing the deduction.

Section 5. The Association will defend, save, hold harmless and indemnify the City from any and all claims, demands, suits or any other form of liability which may arise out of the execution, placing into effect or carrying out the terms of Sections 3 and 4 of this Article.

Section 6. The City shall provide to the Association monthly a list and amount of dues deductions from members of the Association.

Section 7. The City shall not engage in the following practices:

- (a) Interfere with, restrain or coerce employees in the exercise of rights granted in this Agreement;
- (b) Dominate, interfere with, assist in the formation, existence or administration of, or contribute financial support to, any other employee organization which claims or seeks to represent employees within the bargaining unit referred to in Article 1, Section 1 hereof;
- (c) Encourage or discourage membership in any labor organization which claims or seeks to represent employees covered by this Agreement by discrimination in hiring, tenure, training or other terms or conditions of employment; or Discharge or discriminate against any employee because the employee has filed any affidavit, petition, grievance or complaint of this Agreement or because the employee has or has not formed, joined, or chosen to be represented by, any labor organization.

Section 8. The Association shall not engage in the following practices:

- (a) Interfere with, restrain or coerce employees in the exercise of the rights granted in this Agreement;
- (b) Restrain or coerce the City in the selection of its representatives for the purposes of collective bargaining or the adjustment of grievances;
- (c) Cause or attempt to cause the City to discriminate against any employee in hiring, tenure, training or other terms or conditions of employment because of the employees membership or lack of membership in any labor organization;
- (d) Cause or attempt to cause the City to discharge or discriminate against any employee because the employee has given information or testimony alleging a violation of this Agreement, any law of the

United States or the State of Texas, the City Charter, the Rules and Regulations of the Civil Service Commission or the Rules and Regulations of the Police Department; or

- (e) To cause or attempt to cause the City to pay or deliver or agree to pay or deliver any money or other things of value, in the nature of an exaction, for services which are not performed or not to be performed.

Section 9. Neither the City nor the Association shall discriminate against any employee because of sex, creed, race or national origin, except where any of the foregoing is a bona fide occupational qualification. Neither the City nor the Association shall discriminate against any employee in the application or interpretation of the provisions of this Agreement on the basis of the employee's Association membership or non-membership. The City and the Association shall each comply with applicable provisions of the Age Discrimination in Employment Act.

ARTICLE 24 - EXISTING CONDITIONS

Section 1. Except to the extent modified by this Agreement, any direct or indirect economic benefits set forth in applicable provisions of state law, the City Charter, City Ordinance No. 8064, the Rules and Regulations of the Civil Service Commission and the Rules and Regulations of the El Paso Police Department as of the date of signing of this Agreement, shall not be changed for the duration of this Agreement, except pursuant to the procedure established in Article 33, Section 2.

Section 2. Except to the extent modified by this Agreement, physical items used by employees shall continue to be furnished as they have been in the past; that is, those types of items which have been furnished by the City shall continue to be furnished by the City and those types of items which have been furnished by employees shall continue to be furnished by employees. The question of what types of items have been furnished by the City shall be resolved by reference to City purchase orders for the past three years. The parties agree that this provision shall not be interpreted so as to preclude resort to improved technology.

Section 3. Prior to changing any working condition other than direct or indirect economic benefits set forth in the sources listed in Section 1 of this Article, the City shall notify the Association of any such contemplated change. The Association shall be invited to present its views with regard to the proposed change to the Chief or other responsible City official to be designated in the notification. The final decision with regard to the scope of any such change shall remain with the City.

Section 4. Any changes in wages, hours, terms and conditions of employment and other benefits granted by the Texas State Legislature requiring the City to compensate,

remunerate or otherwise assist employees after the effective date of this Agreement shall not alter the terms of this Agreement during the life of said Agreement. This provision shall not unfavorably affect employees as to any changes in wages, hours, terms and conditions of employment and other benefits granted by the Texas State Legislature requiring the State of Texas to compensate, remunerate or otherwise assist employees after the effective date of this Agreement. Any changes in wages, hours, terms and conditions of employment and other benefits granted by the Texas State Legislature requiring the State of Texas to compensate, remunerate or otherwise assist employees shall not be incorporated into this Agreement; nor shall the City be required at any time to pay any share of said wages, hours, terms and conditions of employment and other benefits. Any reduction or elimination of wages, hours, terms and conditions of employment, and other benefits by the Texas Legislature that previously required the City to compensate, remunerate or otherwise assist employees after the effective date of this Agreement shall not alter the terms of this Agreement during the life of said Agreement.

It continues to be the intent of the provisions of this Section, as well as other Sections and Articles herein contained, that this collective bargaining Agreement takes precedence over state law and that this Agreement alone controls the wages, hours, terms and conditions of employment of the employees covered by Article 1, Section 1 of this Agreement, all in accordance with the provisions of Section 174.005 of the Texas Local Government Code.

Section 5. The City shall, during negotiations, provide to the Association a current copy of City Ordinance No. 8064, the City Charter, and the Civil Service Commission Rules. During the term of this Contract the City shall also provide the Association all changes, supplements and amendments to the aforementioned documents which pertain to the El Paso Police Department as such are approved.

Section 6. Past practices currently in effect and not specifically covered in this Agreement will be continued.

ARTICLE 25 - MISCELLANEOUS PROVISIONS

Section 1. Nothing contained in this Agreement shall be deemed to create a vested property right in any position of employment covered thereby. However, non-probationary Officers do have a property interest in their employment by virtue of the Civil Service provisions of the City Charter and the Civil Service Rules adopted pursuant thereto.

Section 2. No less than fifty parking spaces in the downtown police garage will be assigned for the use of the officers for their personal vehicles for downtown usage.

Section 3. Commissioned employees completing Police Academy Training (Basic or Lateral) after October 1, 1992, shall have completed a minimum of 45

accredited (pursuant to the definitions contained in section 211.1 of the regulations of the Texas Commission on Law Enforcement Officer Standards and Education) college hours within three years. If the 45 hour minimum is not met by then, the Chief of Police shall have the authority to either grant a leave without pay for up to one year or reduce the employee one pay level for a period of one year, but not both. If the 45 hour minimum is not satisfied by that time, the employee will face discipline up to and including possible termination. If exigent circumstances exist, the Chief of Police may at his discretion grant an employee an extension of time to complete the educational requirements but at no time shall it exceed 4 years. Officers not in compliance with this Section shall not advance beyond the three year pay step. During this time, the officer will be not be eligible for transfer requests, special teams (except if preapproved by the Chief), or promotions with the exception of lateral transfers within patrol operation. Upon completing the 45 college hours, the officer will advance to their appropriate pay step based upon their commission date. Officers will not be compensated back pay for the missed steps.

Section 4. The City agrees to pay directly the liability insurance required by employees for driving City owned vehicles while on duty. The City may do so by a bid for all such vehicles.

Section 5. As used in this Agreement, the masculine and feminine genders shall be deemed to include the other, unless the context plainly requires otherwise.

Section 6. The parties recognize their mutual responsibility to deliver to the citizens of El Paso the highest degree of contemporary police service achievable within the financial resources reasonably available. To this desired end we are compelled to make a concerted effort. It is in this community's paramount interest that the projected direction along which public safety in El Paso must proceed be established.

Section 7. During the term of this Agreement, any and all City-wide administrative policies and procedures, and Civil Service Rules in effect at the time this Agreement takes effect, shall in all respects remain in effect during the term of the agreement except as specifically amended in this Agreement. Any changes of the above items in this section shall be agreed to by both parties via a Memorandum of Understanding.

Section 8. Civil Service Rule 8, Section 1.1, relating to political activity, does not apply to Officers covered by this Agreement. Officers, while on duty, cannot engage in political activity in a manner that would violate State law.

Section 9: The City may modify existing Officer job-descriptions across all ranks and assignments in accordance with City policies and Civil Service Commission Rules. The Association shall be invited to present its views with regard to the proposed changes to the Chief or other responsible City official to be designated in the notification. The final

decision with regard to the scope of any change shall remain with a mutual agreement with both parties.

ARTICLE 26 - WORKING OFF SUSPENDED TIME

Officers suspended up to a maximum of ten (10) working days may, upon the Officer's request and at the Chief's discretion, forfeit vacation, personal leave, or compensatory time off designated by the Chief for a period equal to the suspension. Approval of forfeited vacation, personal leave, or compensatory time off by the Chief shall not be unreasonably withheld. After all leave is forfeited, the remaining suspension time may be served intermittently at the Chief's discretion. The provisions of this Section shall apply solely to suspensions which are agreed to by the Officer and no appeal to the Commission or to arbitration may be instituted on suspensions where the officer has agreed to the suspended time.

ARTICLE 27 - PERSONNEL RECORDS

The parties agree to follow Section 143.089 of the Texas Local Government Code (herein referred to as "the Act") as modified by this Section. The "Director" as used in the Act shall be the Personnel Director. The "Commission" as used in (c) of the Act shall include an arbitrator selected in accordance with this Agreement. The "Permanent Personnel File" referred to in the Act will include all file folders on an Officer maintained by the City outside the Police Department, whereas the "Department File" referred to in paragraph (g) of the Act shall consist of all file folders on the officer maintained in the Police Department. The contents of the "Permanent Personnel Files" will be limited to materials presently maintained by the City outside the Police Department as modified by the Act. All present files will be checked to see if they conform to the requirements of this Section. A copy of the Act is attached hereto as Appendix "D." The parties agree that any conflict between this provision and the Texas Public Information Act shall be resolved by complying with the latter Act.

ARTICLE 28 - ASSIGNMENTS

Section 1. A "Special event" is a parade, demonstration or public assembly as defined by El Paso City Code 13.36.010. The Chief will make the final determination if an event qualifies as a "special event." The Chief's determination is final unless it is arbitrary or capricious. The City will staff the Sun Carnival Parade, events at Southwest University Park, and similar special events in a fair and consistent manner in accordance with this Article.

Section 2. The Department shall implement procedures that require all eligible sworn personnel of the rank of Lieutenant and below to work special events. Nothing in this section prevents an officer who is required to work a special event from obtaining a substitute officer to work that event for him or her.

Section 3. During the terms of this Agreement an equal number of representatives of the City and the Association shall meet diligently to study and if possible make recommendations as to the manner in which job assignments are awarded. Either the City representative or the Association representatives may call for any meeting. All officers required to work a special event shall receive a minimum of fourteen-calendar days advance notice of the assignment to that special event. If the City fails to provide such fourteen-calendar days advance notice, the City shall pay the officer or their volunteer substitute assigned to the special event, overtime for working the event.

Section 4. All officers assigned to work a special event, or their volunteer substitutes, shall have the right to have consecutive days off for the week during which the special event occurs. Such officer shall have the exclusive right to choose whether he/she will take consecutive days off or have split days off. Scheduled court may not be used as a basis to deny an Officer's choice of day off, regardless if the choices of days off are consecutive or split.

Section 5. The Chief shall retain the right to call in Officers irrespective of an Officer's rank or assignment, based on departmental needs for non-special events as defined in Section 1 of this article.

Section 6. The transfer policy during the term of this Agreement is as reflected in Appendix "F" attached hereto. Seniority shall be considered in the determination of all lateral transfers and job assignments. Any Officer who is interested in a particular job shall have the right, in the event of a permanent vacancy, to be considered for said job, provided he has first signified his interest in said job by completion of the form hereinafter set forth as Appendix "C" and filed same with the Chief or the Chief's designee.

ARTICLE 29 - SEPARABILITY

Should any provision of this Agreement be rendered or declared invalid by reason of any applicable existing or subsequently enacted legislation or regulation or by reason of the decree of a court of competent jurisdiction, such invalidation of part or parts of this Agreement shall not invalidate the remaining portions thereof, and said remaining portions shall remain in full force and effect for the duration of this Agreement.

ARTICLE 30 - INTERNAL AFFAIRS INVESTIGATIONS

Section 1. To ensure that internal investigations are conducted in a manner conducive to good order and discipline, while observing and protecting the individual rights of each officer on the force, interviews conducted by the Internal Affairs Division shall be conducted in accordance with the following rules:

- (a) The interview of any officer shall be at a reasonable hour, preferably when the officer is on duty or during the daylight hours, unless the exigencies of the investigation dictate otherwise.
- (b) The interview shall take place at a location designated by the investigating officer, usually the Internal Affairs Division office.
- (c) The officer shall be informed of the rank and name of the officer in charge of the investigation, as well as the rank and name of the interviewing officer and the identity of all persons present during the interview. If an officer is directed to leave the officer's post and report for an interview to another command, the officer's command shall be promptly notified of the officer's whereabouts.
- (d) Except in exigent circumstances, an officer involved in an officer-involved shooting, critical incident, and/or custody death shall be informed forty-eight (48) hours prior to being interviewed or asked to otherwise respond to an internal affairs investigation of the general nature of the investigation before any interview commences. "Exigent circumstances" include necessary cooperation during incident scene procedures, including securing the scene, controlling the public, obtaining witness information, obtaining and processing all physical evidence from the scene or from the officer. During the first forty-eight (48) hours, the parties also agree that an officer shall not be compelled to participate in a "walk-through" investigation without their legal counsel being present. The administration of a post-accident drug test is not defined as a "walk-through" investigation and therefore may be administered immediately following a shooting, critical incident and/or in custody death. The parties agree that a "walk-through" is defined as an investigative tool where El Paso Police Department investigators and/or supervisors request the officer to re-trace their actions in an officer-involved shooting, critical incident, and/or in custody death while being questioned concerning their observations and actions in the incident. Such "walk through" shall not be videoed taped. Sufficient information reasonably to apprise the officer of the allegations shall be provided. If it is known that the officer is being interviewed as a witness only, the officer shall be so informed. If an officer is ordered to write a statement, the City shall provide a form with the Garrity Warning printed on it as set forth Appendix H. Nothing herein shall prevent an officer from

writing into his or her statement any protections afforded by state and federal law.

- (e) The interview shall be completed with reasonable dispatch. Time shall be provided also for personal necessities, meals, telephone calls and rest periods as are reasonably necessary.
- (f) The officer shall not be subjected to any offensive language, nor shall the officer be threatened with transfer, dismissal or other disciplinary punishment. No promise of reward shall be made as an inducement to answering questions. Nothing in this Section is to be construed so as to prohibit the investigating officer from informing the officer that the officer's conduct can become the subject of disciplinary action resulting in disciplinary punishment.
- (g) If an officer is under arrest or likely to be (that is, if the officer is a suspect or a target of a criminal investigation), the officer shall be given his/her rights pursuant to the existing law.
- (h) Upon request, the officer shall be given an exact copy of any written statement the officer may execute.
- (i) The refusal by an officer to answer, pursuant to a direct order, pertinent questions concerning any non-criminal matter may result in disciplinary actions.
- (j) The City shall make an audio recording of the interview if necessary. The recording shall commence immediately at the beginning of the interview. There shall be no "off the record" questions. All recesses called during the questioning shall be noted in the record.
- (k) If, during any investigation covered thereby, the Internal Affairs Division fails substantially to comply with the provisions of this Section, no statement which the officer may have given during such interview may be introduced or alluded to by the City in a disciplinary appeal hearing. In the case of a dispute as to whether the Internal Affairs Division has substantially complied with this Section, the issue may be submitted to arbitration pursuant to the provisions of Article 21 prior to an appeal hearing before the Civil Service Commission. The sole question before the arbitrator shall be whether the Internal Affairs Division has substantially complied with this Section, and, if the arbitrator finds that the Division has not substantially complied therewith, the sole remedy shall be that, in an appeal hearing, the City may not introduce or allude to any statements the officer may have given during such interview.

- (l) The Officer's written statement shall be the official statement to Internal Affairs. The audio recording can be used to clarify alleged conflicts of interpretation of ambiguities in the written statement.
- (m) An officer who goes before a Disciplinary Board shall be advised in writing, of his rights pursuant to Garrity v. New Jersey. Such officer may, upon the officer's request, have present throughout the proceedings any uninvolved member of the unit designated by the Association President to attend as a silent observer, but the Association member shall not be present during the decision making process of the Board.
- (n) The officer shall be allowed to consult the officer's attorney at any time during the investigatory process so long as such consultation does not impede the investigatory process. At the request of an officer other than a witness officer, a member of the Association's Board may be present during the process as a witness, provided that the member is able to, and does, arrive within two hours of the time he is first called to attend. The Association Board member shall attend only as a witness and shall not speak during, or interfere with, the interview. If the Association Board member would otherwise be on duty during the interview, his time shall be charged to Leave for Association Business.

Section 2. The parties agree that claims of sexual harassment, workplace violence, and hostile work environment can be conducted by the Internal Affairs Division, City of El Paso Human Resources Division, or outside investigators hired by the City. Disciplinary decisions and actions will remain with the Chief of Police. Any investigation into the above-referenced matters will comply with Article 30, Internal Affairs Investigations.

Section 3.

(a) Disciplinary action in non-criminal matters must be taken against an officer within one hundred and eighty (180) calendar days following the occurrence of the incident. Disciplinary action in criminal related matters must be taken against an officer within two (2) years of occurrence of the incident or within sixty (60) calendar days of discovery of the incident, whichever is later. The Police Chief and Association may by agreement extend these time periods.

(b) For purposes of this section, if the employee is off duty for any reason during the last five calendar days of any time limit specified in this section, the Association will accept service of any disciplinary notice. If the disciplinary notice is served on the Association, on behalf of an officer who serving on active duty with the United States Armed Services or on an authorized extended leave of absence, an appeal of the disciplinary action by the officer is automatic.

(c) The time frames set forth in Section 2 of this Article shall apply to all actual or potential disciplinary impositions regarding employees covered by this Agreement,

notwithstanding any Civil Service Rule which might otherwise be read to impose a shorter time limit on the City or the Chief.

Section 4.

A. The Chief, and only the Chief, may order or request a polygraph examination. Polygraph examinations shall be employed only after:

1. The Chief has carefully reviewed the entire case;
2. All investigative leads have been exhausted;
3. The complainant is first examined by a licensed polygraph examiner and passes such examination; and
4. The EPMPOA President, or designated representative, has been briefed on the facts of the case and the reasons for ordering the polygraph examination. The EPMPOA President will be provided access to review the entire case with reasonable review time. The EPMPOA will be given reasonable time to suggest (on the record) any investigative leads that need to be followed.

A copy of the polygraph examination shall be provided to the accused officer immediately following the examination. A copy of the independent evaluator's report shall be provided to the accused officer immediately upon receipt with the Department. When the polygraph examination is used, the accused officer and EPMPOA will be advised 24 hours in advance, in writing, prior to the administration of the polygraph test.

A police officer subjected to a polygraph examination may request a licensed examiner who an independent contractor from outside the department. An officer is not required to sign a waiver of his or her Constitutional rights or a waiver of his or her right to seek redress of grievances through state or federal courts.

B. If a police officer is subjected to a polygraph examination, the licensed examiner who administers the examination shall not know (1) the results of the complainant's polygraph examination; or (2) the name of the licensed examiner who conducted such examination. Notwithstanding, the provisions of this Paragraph or Article 24 (Existing Conditions), any applicable prohibitions in future statutes concerning the use of the polygraph examinations shall be followed as of the date the law becomes applicable to the unit covered by this Contract.

C. Polygraphs under this Article are administrative in nature and shall be conducted in accordance with the Internal Affairs provisions outlined in this Agreement, and all administrative rights provided to an officer under this Agreement shall apply.

Section 5. All polygraph examinations shall be in compliance with existing state law.

ARTICLE 31 - STRESS MANAGEMENT

Both the City and the Association believe that it is to be their mutual benefit for law enforcement personnel covered by this Agreement to have available to them a stress management program. To this end a program will be initiated. The program shall satisfy and conform to the following criteria:

- (1) The program shall have the elements of both continuity and individuality of counseling. To that end, the City, after consultation with the Association would, on an independent contract basis, engage the service of an expert in stress management whose office will be located in the City of El Paso.

The expert's duties will be to devise, implement and operate an El Paso Police Department counseling program covering the identification and treatment of stress.

- (2) There shall be four methods of entry into the program:
 - (a) Behavioral cause investigation;
 - (b) Supervisory referral;
 - (c) Voluntary participation;
 - (d) Post trauma referral.

The behavioral cause investigation is an after the fact referral made when the Police Chief orders a behavioral cause investigation be made of an Officer who has been the subject of an internal affairs investigation immediately prior thereto.

The supervisory referral results when a supervisor detects behavioral patterns which indicate that the Officer requires the intervention of the program. The supervisor can recommend that the supervisor's subordinate be required by the Chief to go to the expert, or the expert's agent, for evaluation and recommendation and such treatment as may be deemed necessary by the expert. To this end, supervisory personnel shall be trained in the recognition of stress.

The voluntary participation method involves any officer who after evaluation, the expert determines needs to be in the program.

Post trauma referral occurs when an Officer, in the performance of his duties, has been involved in the shooting of another individual or has been exposed to any incident including, but not limited to, situations where another may have suffered injury or death, wherein the immediate supervisor of the Officer involved is of the opinion that such referral is in the best interests of the Department or the Officer.

In the cases where an Officer, in the performance of duties has been involved in a shooting, the expert and another person of the Officer's choice will be immediately notified and allowed immediate access to the Officer involved.

(3) All conversations between the Officer and the expert employed in connection with the program and records maintained by the program shall be considered privileged as to the Officer. When the expert has concluded that the Officer constitutes a clear danger to himself/herself or others, the expert shall immediately notify the Chief of said danger. In cases where an Officer is referred to the program by order of the Police Chief, the expert shall report to the Chief only compliance or noncompliance with the order to submit to evaluation and/or compliance or noncompliance with treatment of the expert. The expert shall also, at the appropriate time, report to the Chief that no further participation by the Officer is required.

(4) The stress management program should be designed so as to include physical as well as mental well-being.

(5) This program shall be designed to provide assistance to the Officer in order to manage problems of stress affecting the ability of the Officer to effectively perform the duties of a police officer. If in order to handle problems of stress peculiar to the officer it becomes necessary, in the sole opinion of the expert, to include significant other persons in order to properly handle the Officer's counseling, then same may be done. It is not the intent of this program to engage in counseling services in areas other than that which directly affect the Officer.

(6) All costs involved in the evaluation and treatment of any Officer in this program shall be paid by the City.

(7) This program shall not be construed as preventing the Chief from requiring independent evaluation of an officer by an appropriate expert on the Chief's choice.

ARTICLE 32 - DRUG AND ALCOHOL TESTING

The City and the Association agree that police officers may be called upon in hazardous situations without warning, and that it is imperative to the interest of police officers and the public to ensure that police officers are not substance impaired. In order to further their joint interest in protecting police officers and the public, the City and the Association agree to mandatory random drug testing described in this section. During each calendar year, the Department shall conduct a number of random drug tests equal to forty percent (40%) of police officers of all ranks, including the Chief of Police, on a fair and impartial statistical basis as provided in the Police Department's Drug and Alcohol Policy. During each calendar year, an officer may be subject to one, more than one, or no drug tests as provided by the policy. Additional random testing of officers assigned to sections

that conduct narcotics, vice investigations and aviation activities (pilots and drone operators) may be requested at the discretion of the Chief of Police. The fair and impartial statistical basis (in which each police officer has an equal chance of being selected) shall be by a non-discriminatory computerized program operated and certified as non-discriminatory by an independent firm hired by the City, and the employee shall be tested upon being selected by the computer. The City shall notify the officer as to whether the test was post-accident, random or based upon reasonable suspicion.

For the purposes of this section:

- A. “drug testing” shall be defined as the compulsory production and submission of urine, blood, or hair follicle/strand by an officer for chemical analysis to detect the presence of prohibited drug usage.
- B. “random drug testing” shall mean drug testing of individuals selected by the method described in the prior paragraph.
- C. “reasonable suspicion” shall be defined as a judgment/conclusion that a person is unable to safely and/or effectively perform their duties due to the suspected influence of drugs, alcohol, or inhalants. Reasonable suspicion is based on specific, observable facts that an officer may be under the influence of drugs, alcohol, or inhalants. Reasonable suspicion testing is not limited by this article, except to the extent that any urine testing utilized shall be in accordance with the lab testing protocol below. Reasonable suspicion testing may involve urine, blood, or hair follicle/strand as determined under existing legal standards. An Officer may, but will not be required to, take more than one of the same tests.
- D. “SAMHSA/CAP FUDT” means Substance Abuse and Mental Health Service Administration, College of American Pathologists and Forensic Urine Drug Testing.

An employee’s mandatory random drug test results and related collection and diagnostic information shall be disclosed to the City to administer and enforce the Police Department’s Alcohol and Drug Policy and this Collective Bargaining Agreement to include the administration of disciplinary action. The City and the Association otherwise regard an employee’s mandatory random drug test results and related collection and diagnostic information as confidential as allowed by law unless a determination otherwise is made by the Attorney General or a Court. The City may use test results in a disciplinary hearing, but shall initially file that evidence under seal, and it shall not become public until a ruling has been made in its admissibility in the proceeding.

The City and the Association have a mutual interest in ensuring that drug impaired employees do not perform law enforcement duties. The City and the Association agree that the purpose of the mandatory random drug testing is not to punish an employee who has not violated the Police Department’s Drug and Alcohol Policy. The City and the

Association are committed to the principal that the mandatory random drug testing for employees is designed and will be administered to result in disciplinary action only against those officers who have violated the Police Department Drug and Alcohol Policy.

The City has developed a Police Department Drug and Alcohol Policy with procedures and protocols, which follow the requirements of SAMHSA/CAP FUDT. The Police Department Drug and Alcohol Policy currently in effect will remain unchanged during the life of the Agreement, except as modified herein, or if changes are necessary to comply with developments in the law or modifications of the Medical Review Officer Manual. The parties agree that the current police department policy is consistent with this Article, and contains additional procedural and substantive requirements.

The section of the Police Department Drug and Alcohol Policy dealing with mandatory drug testing and the consequences thereof is subject to amendment by the City only as the City determines is necessary to follow the requirements of SAMSHA/CAP FUDT. The City shall require and laboratory selected for collecting samples to conduct a background investigation on those laboratory personnel involved in collecting or handling an unsealed sample. In addition, the City shall require any laboratory selected for collecting samples to allow only employees who have not been arrested by members of the El Paso Police Department or convicted of a felony or misdemeanor crime involving dishonest conduct or possession of illegal drugs to be involved in the collecting or handling of an unsealed sample collected from an El Paso Police Officer.

The Association may file a grievance regarding the application, interpretation or enforcement of the language in this section, subject to mandatory arbitration if not resolved. A complaint of non-compliance which is related to an individual disciplinary matter shall be heard by the arbitrator or a hearing examiner, as elected by the subject officer.

The sample for testing shall be a split sample. The collector shall inform the officer of the size of the required sample, and shall use a chain of custody process to split, label and send the sample, which shall be forwarded for testing within twenty-four (24) hours of the sample being taken. When an officer appears unwilling or unable to give a urine specimen at the time of the test, laboratory staff will document the circumstances surrounding the inability or unwillingness. The officer will be permitted no more than four (4) hours to provide the sample during which time he will remain in the testing area under observation. Reasonable amounts of fluid may be given to the officer to encourage urination. Failure to provide a sample may be considered a refusal to submit to a drug test. Test results shall be inadmissible in any administrative disciplinary hearing if it is determined that the laboratory collecting samples has failed to conduct a background investigation on the laboratory personnel involved in collecting or handling the unsealed sample which resulted in a positive test result. The burden of showing that a background investigation was not conducted shall be on the party seeking to have the test results excluded from the administrative hearing.

The City shall use only a SAMHSA/CAP FUDT certified laboratory for mandatory drug testing and shall require that such laboratory comply with the requirements of SAMHSA/CAP FUDT. The results of the test or tests shall be sent by the laboratory to the Medical Review Officer ("MRO") in accordance with the lab protocol or the MRO Handbook. The MRO may act separately on test results for each of the split samples from each lab. The specimens collected for testing shall be maintained in a secured area until picked up by the courier or otherwise forwarded for testing. The City shall use only a Medical Review Officer (MRO) for the City of El Paso who is a licensed physician and who is certified as a Medical Review Officer by the American Association of Medical Review Officers.

Nothing in this article shall be construed to abolish the existing authority and practice of the City to conduct drug tests for:

1. Pre-employment
2. Pre-assignment for Narcotics
3. Reasonable suspicion.
4. On return to duty after an absence of 30-calendar days or more.
5. Post - accident
6. Post - firearm discharge

Such test will be conducted under the same laboratory processes and protocols as mandatory random testing, except that laboratory protocols and provisions of the MRO handbook applicable to blood and other samples shall be followed where indicated.

ARTICLE 33 - COMPLETE AGREEMENT

Section 1. The parties acknowledge that, during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining regarding the employees covered by this Agreement and that the understandings and agreements arrived at by the parties hereto after the expiration of that right and opportunity are fully set forth in this Agreement. Therefore, the City and the Association, for the life of this Agreement, each voluntarily and unqualifiedly waives its rights, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter not specifically referred to or covered by this Agreement, even though the subject may or may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.

Section 2. The parties further agree that any mutual agreement or understandings which are reached during the term of this Agreement shall be reduced to writing.

ARTICLE 34 - DURATION

This Agreement shall be in effect from the date of execution through August 31, 2026, this Agreement shall be automatically renewed from year to year, thereafter, unless either party shall give notice in writing to the other of its intention to terminate or modify this Agreement at least 120 days before the expiration thereof. If either party has given such notice to modify this Agreement, but no new Agreement has been reached, this Agreement shall remain in effect until the earlier of the following dates: August 31, 2027, or the date a successor agreement becomes effective.

If, in the negotiations of a successor Agreement, the parties reach "impasse" as that term is defined in Texas Local Gov't Code Chapter 174, either may utilize the Impasse Procedures set forth in Appendix "B" to this Agreement in an attempt to resolve the impasse.

ARTICLE 35 - OUTSIDE EMPLOYMENT

Section 1. Outside employment opportunities for Officers will be governed by the City's Outside Employment Policy dated May 30, 2015. A copy of the City's Outside Employment Policy dated May 30, 2015 is appended to this Agreement as Appendix E.

Section 2. Neither the City nor the Department will require private employers seeking to hire Officers for outside employment to go through a City-created hiring office to facilitate such outside employment opportunities as long as its use is not mandated.

APPENDIX “A” WAGE SCHEDULES

Section 1. Both parties recognize that the intent of the wage package is to attempt to place El Paso Officers in the middle of the range of Police Officers when comparing to wage rates in “competitive” regional cities in Texas, Arizona and New Mexico.

Appendix A-1 (effective 9/1/2023), A-2 (effective 9/1/2024), A-3 (effective 9/1/2025), A-4 (effective 9/1/2026).

Officers hired under the Lateral Training Program after calendar year 2021 shall enter and progress through the pay scale as indicated in Article 4.

The parties agree to collectively bargain in good faith during the last year of this contract to determine whether the goal of paying the officers at the middle range is still achievable within the City’s financial plan.

To aid in the review, the City will provide a wage comparable analysis pursuant to the formulas demonstrated by the City in the presentation dated January 25, 2002, which is attached as “Appendix H” by February 1, 2026.

If the parties have failed to reach a new agreement by January 1, 2027 the City shall pay an advance of one percent (1%) across-the-board increase effective the first pay period after January 1, 2027. The one percent (1%) will be applied against any future agreed upon wage increases for FY27.

APPENDIX “B” - IMPASSE PROCEDURE

Negotiations for a new contract shall commence in accordance with Chapter 174 of the Local Government Code. If impasse should be reached as defined in Chapter 174, either party may request mediation, and upon such request the parties shall immediately proceed to choose one mediator as provided herein. The function and powers of the mediator shall be as specified in Section 174.151. The mediation shall be extended for fourteen (14) calendar days, or such other period as it mutually agreeable to the parties.

If no agreement is reached through mediation, upon request of either party, the parties shall submit the dispute to one Fact Finder, chosen as provided herein. The Fact Finder shall conduct a full and fair hearing on all unresolved issues. The hearing shall be informal and strict rules of evidence shall not apply. After hearing all evidence offered by the parties and any evidence requested independently by the Fact Finder, the Fact Finder shall render a written decision making findings of fact and recommendations as to all matters in dispute. In the opinion the Fact finder shall state the reasons for the findings of fact and recommendations. In rendering such finding and recommendations the Fact Finder shall exercise independent judgment and shall not attempt to “split the difference”.

In making the findings of fact and recommendations of the Fact Finder shall consider, inter alia, the following evidence submitted to them by the parties or obtained at the Fact Finder’s direction: the overall compensation in the current contract including direct salary and fringe benefits; the income available to the City and demands on that income; a comparison of wages, hours and conditions of employment of El Paso Police Officers with the wages, hours and conditions of employment of other public and private employees performing similar services and with other employees generally in public and private employment in comparable communities and in El Paso; the hazards of employment, physical, educational, and mental qualifications, job training and skills required of an El Paso Police Officer; the cost of living in El Paso for the preceding twelve month period using localized data to the fullest extent feasible; and any current national or state policies or guidelines with respect to compensation.

The selection of the mediator and the Fact Finder shall occur as follows: when either party requests mediation or fact finding, the parties may agree to choose any mediator of fact finder or method of choosing same. If no agreement occurs within five (5) days from the request, the parties shall request a list of seven neutrals from the American Arbitration Association (AAA). Upon receiving the list, the parties shall select the mediator or fact finder by alternately striking names. The request to AAA shall state the dates on which the neutrals must be available. The mediator and the fact finder shall be selected within five (5) days after the receipt of the list from the AAA. The fee and expenses of the mediator and the fact finder shall be split equally between the City and the Association. All other expenses, including witness fees, shall be paid by the party incurring the expense or calling the witness.

If, within seven days after the fact finding, the parties have failed to agree to contract, the major, unresolved issues shall be submitted to the qualified voters of El Paso in a referendum election according to the following procedure. The election shall be held on the first date permissible under state law. By agreement the parties may submit any issue or issues to the voters. If no such agreement is reached, the each party shall be entitled to submit two issues to the voters, each issue on one distinct topic. For example, each of these constitute a distinct issue: salary, dependent health insurance coverage, promotional procedures, political activities. Each party will submit its two issues, and its alternatives to the other party's issues, so that the voters will vote on four distinct issues. Each voter will have the option of voting for all the issues of one party, or for some issues of one party and some of the other. The issues submitted to the voters will appear on the ballot exactly as each respective party would have them appear in the contract. The decision on each issue by a majority of the voters voting on the issue at the referendum election shall be binding on the parties, subject to the laws of Texas, and shall be adopted as part of the collective bargaining agreement. In the absence of agreement of the parties to the contrary, the term of the provisions adopted by the voters shall be the same as the term of entire contract entered into by the parties, or, in absence of such a contract, shall extend until the next August 31 following the election or until a new contract is agreed upon. The Association shall pay the cost of printing the ballots. All other costs of the election shall be paid by the City. The place of the respective parties on the ballot shall be determined by coin flip.

I. PART TIME EMPLOYEES

Part time employees are permitted to work for other employers subject to the provisions of this policy. Part time employees are required to work all scheduled shifts for their City employment. 4. If the Department Head believes an employment request is inappropriate and does not meet the criteria established by this policy, he must submit the request to his Deputy City Manager or the City Manager and obtain his concurrence prior to disapproving the request.
5. Applications that have been approved by the Department Head will be valid for a period not to exceed two (2) years from the date of approval, and only for the specific type of employment approved.
6. Within ten working days, an original application must be submitted before an employee may change the type of employment for which he has been approved.
7. Each Department Head shall periodically review outside employment within the department to ensure compliance with this policy.
8. It is the duty of each Department Head to revoke an employee's outside employment approval in the event the employee fails to comply with the provision of this policy, fails to conform to the conditions or qualifications, or receives an overall rating of less than "Meets Performance Standards", or equivalent, on any Performance Report, provided further that a Department

Head may give an employee notice and reasonable opportunity to cure their noncompliance or other deficiency prior to revocation.

Conditions That May Disqualify an Employee for Outside Employment:

1. Where it appears from the employee's sick leave record or other evidence that outside employment would measurably impair the applicant's ability to discharge official duties and responsibilities with the City.
2. Where outside employment, or the place where it is performed, would likely bring either the City or the employee into disfavor with the public, place the employee in violation of the Rules and Regulations of the Commission or the employee's department, or present the employee with an actual or potential conflict of interest respecting city employment.

4. Where the outside employment requires the employee to appear in the official City uniform of the employee's City employment where such practice would violate a rule of the employee's department.
5. Where the outside employment of a public safety employee would involve the operation of, or employment in, an establishment where the principle business is the sale of intoxicating beverages.
6. Where the outside employment could affect their ability to make unbiased decisions or recommendations in the duties of their job with the City.
7. Where the outside employment could compromise their independent judgment regarding recommendations or choice of vendors or services that are provided to/for the City of El Paso.
8. When the outside employment exceeds the number of hours allowed in any one calendar week more than twice in a year; and all is not reported to the Department Head for a determination of extenuating circumstances.

II. CONFLICT

Employees' outside employment must not compete, conflict with or compromise, either in substance or appearance, the City's interest or adversely affect job performance and the ability to fulfill all responsibilities to the City. Employees may not use City resources, including without limitation, computer or e-mail, or City confidential information, in the performance of outside employment.

III. DEMANDS:

Employees are cautioned to consider carefully the demands that additional work activity will create before accepting outside employment. Outside employment will not be considered an excuse for poor job performance, absenteeism, and tardiness, leaving early, refusal to travel or refusal to work overtime in different hours. If outside work activity causes or contributes to job-related problems, it must be discontinued and, if necessary, normal disciplinary procedures will be followed to deal with the specific problem.

APPENDIX “F” - TRANSFER PROCEDURES AND SPECIALTY UNIT ASSIGNMENT

PURPOSE: To establish procedure for processing employee requests for transfer between work units and specialty unit assignment; to establish a timely and orderly system of applying for and filling vacant positions; and to best utilize the skills and talents of each employee.

POLICY:

- A. It is the policy of the El Paso Police Department to give notice to all eligible employees of potential openings or current vacancies. The Department strives to ensure fair, equitable treatment and consideration of all applicants for any position.
- B. The Chief of Police retains the right to direct transfers deemed in the best interest of the Department. These procedures will not apply to situations when transfer of reassignment is deemed appropriate and in the best interest of the Department.
- C. The Department also maintains provisions for temporary transfer (TDY) of employees when it is deemed appropriate and in the best interests of the Department.

AMENDMENTS: Nothing herein prohibits the Association and the Chief of Police from meeting and conferring on amendments. Any amendments will be attached as a Letter of Agreement signed by the Association and the Chief of Police and adopted as a pilot program.

DEFINITIONS:

Transfer is the permanent reassignment of personnel from one work unit to another.

Coveted positions are those deemed by the Department as highly sought after. Assignment to coveted positions are made based upon consideration of training, experience and a formalized interview process.

- D. Specialty Unit Assignment is the assignment of personnel to positions which are held concurrently with their regular duty assignment. Such assignments include: SWAT, Combined Search and Rescue (COMSAR), Crisis Management Team (CRT), Bomb Squad, Hazmat Team, and Shooting Review Team (SRT).
- E. Reassignment is the assignment of an employee to another position within the same work unit.

Temporary Transfer (TDY) is the temporary placement of personnel in an assignment out of their work unit yet within their existing job classification.

PROCEDURE:

Coordination. Planning and Research (P&R) will coordinate the application and selection process for vacancies of coveted positions. P&R is responsible for:

1. Maintaining files of position requirements and qualifications;
2. Preparing and distributing electronic mail announcements of job openings including the qualifications and filing period;
3. Collecting and forwarding applications to Division Commanders;
4. Verifying receipt of applications and returning incomplete applications to the applicant;
5. Coordinating with Division Commanders to assure development of objective measurements and evaluation criteria;
6. Forwarding selection information and notify applicants of their final status;
7. Maintaining a database of each request/vacancy/transfer transaction for two years after selection;
8. Notifying the Chief of Police when a person has requested and been denied transfer after four requests.

F. **Requests to fill positions.** Division Commanders will forward requests to fill coveted positions through the Chain of Command to P&R. Requests to fill non-coveted positions will be coordinated through the chain of command, as designated by the Chief of Police.

G. **Applying for transfer.** Individuals requesting a transfer will submit their request on the approved form via email directly to Planning and Research. All supervisors within the individual's current chain of command shall be carbon copied in the email. Requests for transfer are not held back in any manner by the requesting individual's chain of command. In order to be considered, applicants must be in good standing, have completed the minimum 45 college hours, and must be free of disciplinary history relevant to the position. If the applicant is deemed to be "not qualified" by the Chief of Police, the assistant chief involved in the screening shall meet with the applicant and inform them of their decision. All persons meeting the minimum qualifications are considered applicants.

- H. **The interview process.** Division Commanders may use an informal interview process for filling non-coveted positions. An interview panel will be convened positions using the following guidelines:
1. The Division Commander and PDHR, will arrange for an interview panel to interview all applicants. The panel will consist of three supervisors, at least one of whom is from within the same division as the vacant position. Board members must be at least one rank higher than that of the vacancy. All applicants for the same position will be interviewed by the same panel.
 2. All interviewees will be asked the same questions and allotted the same amount of time respond. The interview panel should be clear on the questions that are to be asked, appropriate answers, and all other criteria to be used in evaluating applicants prior to beginning any interviews.
 3. The panel will rate each applicant in one of the following categories: (1) Highly qualified; (2) Qualified; or (3) Not qualified. An explanation of the deficiencies causing a rating of "Qualified" or "Not Qualified" will be forwarded along with the ratings to the Unit/Section Commander.
 4. At the time the interviews are scheduled, written notification shall be made to the Association. The Association Representative must be present at all interview boards or panels.
- I. **Selection.** The Unit/Section Commander will recommend the selection of an applicant from the pool of applicants rated as "Highly Qualified." The recommendation is forwarded in a memo containing a list of all applicants and their rating through the chain of command to the Bureau Commander. The Bureau Commander will recommend approval of the selected individual or another person rated as "Highly Qualified" and forward the recommendation through the Chain-of-Command to the Chief of Police who has final authority on all transfers.
- J. **Notification and Review.** Transfer orders are prepared and distributed by the Office of the Chief. Upon final approval of the transfer, P&R is notified of the rating of all applicants, the name of the person selected and the deficiencies noted by the interview panel resulting in a rating of less than "Highly Qualified." PRD will notify each applicant of their ratings, any noted deficiencies and the name of the person selected for the position. An officer denied a transfer or job assignment may file a written informational complaint with the Chief of Police. The Chief of Police shall meet personally with the officer within 30-calendar days of written complaint being filed.
- K. **Minimum commitment.** Employees receiving transfer are expected to honor the minimum commitment period (if any) stipulated in the position announcement. The commitment period excludes promotion and special cases will be evaluated by the

unit/section commander on an individual basis. Outstanding transfer requests are purged at the time permanent transfer is granted.

- L. **Temporary transfers (TDY).** TDY transfers are approved through the Executive Staff. Temporary transfers do not change existing staff tables, however, transfer papers are initiated by the Office of the Chief for documentation purposes.

M. **Lateral transfers.** Requests for transfer between Regions may be submitted by personnel assigned to patrol functions and general detectives at any time. Such requests will be considered, however staffing shortages and other mitigating circumstances may prevent approval. Probationary officers may not request transfers. Approved requests for transfers will be forwarded through the P&R to the Executive Staff for final approval and initiation of transfer papers. When multiple requests are made for the same location, selection will be made in the order that Planning received the request. Transfer requests will expire automatically after one year from the date received.

- N. **Specialty unit assignments.** Requests for assistance to and the selection of persons to specialty unit positions follow the same procedure as requests for transfer to all coveted positions except that interviews are handled by the specialty unit commander who will also coordinate the administration of any applicable physical or skills testing required. At the conclusion of the process, the commander will evaluate all scores against predetermined percentage weights and compile a ranked list of qualified applicants. Selection will be made based upon the list.

After the announcement and disqualification process has been complete and the vacancy now falls under as Non-Coveted due to the lack of qualified candidates the Chief may re-announce the vacancy or fill such vacancy; however, the candidate that is selected to fill the vacancy shall meet the original basic qualification requirements on the published announcement.
