

CITY OF EL PASO

El Paso Electric Company Underground Electrical and Transformer Pad Easement

Sam Rodriguez

Underground Easement Agreement

- Property located at 1749 Hawkins
- El Paso Electric Company is requesting an easement to enter and erect, relocate, construct, operate, remove, inspect, access, and maintain an underground electric system consisting of transformers (conventional or pad mount)
- Installation consists of ducts, conduits, fixtures, manholes, handholes, vaults, cables, and wires
- The right of access, ingress, and egress to perform maintenance as needed

Easement Granting

Granting El Paso Electric the right to enter this property for the installation of the transformer will allow them to provide electrical power to the new construction at 1749 Hawkins, El Paso, Texas.

Requested Action

That the City Manager, or designee, be authorized to sign an Underground Electrical and Transformer Pad Easement Agreement with El Paso Electric to provide electrical power to the property located at 1749 Hawkins.
