- 54. That in addition to City created programs, activities, presentations, classes ("City programs") and City produced or supported publications that are offered to the public in conjunction with the missions of the various departments for which the fees are separately established in Schedule C, the City Council authorizes City department directors to create and offer new City programs and publications, on a trial or temporary basis, as may be of benefit to the public and as the directors may deem appropriate and within his/her department's capacity for providing new City programs or publications. The fee for participation in each such new City program or the cost to obtain such a publication shall be established in an amountthat will recover the City's costs to present each such City Program or provide the publication, as reviewed and approved by the City Manager or his/her designee. The City Manager or his/her designee shall maintain a list of all fees approved pursuant to this paragraph, which shall be made available to the public.
- 55. That the City Council sets the level of City funding support to persons and organizations seeking such support for parades that fulfill a public purpose in accordance with the process, criteria and other provisions of Section 13.36.050 E of the City Code, in an amount not to exceed \$175,000, and that the City Manager is authorized to equitably allocate such funding among the qualified applicants and sign funding agreements with such applicants.
- 56. That the City Council sets the maximum level of funding for the Parks and Recreation Department's needs assessment scholarship program, as may be established by ordinance, in the amount of \$200,000, with a maximum benefit per child of \$150, for FY 2022. Receipt of scholarship funds for the Club Rec Program does not count towards the \$150 maximum per child limit.
- 57. That the City Council authorizes the conduct of the Holiday Parade and Tree Lighting as a program event within the Parks and Recreation Department; authorizes funding for the event as established within the City's adopted budget; authorizes the City Manager to determine and approve participation in the event by other City departments and personnel; and authorizes the Parks and Recreation Department to charge the entry fee as set forth in Schedule C to non-City persons and organizations who submit entries in the parade.
- 58. That the City Manager is authorized to revise appropriate budgets within departments to provide for changes of functions and reorganization of departments approved by City Council, to include the transfer of functions, duties and related budgets between departments.
- 59. That the Director of Aviation be authorized to establish a Premium Parking program, as approved by the City Manager, at the airport for public parking at the premium fees set forth in Schedule C, which will allow parking spaces to be reserved in advance by members of the general public.
- 60. That the Director of Aviation be authorized to establish a program, as approved by the City Manager, at the airport whereby the Director or his/her designee may provide gratis airport parking passes as appropriate for the promotion of the airport as the premier gateway for

air transportation for the El Paso region. The total value of all gratis parking passes provided under this program during FY 2022 shall not exceed \$2,000.

#### **SCHEDULE B1**

#### 3.12 CERTIFICATION PAY

A certification pay program is hereby established and the City Manager is authorized to determine if or when the program will be utilized, and when it shall cease. Employees who are receiving certification pay granted pursuant to Ordinance 8064, as amended, on the effective date of this ordinance shall continue to be eligible to receive such certification pay through August 31, 2012. Effective September 1, 2012 determinations of eligibility to receive certification pay will be made each year by the City Council at the recommendation of the City Manager in the annual budget resolution. Each year those employees who are eligible, if any, will be set forth in a schedule attached to the annual budget resolution. The purpose of the program is to provide an incentive to employees to earn and maintain certifications that can be used in the effective and efficient delivery of core business services. **GENERAL INFORMATION:** Tax Code Section 26.04(c) requires an officer or employee designated by the governing body to calculate the No-New-Revenue (NNR) tax rate and Voter-Approval tax rate for the taxing unit. These tax rates are expressed in dollars per \$100 of taxable value calculated. The calculation process starts after the chief appraiser delivers to the taxing unit the certified appraisal roll and the estimated values of properties under protest. The designated officer or employee shall certify that the officer or employee has accurately calculated the tax rates and used values shown for the certified appraisal roll or certified estimate. The officer or employee submits the rates to the governing body by Aug. 7 or as soon thereafter as practicable.

School districts do not use this form, but instead use Comptroller Form 50-859 *Tax Rate Calculation Worksheet*, *School Districts without Chapter 313 Agreements* or or Comptroller Form 50-884 *Tax Rate Calculation Worksheet*, *School District with Chapter 313 Agreements*.

Water districts as defined under Water Code Section 49.001(1) do not use this form, but instead use Comptroller Form 50-858 *Water District Voter-Approval Tax Rate Worksheet for Low Tax Rate and Developing Districts* or Comptroller Form 50-860 *Developed Water District Voter-Approval Tax Rate Worksheet*.

The Comptroller's office provides this worksheet to assist taxing units in determining tax rates. The information provided in this worksheet is offered as technical assistance and not legal advice. Taxing units should consult legal counsel for interpretations of law regarding tax rate preparation and adoption.

#### **SECTION 1: No-New-Revenue Tax Rate**

The NNR tax rate enables the public to evaluate the relationship between taxes for the prior year and for the current year based on a tax rate that would produce the same amount of taxes (no new taxes) if applied to the same properties that are taxed in both years. When appraisal values increase, the NNR tax rate should decrease.

The NNR tax rate for a county is the sum of the NNR tax rates calculated for each type of tax the county levies.

While uncommon, it is possible for a taxing unit to provide an exemption for only maintenance and operations taxes. In this case, the taxing unit will need to calculate the NNR tax rate separately for the maintenance and operations tax and the debt tax, then add the two components together.

| No-New-Revenue Tax Rate Worksheet   | Amount/Rate      |
|---|------------------|
| <b>1. 2020 total taxable value.</b> Enter the amount of 2020 taxable value on the 2020 tax roll today. Include any adjustments since last year's certification; exclude Tax Code Section 25.25(d) one-fourth and one-third over-appraisal corrections from these adjustments. Exclude any property value subject to an appeal under Chapter 42 as of July 25 (will add undisputed value in Line 6). This total includes the taxable value of homesteads with tax ceilings (will deduct in Line 2) and the captured value for tax increment financing (adjustment is made by deducting TIF taxes, as reflected in Line 17). <sup>1</sup> | \$35,032,919,957 |
| <b>2. 2020 tax ceilings.</b> Counties, cities and junior college districts. Enter 2020 total taxable value of homesteads with tax ceilings. These include the homesteads of homeowners age 65 or older or disabled. Other taxing units enter 0. If your taxing units adopted the tax ceiling provision in 2020 or a prior year for homeowners age 65 or older or disabled, use this step. <sup>2</sup>  | \$0              |
| <b>3. Preliminary 2020 adjusted taxable value.</b> Subtract Line 2 from Line 1.   | \$35,032,919,957 |
| 4. 2020 total adopted tax rate.   | \$0.907301/\$100 |
| 5. 2020 taxable value lost because court appeals of ARB decisions reduced 2020 appraised value. A. Original 2020 ARB values:  | \$1,614,394,591  |

#### **SECTION 2: Voter-Approval Tax Rate**

The voter-approval tax rate is the highest tax rate that a taxing unit may adopt without holding an election to seek voter approval of the rate. The voter-approval tax rate is split into two separate rates:

- 1. **Maintenance and Operations (M&O) Tax Rate:** The M&O portion is the tax rate that is needed to raise the same amount of taxes that the taxing unit levied in the prior year plus the applicable percentage allowed by law. This rate accounts for such things as salaries, utilities and day-to-day operations
- 2. **Debt Rate:** The debt rate includes the debt service necessary to pay the taxing unit's debt payments in the coming year. This rate accounts for principal and interest on bonds and other debt secured by property tax revenue.

The Voter-Approval tax rate for a county is the sum of the Voter-Approval tax rates calculated for each type of tax the county levies. In most cases the Voter-Approval tax rate exceeds the No-New-Revenue tax rate, but occasionally decreases in a taxing unit's debt service will cause the NNR tax rate to be higher than the voter-approval tax rate.

# SECTION 3: NNR Tax Rate and Voter-Approval Tax Rate Adjustments for Additional Sales Tax to Reduce Property Taxes

Cities, counties and hospital districts may levy a sales tax specifically to reduce property taxes. Local voters by election must approve imposing or abolishing the additional sales tax. If approved, the taxing unit must reduce its NNR and voter-approval tax rates to offset the expected sales tax revenue.

This section should only be completed by a county, city or hospital district that is required to adjust its NNR tax rate and/or voter-approval tax rate because it adopted the additional sales tax.

# SECTION 4: Voter-Approval Tax Rate Adjustment for Pollution Control

A taxing unit may raise its rate for M&O funds used to pay for a facility, device or method for the control of air, water or land pollution. This includes any land, structure, building, installation, excavation, machinery, equipment or device that is used, constructed, acquired or installed wholly or partly to meet or exceed pollution control requirements. The taxing unit's expenses are those necessary to meet the requirements of a permit issued by the Texas Commission on Environmental Quality (TCEQ). The taxing unit must provide the tax assessor with a copy of the TCEQ letter of determination that states the portion of the cost of the installation for pollution control.

This section should only be completed by a taxing unit that uses M&O funds to pay for a facility, device or method for the control of air, water or land pollution.

# SECTION 5: Voter-Approval Tax Rate Adjustment for Unused Increment Rate

The unused increment rate is the rate equal to the difference between the adopted tax rate and voter-approval tax rate before the unused increment rate for the prior three years.<sup>39</sup> In a year where a taxing unit adopts a rate by applying any portion of the unused increment rate, the unused increment rate for that year would be zero.

The difference between the adopted tax rate and voter-approval tax rate is considered zero in the following scenarios:

- a tax year before 2020; and<sup>40</sup>
- a tax year in which the municipality is a defunding municipality, as defined by Tax Code Section 26.0501(a);<sup>41</sup> or
- after Jan. 1, 2022, a tax year in which the comptroller determines that the county implemented a budget reduction or reallocation described by Local Government Code Section 120.002(a) without the required voter approval.<sup>42</sup>

This section should only be completed by a taxing unit that does not meet the definition of a special taxing unit.<sup>43</sup>

| Unused Increment Rate Worksheet   | Amount/Rate      |
|---|------------------|
| <b>63. 2020 unused increment rate.</b> Subtract the 2020 actual tax rate and the 2020 unused increment rate from the 2020 voter-approval tax rate. If the number is less than zero, enter zero. If the year is prior to 2020, enter zero.   | \$0.005995       |
| <b>64. 2019 unused increment rate.</b> Subtract the 2019 actual tax rate and the 2019 unused increment rate from the 2019 voter-approval tax rate. If the number is less than zero, enter zero. If the year is prior to 2020, enter zero  | \$0              |

### **SECTION 6: De Minimis Rate**

The de minimis rate is the rate equal to the sum of the no-new-revenue maintenance and operations rate, the rate that will raise \$500,000, and the current debt rate for a taxing unit.<sup>42</sup>

This section should only be completed by a taxing unit that is a municipality of less than 30,000 or a taxing unit that does not meet the definition of a special taxing unit. $^{43}$

### SECTION 7: Voter-Approval Tax Rate Adjustment for Emergency Revenue Rate

In the tax year after the end of the disaster calculation time period detailed in Tax Code Section 26.042(a), a taxing unit that calculated its voter-approval tax rate in the manner provided for a special taxing unit due to a disaster must calculate its emergency revenue rate and reduce its voter-approval tax rate for that year. 46

Similarly, if a taxing unit adopted a tax rate that exceeded its voter-approval tax rate, calculated normally, without holding an election to respond to a disaster, as allowed by Tax Code Section 26.042(d), in the prior year, it must also reduce its voter-approval tax rate for the current tax year.

**NOTE:** This section will not apply to any taxing units in 2021. It is added to implement Senate Bill 1438 (87th Regular Session) and does not apply to a taxing unit that calculated its voter-approval tax rate in the manner provided for a special taxing unit due to a declared disaster in 2020, as provided for in the recently repealed Tax Code Sections 26.04(c-1) and 26.041(c-1).

In future tax years, this section will apply to a taxing unit other than a special taxing unit that:

- directed the designated officer or employee to calculate the voter-approval tax rate of the taxing unit in the manner provided for a special taxing unit in the prior year; and
- the current year is the first tax year in which the total taxable value of property taxable by the taxing unit as shown on the appraisal roll for the taxing unit submitted by the assessor for the taxing unit to the governing body exceeds the total taxable value of property taxable by the taxing unit on January 1 of the tax year in which the disaster occurred or the disaster occurred four years ago.

In future tax years, this section will also apply to a taxing unit in a disaster area that adopted a tax rate greater than its voter-approval tax rate without holding an election in the prior year.

Note: This section does not apply if a taxing unit is continuing to calculate its voter-approval tax rate in the manner provided for a special taxing unit because it is still within the disaster calculation time period detailed in Tax Code Section 26.042(a) because it has not met the conditions in Tax Code Section 26.042(a)(1) or (2).
