**AN EMERGENCY ORDINANCE EXTENDING EMERGENCY
ORDINANCE NO. 019333 AUTHORIZING THE CITY MANAGER TO ASSIGN
PERSONNEL AND RESOURCES TO ASSIST IN ADDRESSING THE HUMANITARIAN
AND PUBLIC SAFETY CRISIS RESULTING FROM A MASS MIGRATION THROUGH EL
PASO**

WHEREAS, on May 23, 2022, the Mayor and City Council of the City of El Paso (the “City”) passed an Emergency Ordinance No. 019333 “Authorizing the City Manager to Assign Personnel and Resources to Assist in Addressing the Humanitarian and Public Safety Crisis Resulting from a Mass Migration through the City of El Paso”; and

WHEREAS, the City finds that the expenditure of public funds for staff to coordinate resources and supplies, serve as shelter surge staff and transport migrants released in the City of El Paso accomplishes a valid public purpose of protecting public infrastructure, and protecting the health, safety and welfare of the citizens of El Paso; and

WHEREAS, in response to potential street releases and partly pursuant to Emergency Ordinance No. 019333, the El Paso City-County Office of Emergency Management (“OEM”) reallocated COVID-19 Operations staff to assist as migrant shelter surge staff and created a job specification, for general disaster operations to include humanitarian relief duties to hire and assign staff to assist with NGO capacity; and

WHEREAS, in the Fall of 2022, at least partly pursuant to the authority contained in Emergency Ordinance No. 019333, the City expended significant resources to create and staff a Welcome Center to assist with transportation assistance, providing long-distance charter services and over 39,000 meals to over 19,300 migrants through October 20, 2022; and

WHEREAS, the Director of Aviation has the authority, as granted by the El Paso City Council, to manage the day-to-day operations of the El Paso International Airport (“EPIA”) and to ensure that those operations are conducted in compliance with the rules and regulations regarding airports under Title 14 of the Code of Federal Regulations, Chapter 22 of the Texas

Transportation Code, and Title 14 of the El Paso City Code, as well as federal, state, and local health and safety regulations to ensure the health, safety, and welfare of all occupants and travelers making use of EPIA facilities; and

WHEREAS, from time to time during the migration waves, EPIA in recent past, has become saturated with migrants awaiting air travel and has needed to take measures to preserve the health and safety of its customers, employees and the public, as well as measures to secure its facilities as the demand for air travel increases exponentially; and

WHEREAS, the City of El Paso is home to four international ports of entry between Texas and Mexico; and

WHEREAS, at times during the pendency of Emergency Ordinance No. 019333, border officials have barricaded and closed down the Paso del Norte bridge due to a breach of public safety involving hundreds of migrants present on the bridge attributed to rumors about the relaxation of immigration restrictions circulated on social media sites, which has caused significant delays at the international ports-of-entry involving trade; and

WHEREAS, the encampment of large groups of migrants on City rights of way, parks and other City property at one point led to street closures and cessation of the streetcar service and reassignment of City staff required to ensure safety and sanitary conditions in that area; and

WHEREAS, in order to protect the health of persons in the municipality, the City Council wishes to continue to assist the local non-governmental organizations (“NGOs”) with surge staff, coordination of resources and supplies, and transportation in light of the continued high number of community releases; and

WHEREAS, the Biden administration ended the COVID-19 public health emergency on May 11, 2023 ending all use of Title 42 as a mechanism to control the border; and

WHEREAS, at that time and subsequent to that time, tens of thousands of migrants from Latin America and around the world gathered at or near the U.S.- Mexico border in hopes that President Biden would ease immigration restrictions that will make it easier to enter the United States; and

WHEREAS, the El Paso sector of U.S. Customs and Border Patrol (“CBP”) had 482,095 land border encounters and over 174,000 community releases in the federal fiscal year 2023; and

WHEREAS, for federal fiscal year 2024, the Southwest had 1,520,502 migrant encounters and

WHEREAS, when the CBP Central Processing Center is over capacity and the NGO space is unavailable, that is when the potential for street releases arises; and

WHEREAS, the release of mass groups of people without access to potable water, food, or shelter exposes the migrants and El Paso residents to the origination and spread of potential and actual disease; and

WHEREAS, there are significant public safety and security concerns related to the waves of migration, including but not limited to the risk of injury or loss of life with migrants in El Paso streets with little or no resources on days that reach hot or cold temperatures and the inherent risks that come with increased demand on local shelters; and

WHEREAS, for these reasons, the City is faced with the imminent threat of widespread injury or loss of life resulting from a surge in transient migrants traveling to the region; and

WHEREAS, there is the potential for loss of property for both residents and migrants due to those who would take financial advantage of these waves of migrants; and

WHEREAS, the El Paso City Charter Section 3.10, allows for the adoption of one or more emergency ordinances to meet a public emergency affecting life, health, property, or the public peace; and

WHEREAS, Section 121.003 of the Texas Health & Safety Code states that a municipality may enforce any law that is reasonably necessary to protect public health; and

WHEREAS, Section 122.006 of the Texas Health & Safety Code provides home-rule municipalities express authority to adopt rules to protect the health of persons in the municipality, including quarantine rules to protect the residents against communicable disease; and

WHEREAS, this Ordinance shall remain in effect until otherwise terminated, re-enacted, superseded by a conflicting ordinance, El Paso Local Health Authority Ordinance, state or federal law, or repealed automatically as of the 31st day following the date on which it was adopted unless re-enacted pursuant to City Charter Section 3.10; and

WHEREAS, this document reflects the authority of the City of El Paso's Office of Emergency Management in the handling of the local mass migration and is separate and apart from any authority possessed by any other jurisdiction on migrant issues.
