NOTICE OF WORK SESSION OF THE EL PASO CITY COUNCIL

March 13, 2023
COUNCIL CHAMBERS, CITY HALL, 300 N. CAMPBELL AND VIRTUALLY
9:05 AM

Teleconference phone number 1-915-213-4096
Toll free number: 1-833-664-9267
Conference ID: 660-730-347#

Notice is hereby given that a Work Session of the City Council of the City of El Paso will be conducted on March 13, 2023 at 9:05 A.M. Members of the public may view the meeting via the following means:

Via the City's website. <http://www.elpasotexas.gov/videos>
Via television on City15,
YouTube: <https://www.youtube.com/user/cityofelpasotx/videos>

In compliance with the requirement that the City provide two-way communication for members of the public, members of the public may communicate with Council during public comment, and regarding agenda items by calling the following number:

1-915-213-4096 or Toll free number: 1-833-664-9267

At the prompt please enter Conference ID: 660-730-347#

The public is strongly encouraged to sign up to speak on items on this agenda before the start of this meeting on the following link:

<https://elpasotx.seamlessdocs.com/f/SpeakerSignUpFormItem>

The following members of City Council will be present via video conference:

Representatives Cassandra Hernandez and Isabel Salcido

A quorum of City Council must participate in the meeting.

AGENDA

1. Provide a quarterly presentation to the City Council on operations of the water and wastewater utilities. [23-338](#)
All Districts
El Paso Water, John E. Balliew, (915) 594-5501
2. Presentation and Update on the City of El Paso Downtown + Uptown Master Plan. [23-339](#)
District 8
Capital Improvement Department, Joaquin Rodriguez, (915) 268-5148
3. Information and discussion on Electric Vehicle (EV) Charging Stations on City Right-Of-Way. [23-359](#)
All Districts
Economic and International Development, Ian Voglewede, (915) 212-9409

EXECUTIVE SESSION

The following members of City Council will be present via video conference:

Representatives Cassandra Hernandez and Isabel Salcido

The City Council of the City of El Paso may retire into EXECUTIVE SESSION pursuant to Section 3.5A of the El Paso City Charter and the Texas Government Code, Chapter 551, Subchapter D, to discuss any of the following: (The items listed below are matters of the sort routinely discussed in Executive Session, but the City Council of the City of El Paso may move to Executive Session any of the items on this agenda, consistent with the terms of the Open Meetings Act and the Rules of City Council.) The City Council will return to open session to take any final action and may also, at any time during the meeting, bring forward any of the following items for public discussion, as appropriate.

Section 551.071	CONSULTATION WITH ATTORNEY
Section 551.072	DELIBERATION REGARDING REAL PROPERTY
Section 551.073	DELIBERATION REGARDING PROSPECTIVE GIFTS
Section 551.074	PERSONNEL MATTERS
Section 551.076	DELIBERATION REGARDING SECURITY DEVICES OR SECURITY AUDITS
Section 551.087	DELIBERATION REGARDING ECONOMIC DEVELOPMENT NEGOTIATIONS
Section 551.089	DELIBERATION REGARDING SECURITY DEVICES OR SECURITY AUDITS; CLOSED MEETING

Goal 6: Set the Standard for Sound Governance and Fiscal Management

Discussion and action on the following:

- EX1.** Lilia Gutierrez v. City of El Paso. Matter No. 21-1045-119 (551.071) [23-353](#)

City Attorney's Office, Carlos Gomez Baca, (915) 212-0033

EX2. Duncan Parking Technologies. Matter No. 22-1010-1127 (551.071)

[23-354](#)

City Attorney's Office, Ayana I. Estrada, (915) 212-0033

EX3. Purchase, exchange, lease, or value of real property located in Downtown El Paso. Matter No. 16-1040-1083.046|HQ#495 (551.071) (551.072)

[23-357](#)

Streets and Maintenance, Mary Lou Espinoza, (915) 212-0065
City Attorney's Office, Juan Gonzalez, (915) 212-0033

EX4. Purchase, lease, exchange of real property located in East El Paso. Matter No. 23-1007-3029|HQ#479 (551.071)(551.072)

[23-358](#)

Economic and International Development, Elizabeth Triggs, (915) 212-0095
City Attorney's Office, Juan Gonzalez, (915) 212-0033

ADJOURN

NOTICE TO THE PUBLIC:

If you need Spanish Translation Services, you must email CityClerk@elpasotexas.gov at least 72 hours in advance of the meeting.

ALL REGULAR CITY COUNCIL AGENDAS ARE PLACED ON THE INTERNET THURSDAY PRIOR TO THE MEETING AT THE ADDRESS BELOW:

Provide a quarterly presentation to the City Council on operations of the water and wastewater utilities.

**CITY OF EL PASO, TEXAS
AGENDA ITEM
DEPARTMENT HEAD'S SUMMARY FORM**

AGENDA DATE: March 13, 2023 – Council Work Session

PUBLIC HEARING DATE: N/A

CONTACT PERSON(S) NAME AND PHONE NUMBER:

John E. Balliew, P.E.; President & CEO, El Paso Water; (915) 594-5501

DISTRICT(S) AFFECTED: All

STRATEGIC GOAL: Goal 7 – Enhance and sustain El Paso's infrastructure network

SUBGOAL: Goal 7.1 – Provide reliable and sustainable water supply and distribution systems and stormwater management.

SUBJECT:

Provide a quarterly presentation to the City Council on operations of the water and wastewater utilities.

BACKGROUND / DISCUSSION:

El Paso Water President & CEO John Balliew will provide a quarterly presentation to the city council on water system resiliency, customer resiliency and affordability, and sustainability initiatives.

PRIOR COUNCIL ACTION:

Council has received regular quarterly presentations from EPWater, most recently on Dec. 12, 2022.

AMOUNT AND SOURCE OF FUNDING:

N/A

HAVE ALL AFFECTED DEPARTMENTS BEEN NOTIFIED? X YES NO

PRIMARY DEPARTMENT: El Paso Water

SECONDARY DEPARTMENT:

*****REQUIRED AUTHORIZATION*****

DEPARTMENT HEAD:

(If Department Head Summary Form is initiated by Purchasing, client department should sign also)

Quarterly Presentation to El Paso City Council

John Balliew, PE
President & CEO

March 13, 2023

Topics for this quarter's presentation

- Water system resiliency
- Customer resiliency
- Sustainability initiatives
- Working with you

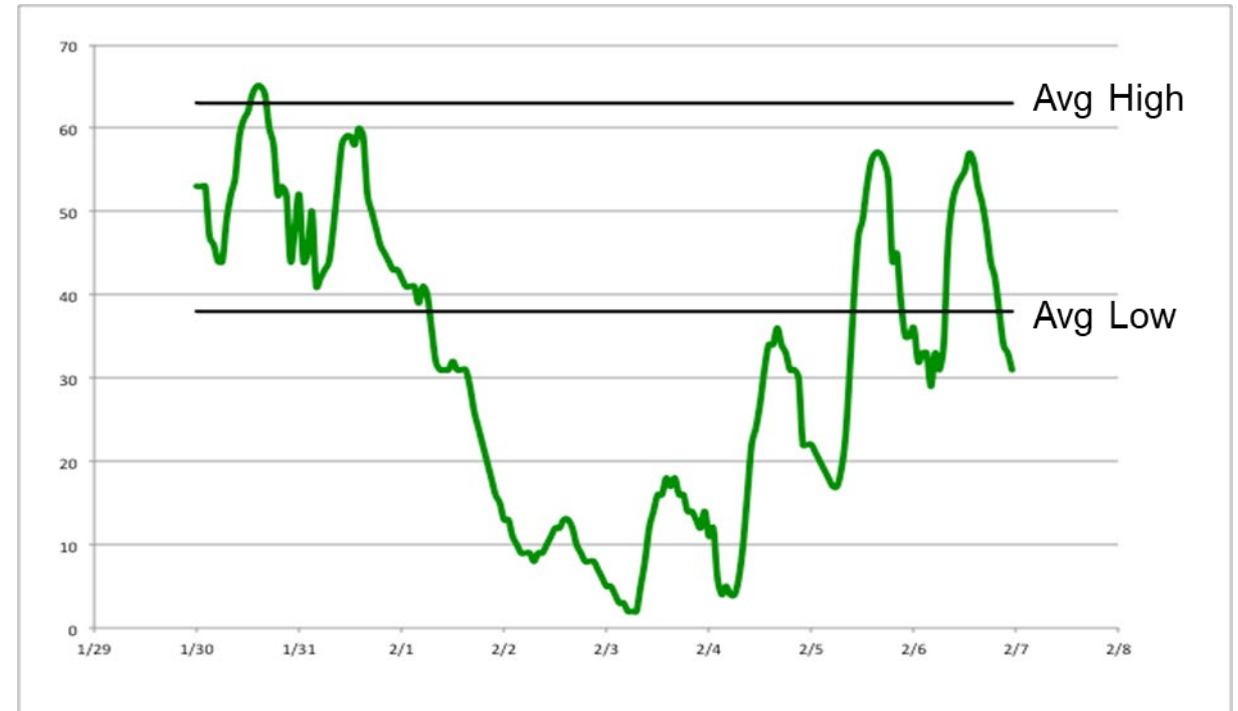

System Resiliency

Resiliency during emergencies

The 2011 Freeze was a wake-up call

- Controls and pumps froze and failed, causing depletion of reservoirs and resulting water shortages
- Mayor John Cook declared a water emergency
- Burst pipes – mostly on private properties – resulted in 43,000 calls over six days, inundating customer service and 911 call center

2011 – Worst weather in 45 years

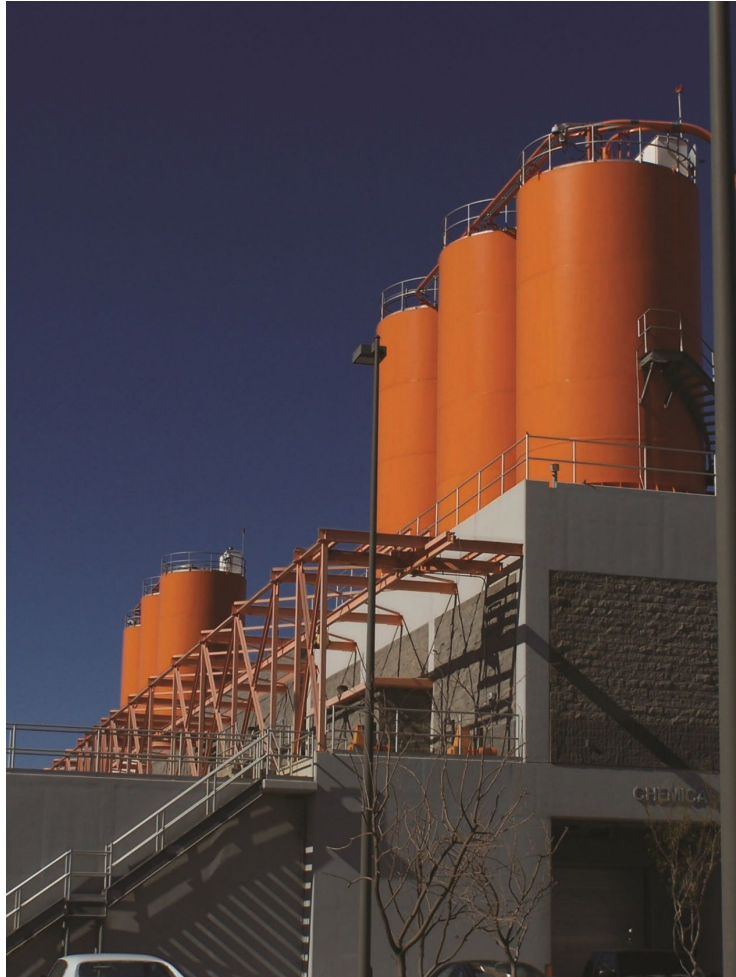

El Paso was protected in recent storms

Improvements made to weatherize the water and wastewater systems after 2011 included:

- \$35 million investment in back up power generation
- New reservoirs for added storage
- Physical protection of systems and hardware

Building resiliency into more systems

In 2021, the Texas Legislature passed Senate Bill 3 in response to Winter Storm Uri, and the Governor signed it into law.

- The bill requires water utility systems to be able to operate in extreme weather and have sufficient backup power for as long as needed
- EPWater's FY 23/24 budget includes \$32.5 million for additional improvements to:
 - Storage tanks
 - Pump stations
 - Additional power generation
- Future fiscal years will see another \$68 million in improvements

EPWater has a large pipeline distribution system

- 5,200 miles maintained (water and wastewater)
- Equivalent to a trip from El Paso to Seattle to Chicago and back to El Paso
- Average age of installed pipes:
 - 45 years old for wastewater
 - 37 years old for water

El Paso's main breaks better than national average

- EPWater maintains 2,850 miles of water lines throughout our service area.
- On average, the system experiences eight breaks per 100 miles of pipe
 - The national average is about 25 breaks per 100 miles of pipe
- EPWater is proactive in replacing aging water lines

New tech for resilient systems

- EPWater started the leak detection program in 2001, long before other cities and utilities
 - Leak detection – includes about 12,000 leak detection loggers for small diameter lines
 - CCTV inspections and electromagnetic robot inspection for larger lines
- EPWater proactively replaces pipes in areas where intel show breaks could occur in the future.
- We are upgrading to a newer condition assessment model to improve our capabilities to analyze our systems and predict potential line failures

EPWater contributes to new street paving yearly

- EPWater takes advantage of tunneling methods where possible to avoid impact to street pavement and disruption to traffic
- Many EPWater construction projects result in full street repaving from curb to curb
- In 2022, EPWater spent a total of **\$10 million** in street repaving

Neighborhood outreach -major construction project

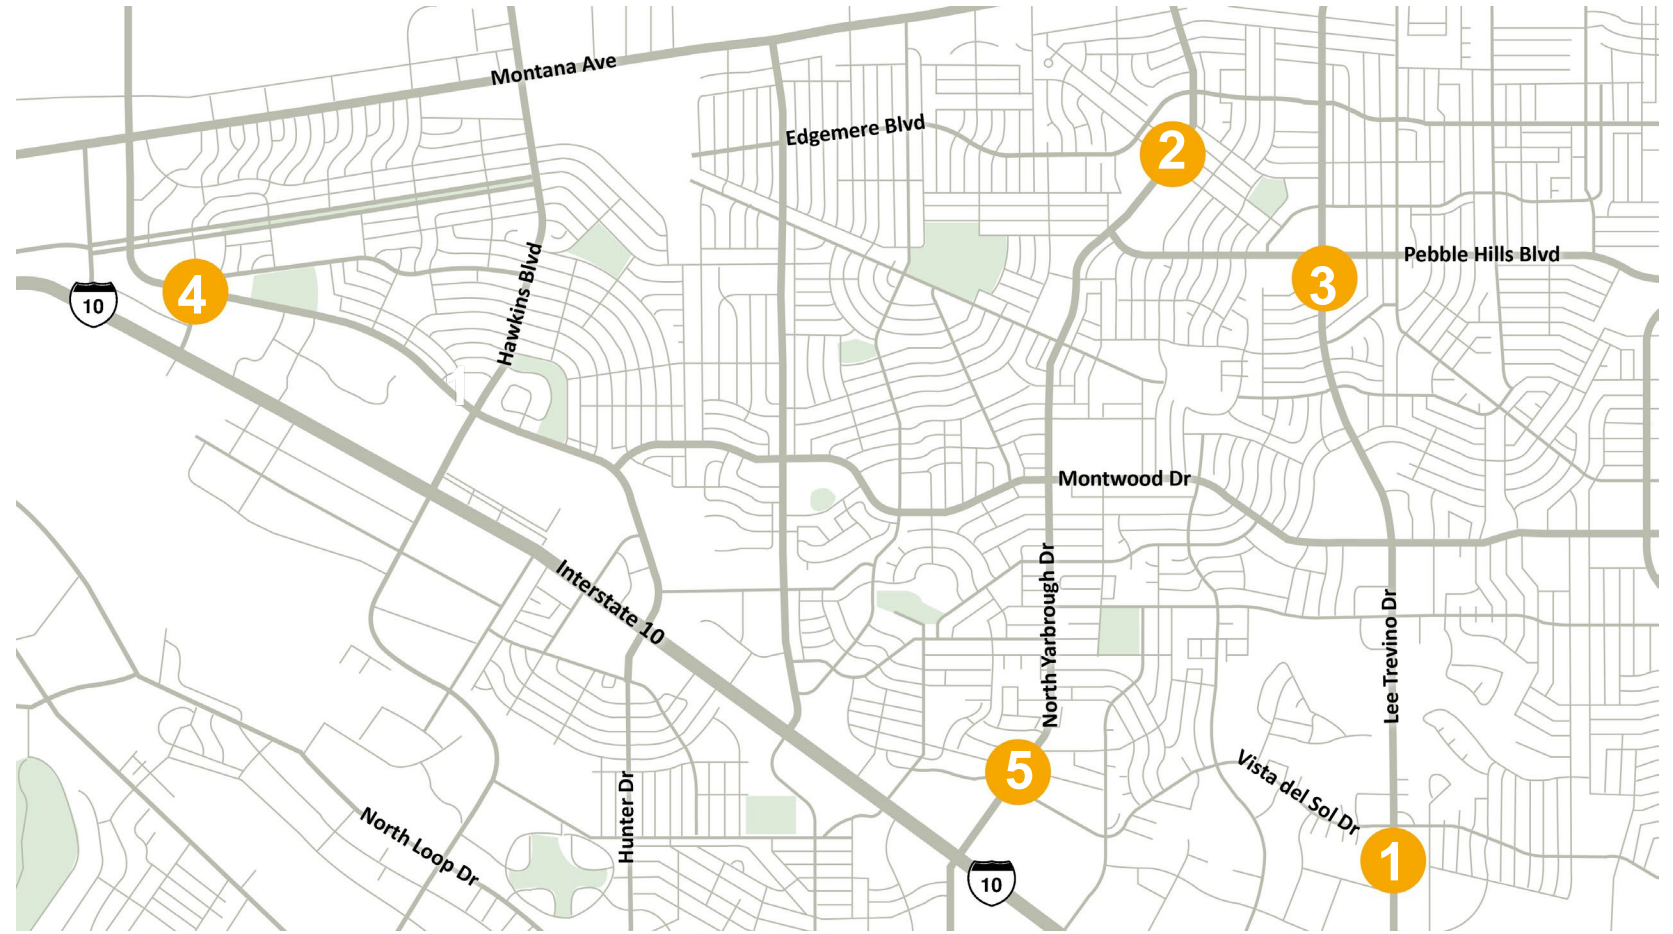

Pipeline Protection Project

- Proactively replacing water lines near high-pressure gas lines to prevent corrosion and avoid breaks
- Hosting community meetings near project sites to make residents aware of possible impacts
- Project will utilize tunneling method where possible to avoid impacts to traffic and street pavement

Water and gas line crossing locations

5 locations for line replacements:

1. Lee Trevino Drive at Vista del Sol
2. Yarbrough Drive at Kinross
3. Lee Trevino Drive at Pebble Hills
4. Viscount Blvd at Airway
5. Yarbrough at Vista del Sol

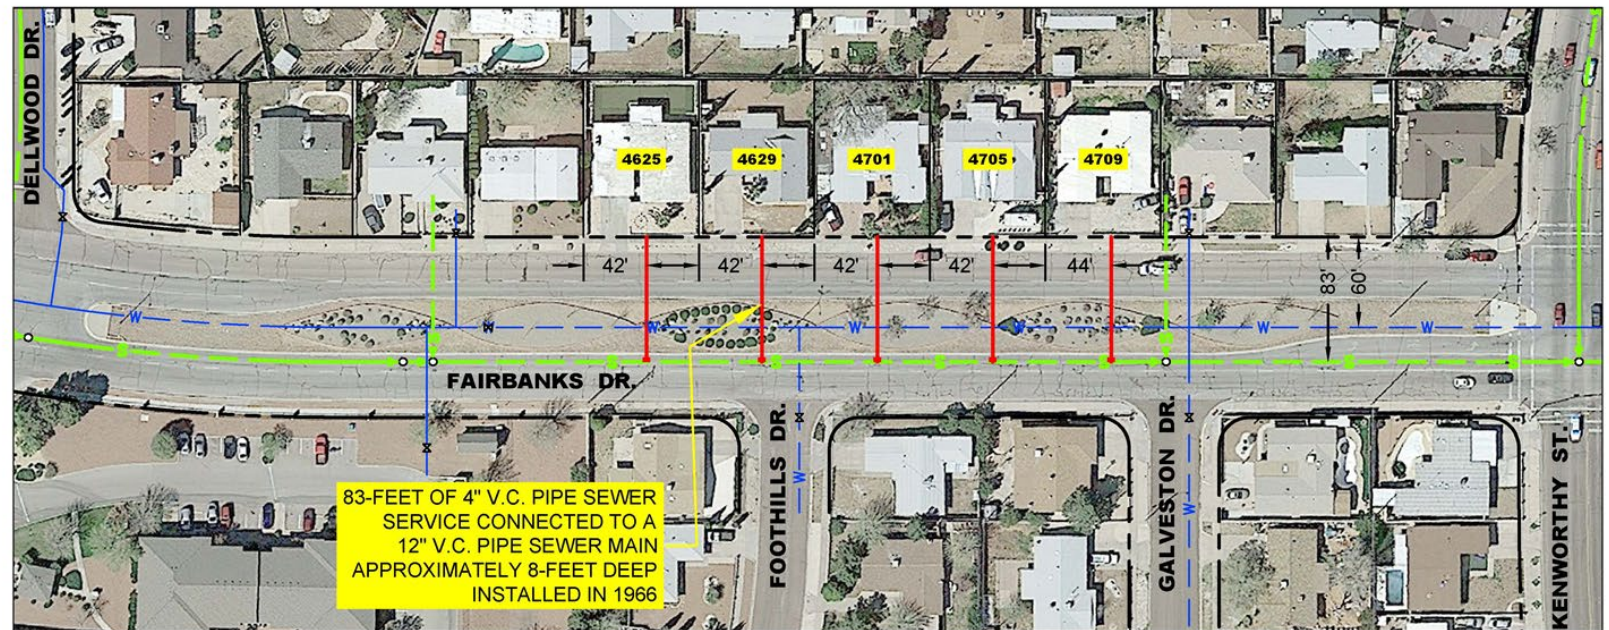

Customer Resiliency

Helping customers improve their own resiliency

PSB amended rules and regulations in 2022 to change the point of ownership of sewer lines from the main to the property line

- Previously owners were responsible for sewer service line beyond their property line
- Change will save customers from costly repairs in areas outside of their control

Fairbanks Street Sanitary Sewer Main & Services

New programs to benefit customers

The PSB recently approved adoption of two new programs to help our customers

- Service Line Warranty Program (opt-in): Covers leaks or breaks in customers' service lines, which is very expensive and can save customers thousands of dollars
- Leak Protection Program (opt-out): Excess water use adjustment of 100% up to \$1000 for enrolled customers who experience a leak on their property
 - Customers are automatically enrolled for \$0.98 a month (residential) and may opt-out at any time with a full refund for the first year.
 - Saves customers from burden of lost water cost when paying for costly repairs

Tackling challenges of leaks and water loss

- Leaks are expensive for our customers and to EPWater
- Leaks result in water loss, threatening conservation goals
- EPWater is working to reduce water loss at every point in our distribution system and helping our customers reduce water loss, too
- National figures show that an estimated 10% of customers experience a leak in any given year
- Utility receives no compensation from the program

Annual utility figures (based on 3-year avg):

- **\$1,642,827** in leak adjustment requests
- **3,891** customers requesting leak adjustments
- **\$422** average cost of leak adjustment per customer (out of pocket tends to range from 50-100% of that amount)

Coming soon: AguaRepairs

- EPWater is preparing to post an RFP to partner with one or more non-profit organizations that will administer a new program to help low-income customers with leak repairs.
 - Habitat for Humanity and Rebuilding Together have both expressed interest
- Non-profit partner will qualify customers and contract plumbers to perform the necessary repair work. EPWater will provide a set amount of funding for repair work.

Partnerships + federal funding helps customers

Year	Customers Assisted	Total Amounts
2020	2,566	\$ 682,356
2021	2,821	\$1,736,023
2022	5,688	\$1,608,469

Sustainability

Energy management initiatives

Collaboration with EPE's Large Commercial Solutions team on a major project at our Rogers plant saved 872 kilowatts and corresponding amount of CO₂ that would be equivalent to removing 859 passenger cars from road. (2021)

Energy Master Plan is guiding energy efficiency improvements

- Installed power meters on all significant electric motors at wastewater plants to trend and benchmark each sub-process at plants. Planning to do the same at water plants.
- Pump testing pilot program (since pumps consume much of the electricity used by utility) to plan for upgrades of those underperforming

Derceto program offers AI energy management systems

Renewable energy initiatives

Feasibility study underway on viability, alternatives and cost-benefit of renewable energy sources to power plant operations

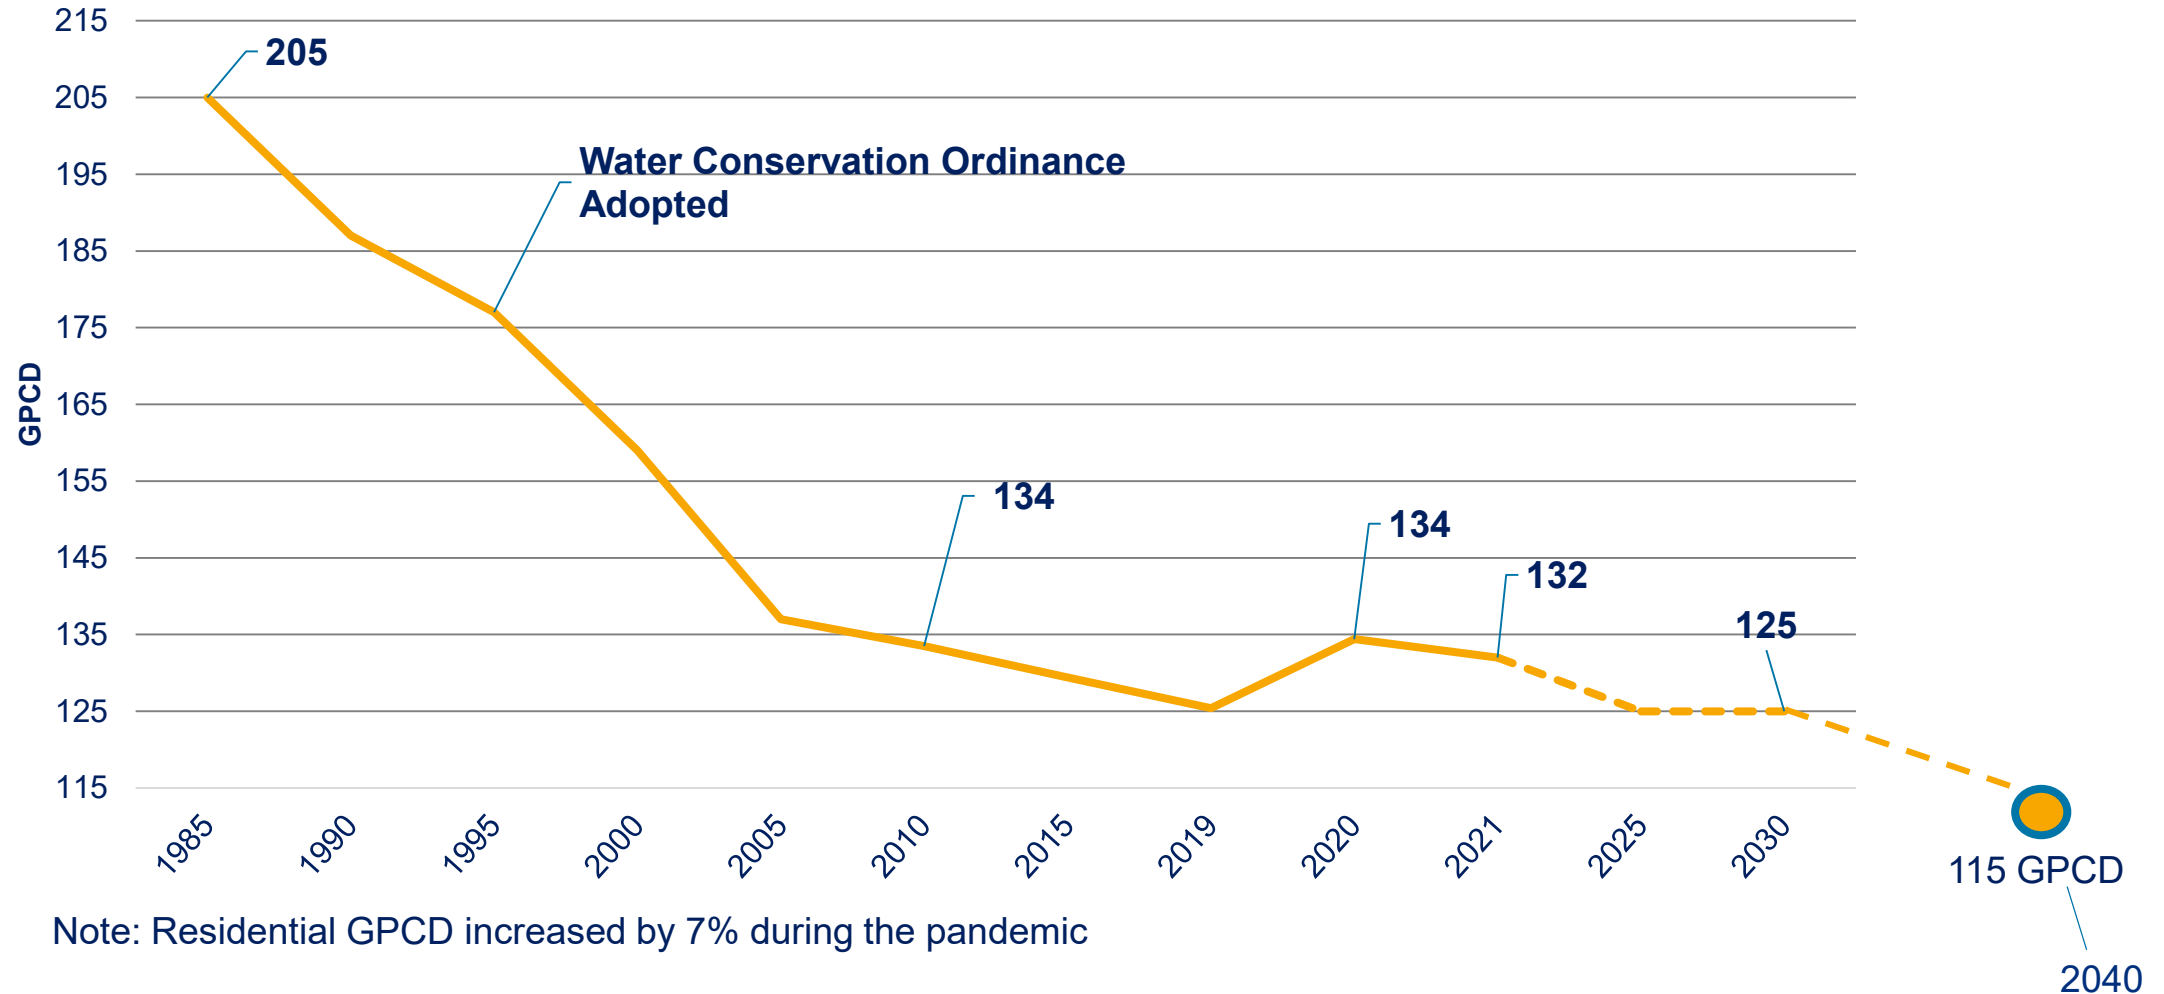

- Biogas Power Generation
 - Project uses biogas generated in treatment process to help power Haskell wastewater plant
- Fred Hervey Solar Farm
 - The northeast plant has emerged as an ideal location for photovoltaic power generation

Climate change action

- EPWater has been monitoring drought and climate change for years and continually adapts plans to assure a sustainable water future
- EPWater's sustainability lead serves on Rep. Veronica Escobar's Climate Change Action Committee
 - Contributed water resiliency chapter of regional climate change action plan

Water conservation is key to water resiliency

Working With You

PSB Selection Committee Appointed by Council

PSB Selection Committee consists of:

- Current PSB members
- Eight council appointees
 - Each council member appoints one member to the committee

Committee convenes to :

- Review applications from candidates
- Rank candidates
- Select top three candidates for council consideration
- Select one candidate to appoint to PSB

PSB Selection Committee Members

Dist. 1 – Richard Teschner	Dist. 5 – Juan Uribe
Dist. 2 – Edward Escudero	Dist. 6 – Christian Botello
Dist. 3 – Susie Byrd	Dist. 7 – Richard Martinez
Dist. 4 – Nicholas Costanzo	Dist. 8 – Angie Rosales

Land Sales and Bond Approvals

City council considers and approves utility land sales and bond sales

- Land sales involve parcels deemed inexpedient to the systems
 - Proceeds used to help offset future rate increases
 - Percentage of proceeds paid to City by ordinance
- Bond sales are necessary to fund critical infrastructure projects

EPWater provided the land for
Haddox Family Park in Central El Paso

Increasing avenues of communication

- Water 101 briefings are provided to new council members to provide an overview of the utility and its operations
- Updates on key projects
 - Regular communication is provided to council members on new initiatives and construction projects within given districts
- EPWater Open House and Tours
 - A new initiative to offer Council and constituent access to EPWater staff and facilities upon request

Thank You

Downtown + Uptown

Engagement, Planning Process,
and Adoption Strategy

City Council 3/13/2023

Downtown + Uptown Overview

Progress

- **Kickoff March 2022**
 - Opportunities & Analysis
 - Planning Framework
 - Implementation & Reporting
 - Adoption

Plan Adoption

- **Target April 2023 with three (3) presentations to City Council**
 - February: Public engagement
 - March: Major findings
 - April: Implementation strategies

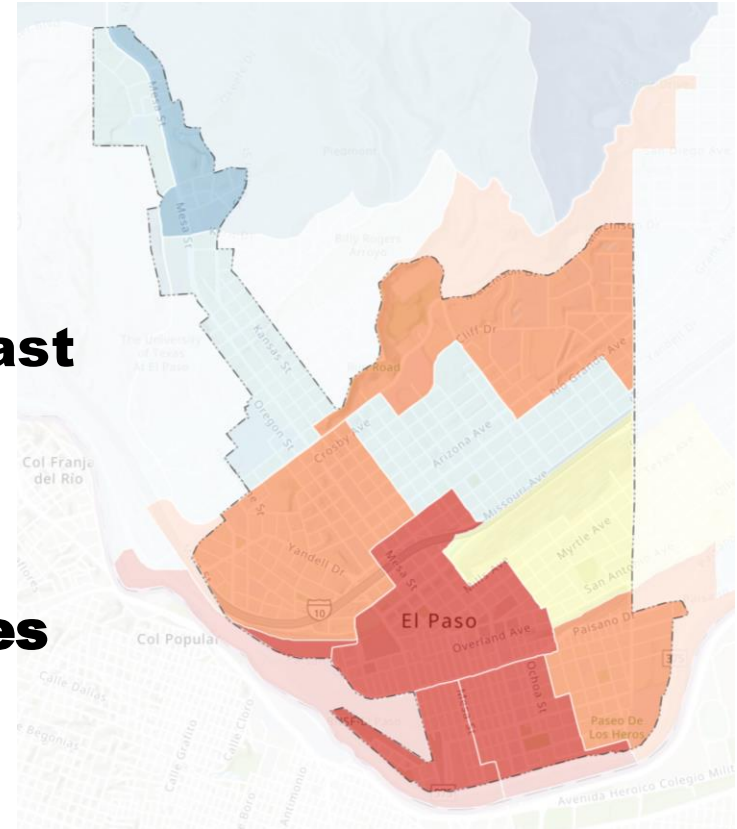

Downtown + Uptown – An Era of Success

Downtown & Arts District Successes

- **\$501M in Economic Impact**
- **142% Increase in Hotel Rooms**
- **66% Increase in Large Events & Festivals**
 - 29,000 people Dia de Los Muertos
 - 6 Week Long Winterfest
 - 40,000 people Chalk the Block
- **\$700M in public and private development in the last 10 years.**

How do we keep going?

- **Capitalize on wage growth & demographic changes**
- **Prioritize housing and density in Downtown**
- **Extend these successes to Uptown**

Downtown + Uptown Engagement Objectives

Something for Everyone

We use the appropriate communication tools to inform, invite and engage residents into the work with us.

We engaged with neighborhoods using more than 31 different methods.

The work paid off, hearing from more than 605 participants.

opportunities for
everyone

Downtown + Uptown Community Values

Community Lotería

- **Focused on South El Paso Residents**
 - Community Lotería illustrated possibilities
 - Culturally relevant in English and Spanish
 - Community prioritized their highest values

Prioritized the Value of Community Desires

- **Increased awareness, inclusion and trust**
 - Created a new way to learn and share information
 - 140 participants
 - Provided tangible results included in the plan

Downtown + Uptown Engagement Outcomes

Downtown + Uptown Vision Defined

Vision

El Paso's Downtown + Uptown city center is walkable and promotes a strong sense of community because it is safe, inclusive, affordable, sustainable, and supports a high quality-of-life for existing and new residents. The area celebrates the city's rich history and vibrant future with equitable access to expanded economic opportunity, recreation, and culture by walking, bicycling, and using public transit.

Downtown + Uptown Plan Goals Defined

The Community said...

Promote affordability with expanded housing options

Create and improve public areas with a focus on health and safety to attract interest to the city center

Celebrate El Paso's unique living culture, design heritage, and diverse community

Establish a virtuous cycle between public transit and existing neighborhoods, new development, and active public transportation

Increase economic activity and talent retention with a vibrant downtown

Downtown + Uptown Next Presentations

Information and discussion on Electric Vehicle (EV) Charging Stations on City Right-Of-Way.

**CITY OF EL PASO, TEXAS
AGENDA ITEM
DEPARTMENT HEAD'S SUMMARY FORM**

AGENDA DATE: March 13, 2023

PUBLIC HEARING DATE:

CONTACT PERSON(S) NAME AND PHONE NUMBER: Ian Voglewede (915) 299-9409

DISTRICT(S) AFFECTED: All

STRATEGIC GOAL: Goal 8 - Nurture and Promote a Healthy, Sustainable Community

SUBGOAL: 8.4 - Develop and implement a comprehensive climate action plan

SUBJECT:

APPROVE a resolution / ordinance / lease to do what? OR AUTHORIZE the City Manager to do what? Be descriptive of what we want Council to approve. Include \$ amount if applicable.

Information and Discussion on Electric Vehicle (EV) Charging Stations on City Right-of-way

BACKGROUND / DISCUSSION:

Discussion of the what, why, where, when, and how to enable Council to have reasonably complete description of the contemplated action.

This should include attachment of bid tabulation, or ordinance or resolution if appropriate. What are the benefits to the City of this action?

What are the citizen concerns?

As part of the City's efforts to encourage Electric Vehicle adoption, the city is exploring granting a special privilege license to El Paso Electric for the placement of charging stations in public parking locations.

PRIOR COUNCIL ACTION:

Has the Council previously considered this item or a closely related one?

On December 13th, City Council approved an electric vehicle charging tariff to enable El Paso Electric to participate in the placement of charging stations throughout the city as part of a pilot program.

AMOUNT AND SOURCE OF FUNDING:

How will this item be funded? Has the item been budgeted? If so, identify funding source by account numbers and description of account. Does it require a budget transfer?
