RE: Municipal Court Judge – Court 4

Dear Selection Committee:

I am a law graduate of the University of Wisconsin Law School, and I am a member of the State Bar of Wisconsin as well as the State Bar of Texas. I am a practicing criminal defense attorney in the borderland area, and I am writing to express my sincere interest in working with the City of El Paso as a Municipal Court Judge. As you will note from my resume, I have gained considerable experience as I served as the Municipal Court Judge for the City of Socorro for three years, as well as the Municipal Court Judge for the Town of Clint. I have been a solo practitioner with a focus in the area of criminal defense for over 6 years, and I am an exceptional candidate for this position because it couples my practical interests and experience nicely.

I have the necessary skills needed to be beneficial to the City of El Paso. I am fluent in both English and Spanish, which will allow me to communicate well with clients in their native language. I am able to relate well with others due to my personal background. I was born in Las Cruces, New Mexico, but raised in Socorro, Texas, as the first daughter of immigrant parents. Growing up and working in the borderland community has widened my horizons. I am able to interact with a variety of people from different backgrounds.

Furthermore, I served as the Municipal Court Judge for the City of Socorro for three years; and as the Municipal Court Judge for the Town of Clint for two years. In this capacity, I had the duty to oversee all Class C citations, consisting mostly of traffic violations. I worked closely with the Town Clerk and Court Coordinator to move the dockets along. During my time in service, I was on call and assisted a number of local law enforcement agencies with the signing of arrest warrants, magistrate warnings, and blood search warrants. I signed over 1,200 warrants for: the City of Socorro Police Department, Horizon Police Department, Clint Police Department, Sheriff's Office, and Texas Department of Public Safety, amongst others. In my role as Judge, I took pride in ensuring that each individual was treated with dignity and respect, and that the court process was as simple as possible and above all fair for all the parties. Then, as a defense attorney, I take pride in assisting those most in need and to be able to walk my clients through the unfamiliar process a step at a time. I have many goals and aspirations, and I am confident that my experience and my desire to help others will allow me to be an asset to the City of El Paso.

I am determined to expand my experience and provide an exceptional service to the City of El Paso. Please let me know if I can provide any additional information in support of my candidacy. Thank you for your time and consideration. I look forward to hearing from you soon.

Respectfully,

Elia Garcia

DUTIES: We manage the State Bar of Texas and our 106,000 attorney. Our budget is approximately \$55 million per year. I am an outspoken director who has led the reform movement. I wrote this on the State Bar censoring attorneys. https://www.mrt.com/insider/article/OPINION-State-Bar-of-Texas-wrestles-with-15522647.php It appeared in 5-6 Texas newspapers including the El Paso Times. I realize full-well as even an associate municipal judge that I will have to be silent on many political issues and will do that. Continuing Legal Education Presentations. I present classes on "Ethics- How to Defend Grievances" and "The State Commission on Judicial Conduct" as well other legal subjects to attorneys who are required to accumulate 15 hours of additional education per year. I have presented at the State Bar Annual Meeting in Austin State Bar Leaders in Houston and several local bars including Bell, Nueces (Corpus Christi), Wood and El Paso County Bar Associations. I may present at one of the large Criminal Defense Bar meetings next year but otherwise I have slowed down. My dog Roosticus was the first canine official presenter at a Bar Annual Meeting 2019.		
REASON FOR LEAVING: For what it's worth, I am the only attorney in Texas history who won contested elections to serve as an elected State Bar of Texas Director from two distinct districts. City of El Paso

I am applying for your part-time municipal judge position and not the full-time judgeship.

I am certain that I am the only applicant that has the following credentials:

1. I recently served a year on the State Commission on Judicial Conduct. We heard evidence and disciplined judges at every level of state service. I did not enjoy it but learned just about everything a judge can do wrong. Watching experienced judges cry and beg for their positions was something I never want to experience again. For me personally, because I have been outspoken (and often misquoted) on political issues, I understand this is not allowed as a judge. I just won't do it.
2. Years ago I served as an elected District Attorney. I would probably be the only one with those credentials for which I represented the state at every level of court.
3. I am an elected State Bar Director, this time representing El Paso. I've served on many committees including Professional Disciplinary Rules (Ethics) and others relevant to practice. Most bar observers consider me the founder and leader of State Bar Reform, always fighting for small firms, solos and government lawyers. I am most proud of some of the votes where I lost 29-1. I have measures for more diversity, allowing attorneys to choose ZOOM and additional free CLE all on the January 22, 2020 agenda.
4. I've been a columnist on political and legal issues. I worked for Texas Tribune until they shut down Trib Talk. Here is a column on Judicial Selection. <https://www.tribtalk.org/2019/01/14/political-labels-arent-the-best-way-to-judge-judges/>

Here is a recent one on Texas attorneys and free speech which ran in 5-6 state newspapers
<https://www.mrt.com/insider/article/OPINION-State-Bar-of-Texas-wrestles-with-15522647.php>

Finally, "My dog is better than your lawyer which won Best of 2017. It's about attorney advertising scams.
<https://www.tribtalk.org/2017/09/01/my-dog-is-better-than-your-lawyer/>

My 37 years of practice should stand out. Decades ago, Governor Mark White offered me an appointment as District Judge. I responded I wasn't ready or fully-qualified. I am now.

A handwritten signature in black ink, appearing to read "Steve Fischer".

RE: Associate Municipal Court Judge – Court 4

Dear Selection Committee:

I am a law graduate of the University of Wisconsin Law School, and I am a member of the State Bar of Wisconsin as well as the State Bar of Texas. I am a practicing criminal defense attorney in the borderland area, and I am writing to express my sincere interest in working with the City of El Paso as an Associate Municipal Court Judge. As you will note from my resume, I have gained considerable experience as I served as the Municipal Court Judge for the City of Socorro for three years, as well as the Municipal Court Judge for the Town of Clint. I have been a solo practitioner with a focus in the area of criminal defense for over 6 years, and I am an exceptional candidate for this position because it couples my practical interests and experience nicely.

I have the necessary skills needed to be beneficial to the City of El Paso. I am fluent in both English and Spanish, which will allow me to communicate well with clients in their native language. I am able to relate well with others due to my personal background. I was born in Las Cruces, New Mexico, but raised in Socorro, Texas, as the first daughter of immigrant parents. Growing up and working in the borderland community has widened my horizons. I am able to interact with a variety of people from different backgrounds.

Furthermore, I served as the Municipal Court Judge for the City of Socorro for three years; and as the Municipal Court Judge for the Town of Clint for two years. In this capacity, I had the duty to oversee all Class C citations, consisting mostly of traffic violations. I worked closely with the Town Clerk and Court Coordinator to move the dockets along. During my time in service, I was on call and assisted a number of local law enforcement agencies with the signing of arrest warrants, magistrate warnings, and blood search warrants. I signed over 1,200 warrants for: the City of Socorro Police Department, Horizon Police Department, Clint Police Department, Sheriff's Office, and Texas Department of Public Safety, amongst others. In my role as Judge, I took pride in ensuring that each individual was treated with dignity and respect, and that the court process was as simple as possible and above all fair for all the parties. Then, as a defense attorney, I take pride in assisting those most in need and to be able to walk my clients through the unfamiliar process a step at a time. I have many goals and aspirations, and I am confident that my experience and my desire to help others will allow me to be an asset to the City of El Paso.

I am determined to expand my experience and provide an exceptional service to the City of El Paso. Please let me know if I can provide any additional information in support of my candidacy. Thank you for your time and consideration. I look forward to hearing from you soon.

Respectfully,

Elia Garcia
