Title: Accept the generous grant of \$20,000 from Marathon Petroleum Refinery for the Ability Fellows Program. The program is a paid fellowship initiative that addresses the barriers young adults with disabilities encounter when seeking job opportunities in the City of El Paso. This generous donation will offer hands-on experience, professional development, and civic engagement skills in the city's workforce from August to December 2024. The program was developed in collaboration with local organizations aiming to promote workforce development and inclusivity.

Further, we thank Marathon Petroleum Refinery for their continued support to workforce development and for supporting persons with all abilities.
