Title: Discussion and action to direct the City Manager to allow community members and community organizations to use city facilities to host three additional community-led meetings between members of the public and the finalist candidates for City Manager. This will be a change in addition to the existing Community Forum with council appointed panels slated for August 7, 2024 held at City Hall and the meet-and-greet held at the El Paso Convention Center. The purpose of these meetings will be to foster greater community outreach, engagement, and inclusion while bringing fair and equitable geographic engagement across all eight city council districts towards bringing greater unity in the selection of the next City Manager.
